Ridge Mountains were the cries of newborn babies that disappeared into the night The screams of children nearly drowned out by the sound of crickets A girl hidden and waiting to be found terrified and confused The fireflies sparkling in the woods bringing light to darkled places The bulk of Jesse s memories were of growing up in the farm country of the Blue Ridge Mountains in North Carolina The farm folks stayed pretty much outside of town except for visits to the feed store causing random tractors to travel down Main Street There were beatings and abuses manipulation and terror carried out in spaces breathtaking in their beauty There were twenty seven Baptist churches three non denominational churches and one Catholic Church There were annual Ku Klux Klan rallies on the street where they would walk right by all the black families who came out to watch and the white folks who came out for moral support whether of the black families or the white no one knew for sure Black people did not marry white people in a civilized society and so were rarely seen socializing There was a young woman who was pregnant with a black man s baby so her parents disowned her Jesse s family was accused of killing the child

and burying it on their property There was the Berkley House Bed and Breakfast toward the end of town with gold plated silverware and hardwood floors rumored to be the local sex worker house There was a mansion up on a hill that overlooked the other humble houses in the town In the local cemetery there was Will B Jolly carved into the graves used by bootleggers back in the twenties Everyone had some form of thick southern drawl though the length of the aw would extend the further south you went There was a tiny baseball field and a tinier fire department There was an old lady in the foothills that let the family raid her garden during the summer And in exchange Jesse s family helped her husband bring in the hay for their animals every year There was a black snake in the attic the door opened inside the closet next to Jesse s bed She would find his shed skins left behind in the summer months measuring close to seven feet in length There was a creek with crawdads and a moss covered bridge There were mulberry and pecan trees that filled her and her siblings aching bellies as the weather turned There were hot summer days and freezing cold winters There were dogs that were best friends cats that kept her warm at night and a cow that committed suicide There was red clay instead of dirt hayfields instead of grass and a favorite swimming hole Lenny s Mill the local grain mill on a glacier fed creek where you could take a dip if you were brave enough to challenge the frigid waters Girl Hidden is the story of an unwanted child born nonetheless and forced into servitude desperate to protect her siblings and find her way out from under the vicious manipulative abuses heaped on her by the one person who was supposed to love her unconditionally her mother No More Pacifier for Piggy! Bernette G. Ford,2012 Ducky has a great new game that he d like to share with his friend peekaboo Piggy wants to play too but every time he tries to smile or call out I see you his pacifier gets in the way Will Piggy forget about his pacifier or forget about having fun Bernette Ford and Sam Williams treat a toddler s rite of passage with sensitivity and charm Our Proving Ground John Lawrence,2010-02 It was the Great Depression a difficult time for most Americans and seemingly even more so for a poor Methodist preacher his wife and their seven children But for Johnny it was a time of discovery and childhood adventure far removed from the woes of the world His family had very little So the depression meant little to them What they lacked monetarily was surpassed by their solidarity hard work and creativity In the Proving Ground Memories of the Good Old Days Dr John Lawrence recounts his idyllic childhood memories of growing up in rural Alabama and Florida These charming stories show the world from an innocent and untarnished perspective a bygone era where children were free to roam and explore the countryside where their imagination was the best form of entertainment and where the great outdoors God s entire world As they knew it was both a playpen and a proving ground Journey back in time with Dr John Lawrence and discover countless reasons why these years are fondly remembered as the good old days **D.E.R.O.S.** John H.
