Pilgrimage To Hell Red Holocaust Neutron Solstice:

HELLBENDERS James Axler, 2014-01-15 **POINT OF NO RETURN** Out of the ashes of the conflagration that savaged mankind two centuries ago Deathlands was born a tortured testament to a world long gone Yet in this kill or be killed world where justice is the way of the past and blood is law hope is the last refuge of the doomed For Ryan Cawdor driven by a warrior's instinct to survive it's a world that exacts a devil's bargain the struggle for daily existence in return for a chance to forge a better life **VANGUARD** Emerging from a gateway into a redoubt filled with preDark technology Ryan and his band hope to unlock some of the secrets of postnuclear America But the fortified redoubt is under the control of a half mad former sec man hell bent on vengeance who orders Ryan and the others to jump start his private war against two local barons Under the harsh and pitiless glare of the radblasted desert sun the companions fight to see another day whatever it brings In the Deathlands the condemned shall inherit the earth **BLOODFIRE** James Axler, 2014-01-15 **NUCLEAR LEGACY** Life in twenty second century America is an odyssey of pain and death Savagely transformed by atomic fallout what remains of humanity endures an internecine war against those who thrive on chaos and bloodshed A legend in a violent land Ryan Cawdor lives and fights by his own rules as he and his companions traverse the grim world of Deathlands For as long as the future remains out of reach survival means living long enough to face a new day **CITY OF THE DEAD** Hearing a rumor that the Trader his old teacher and friend is still alive Ryan and his warrior group struggle across the treacherous Texas desert to find the truth But an enemy with a score to settle is in hot pursuit and so is the elusive Trader The preDark city of Sonora preserved for a century in the salt and sand of the nukescape becomes the staging ground for a showdown between mortal enemies where the scales of revenge and death will be balanced with brutal finality In the Deathlands the only law is lawlessness

SUNCHILD James Axler, 2014-01-15 **PERMANENT ENTROPY** After an atomic blast hurled the world into an uncertain future the past still reaches out in hope and damnation In a kill or die world one steadfast group of survivors possesses superior fighting skills and sense of fair play that have made them living legends In their struggle to seek a better way of life they are unraveling the powerful secrets of the hell on earth called Deathlands **PORTAL TO HELL** A pre dark legacy of shattering promise lies beneath the ruins of nuke ravaged Seattle Ryan Cawdor and his warrior companions come face to face with the ancestors of a secret society whose members were convinced that paradise awaited at the center of the earth This cult is inexorably tied to a conspiracy of twentieth century scientists devoted to fulfilling a vision of genetic manipulation In this labyrinthine ville carved from the subterranean passages of a doomed past some of the descendants of the Illuminated Ones are pursuing the dream of their legacy while others are dedicated to its nightmare Even in the Deathlands twisted human beliefs endure **DEVIL RIDERS** James Axler, 2014-01-15 **LAW OF THE LAWLESS** A century after the nuclear conflagration almost destroyed the world humanity endures in a lawless land Those who inhabit Deathlands are either killers or those who would be killed But an elite few defy the laws of this new natural selection playing both sides of the eternal

game of life and death Ryan Cawdor and his band of warrior survivalists never leave a friend behind or a coldheart alive

LEGEND REBORN Stranded in the salty desert wastes of West Texas Ryan and his companions find pre Dark wheels and set out on a treacherous journey across inhospitable terrain Hopes for a hot meal and clean bed in an isolated ville die fast when the companions run into a despotic baron manipulating the lifeblood of the desert water But it s his fortress stockpiled with enough armaments to wage war in the dunes that interests Ryan especially when he learns the enemy may be none other than the greatest and long dead Deathlands legend the Trader In the Deathlands the future is here but the past is never far behind

Separation James Axler,2014-01-15 **CHAINS OF DESTINY** Hard strength and resilience are needed to survive each new day in the treacherous world of postnuclear America For Ryan Cawdor and his companions honor integrity and a willingness to kill are necessary as well as they struggle to balance a survivalist spirit with a warrior s resolve to press on living by their own rules in a tortured land pursuing a dream that leads them into the unknown

