Pilgrim Bell Kaveh Akbar, 2022-01-27 Kaveh Akbar is the sorcerer s sorcerer masterful in the way he wields language Profound and singular smart and sad and funny but most of all truth s beauty and beauty s truth sung We need Pilgrim Bell We need Kaveh Akbar TOMMY ORANGE America I warn you if you invite me into your home I will linger kissing my beloveds frankly pulling up radishes and capping all your pens There are no good kings only burning palaces Lose me today so much from The Palace With formal virtuosity and ruthless precision Kaveh Akbar s second collection takes its readers on a spiritual journey of disavowal fiercely attendant to the presence of divinity where artifacts of self and belonging have been shed How does one recover from addiction without destroying the self as addict And if living justly in a nation that would see them erased is too a kind of self destruction what does one do with the body s question what now shall I repair Here Akbar responds with prayer as an act of devotion to dissonance the infinite void of a loved one s absence the indulgence of austerity making a life as a Muslim in an Islamophobic nation teasing the sacred out of silence and stillness Richly crafted and generous Pilgrim Bell s linguistic rigour is tuned to the register of this moment and any moment As the swinging soul crashes into its limits against the atrocities of the American empire and through a profoundly human capacity for cruelty and grace these brilliant poems dare to exist in the empty space where song lives resonant revelatory and holy **The Pilgrim's**
