him when he was given a ticket for a boat trip up the Hudson River to see the wilderness of the Catskill Mountains The haunting beauty of the landscape sparked his imagination and would inspire him for the rest of his life The majestic paintings that followed struck a chord with the public and drew other artists to follow in his footsteps in the first art movement born in America His landscape paintings also started a conversation on how to protect the country's wild beauty Hudson Talbott takes readers on a unique journey as he depicts the immigrant artist falling in love with and fighting to preserve his new country
