**Ezra Pound: Poet** A. David Moody, 2015-09-24 This third and final volume of A. David Moody's critical life of Ezra Pound presents Pound's personal tragedy in a tragic time In this volume we experience the 1939-1945 World War and Pound's hubristic involvement in Fascist Italy's part in it we encounter the grave moral and intellectual error of Pound

holding the Jewish race responsible for the war and his consequent downfall being charged with treason condemned as an anti Semite and shut up for twelve years in an institution for the insane Further we see Pound stripped for life by his own counsel and wife of his civil and human rights Pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime s effort to promote in and through his Cantos and his translations a consciousness of a possible humane and just social order The contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension *Pigeons on the Granite* Donald Clifford Gallup,1988-08-01

nationality related by natural birth and torn apart by conflict between Italy and America Mary and Ezra Pound found a way to live out their deep and abiding love for one another Let the Wind Speak is both a history of modern writers who were forced to negotiate allegiances to one another and to their adopted countries in a time of mortal conflict and the story of Mary de Rachewiltz's navigation through issues of personal identity amid the shifting politics of western nations in peace and war It is a masterful biography that asks us to consider cultures of secrecy frayed allegiances and the boundaries that define nations families and politics
