**The Letters of Gertrude Stein and Thornton Wilder** Gertrude Stein,Thornton Wilder,1996-01-01 Letters trace the friendship between Stein and Wilder from late 1934 until Stein s death in 1946      Let the Wind Speak Carol Shloss,2023-02-21 Carol Loeb Shloss creates a compelling portrait of a complex relationship of a daughter and her literary giant father Ezra Pound and Mary de Rachewiltz Pound s child by his long time mistress the violinist Olga Rudge Brought into the world in secret and hidden in the Italian Alps at birth Mary was raised by German peasant farmers had Italian identity papers a German speaking upbringing Austrian loyalties common to the area and perforce a fascist education For years de Rachewiltz had no idea that Pound and Rudge the benefactors who would sporadically appear were her father and mother Gradually the truth of her parentage was revealed and with it the knowledge that Dorothy Shakespear and not Olga was Pound s actual wife Dorothy in turn kept her own secrets while Pound signed the birth certificate of her son Omar and claimed legal paternity he was not the boy s biological father Two lies established at the birth of these children created a dynamic antagonism that lasted for generations Pound maneuvered through it until he was arrested for treason after World War II and shipped back from Italy to the United States where he was institutionalized rather than imprisoned As an adult de Rachewiltz took on the task of claiming a contested heritage and securing her father s literary legacy in the face of a legal system that failed to recognize her legitimacy Born on different continents separated by nationality related by natural birth

and torn apart by conflict between Italy and America Mary and Ezra Pound found a way to live out their deep and abiding love for one another Let the Wind Speak is both a history of modern writers who were forced to negotiate allegiances to one another and to their adopted countries in a time of mortal conflict and the story of Mary de Rachewiltz's navigation through issues of personal identity amid the shifting politics of western nations in peace and war It is a masterful biography that asks us to consider cultures of secrecy frayed allegiances and the boundaries that define nations families and politics

The Outside Thing Hannah Roche, 2019-05-28 In a lecture delivered before the University of Oxford s Anglo French Society in 1936 Gertrude Stein described romance as the outside thing that is always a thing to be felt inside Hannah Roche takes Stein s definition as a principle for the reinterpretation of three major modernist lesbian writers showing how literary and affective romance played a crucial yet overlooked role in the works of Stein Radclyffe Hall and Djuna Barnes *The Outside Thing* offers original readings of both canonical and peripheral texts including Stein s first novel *Q E D* *Things As They Are* Hall s *Adam s Breed* and *The Well of Loneliness* and Barnes s early writing alongside *Nightwood* Is there an inside space for lesbian writing or must it always seek refuge elsewhere Crossing established lines of demarcation between the in and the out the real and the romantic and the Victorian and the modernist *The Outside Thing* presents romance as a heterosexual plot upon which lesbian writers willfully set up camp These writers boldly adopted and adapted the romance genre Roche argues as a means of staking a queer claim on a heteronormative institution Refusing to submit or surrender to the straight traditions of the romance plot they turned the rules to their advantage Drawing upon extensive archival research *The Outside Thing* is a significant rethinking of the interconnections between queer writing lesbian living and literary modernism *Full Bloom: The Art and Life of Georgia*

*O'Keeffe* Hunter Drohojowska-Philp, 2005-11-15 Offers a portrait of the twentieth century woman artist through discussions of her marriage to art photography pioneer Alfred Stieglitz the impact of his infidelity on her psyche and her relocation to New Mexico where she created her signature works      **Finding the Way to 'Long Day's Journey Into Night'** William Davies King, 2024-09-03 Eugene O'Neill wrote his most enduring and important plays after he won international acclaim as the first and only American playwright to receive the Nobel Prize in Literature in 1936 In the midst of the Great Depression with his health failing and spirits sunk he and his third wife former actress Carlotta Monterey moved to California to escape the materialism and commercialism of a declining West and they built a new home called Tao House A reasonably good translation of tao is the way and in this house which was largely the creation of Carlotta he found the way to his most famous play *Long Day's Journey Into Night* As an unusually explicit autobiographical drama this play returns to 1912 the outset of O'Neill's writing career when he confronted tragedy in his family story and found a way to dramatize his mother father brother and himself in a way that has resonated with audiences since its publication and production in 1956 But this book argues that the play originates as much in the moment of its creation 1939 1941 in the family relationships the historical circumstances and the fact that this work would represent a moment of closure of his great career Key to this heroic story of creation is the intervention of his wife Carlotta whose diaries enable a day to day observation of how the play was written She was the driving force behind the design of Tao House and she managed the rhythms and patterns of life within its architecture It was her masterpiece just as *Long Day's Journey* was his This book develops a close reading of their house and marriage and also uses many of O'Neill's previous plays to illuminate the breakthrough of *Long Day's Journey* This book is the most granular and at the same time the most far reaching inquiry into how this quintessential play was written and almost not written and how it came into the world      **The New Ezra Pound Studies** Mark Byron, 2020 Essays on recent developments in Pound scholarship and research including newly available primary sources and methodological advances in cognate fields      **Critical Companion to Eugene O'Neill, 2-Volume Set** Robert M. Dowling, 2009 This study explores the personal historical and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh* *The Emperor Jones* *Mourning Becomes Electra* *Hughie* and arguably the finest tragedy ever written by an American *Long Day's Journey into Night*