SPLIT DECISIONS Ryan and his group make their way to a remote island in hopes of finding brief sanctuary Instead they are captured by an isolated tribe of descendants of African slaves from pre Civil War days When the tribesmen declare Mildred Wyeth free from her white masters it is a twist of fate that ultimately leads the battle hardened medic to question where her true loyalties lie Will she side with Ryan J B Dix and those with whom she has forged a bond of trust and friendship or with the people of her own blood But the loss of Mildred is not the only threat the group faces in a treacherous world where the ties that bind can cut both ways In the Deathlands the future is not what it used to be

Pilgrimage to Hell Jack Adrian,1997 *Pilgrimage To Hell* by Jack Adrian released on Oct 24 1997 is available now for purchase

SALVATION ROAD James Axler,2014-01-15 **FIRE BORN** Tortured into existence by a nuclear conflagration the new frontier of a ravaged America is an ordeal only the most intrepid can endure Pockets of civilization have emerged some born of will and hope while others are breeding grounds for tyranny and madness Ryan Cawdor and his warrior companions have survived all this and worse A roving band of survivalists driven to seek a better life they are unwilling to pay the highest price demanded by the unforgiving crucible called Deathlands

HARSH REPARATION Beneath the brutal sun of the nuke ravaged Southwest the Texas desert burns red hot and merciless commanding agony and untold riches to those greedy and mad enough to mine the slick black crude that lies beneath the scorched earth When a Gateway jump puts Ryan and the others deep in the hell of Texas they face a no win situation fry in the heat or become a rogue baron s sec force for an oil refinery targeted by saboteurs The task catch the raiders and win their freedom Or fail and face death In the Deathlands the unimaginable is a way of life

SHADOW FORTRESS James Axler,2014-01-15 **FORGED FROM THE RUINS** A planet ravaged by the apocalyptic blast of 2001 gave birth to a new world of savagery and a new breed of hero In a land where violence rules with absolute authority Ryan Cawdor and his wayfarer survivalists roam the strange nascent twenty second century living by their own creed of honor as they continue their search for a sanctuary they can call home

ETERNAL QUEST In what was once the nuclear testing ground of

the predark world the Marshall Islands are now the kingdom of the grotesque Lord Baron Kinnison Here in this world of slavery and brutality the companions have fought a fierce war for survival on land and sea yet the crafty baron still conspires to destroy these interlopers Activating a twentieth century hot air balloon left untouched by the blast they escape to the neighboring pirate ruled Forbidden Island with the baron s sec men in hot pursuit and become trapped in a war for total supremacy of this water world Not even Deathlands can deny the human will to survive DAMNATION ROAD SHOW

James Axler,2014-01-15 HELL ROAD In the ruins of a nuke shattered America every man woman and child of the apocalyptic frontier makes a perilous journey to the future But there is a fork that divides the path toward humanity reborn and the road deep into the hell that is Deathlands Ryan Cawdor made his choice long ago in this barbaric new world that conspires against hope MONSTERS MUTIES AND FREAKS Eerie remnants of pre Dark times linger a century after the nuclear blowout But a traveling road show gives new meaning to the word chilling Ryan and his warrior group have witnessed this carny s handiwork in the ruins and victims of unsuspecting villes Even facing tremendous odds does nothing to deter the companions from challenging this wandering death merchant and an army of circus freaks And no one is aware that a steel eyed monster from the past is preparing a private act that would give Ryan star billing In the Deathlands all you get is a one way ticket

BREAKTHROUGH James Axler,2014-01-15 MERCILESS INTERDICTION More than a century after a multi warhead nuclear strike wiped out nearly all of earth s population humanity s feral instinct to survive has spawned a savage new America Here the brutality of man and nature conspire against hope Yet despite its chaos and bloody turmoil Deathlands is a second chance for the human race and for a group of warrior survivalists led by a man called Ryan Cawdor MANIFEST DOOMSDAY Deathlands is a living hell but there is someplace worse a parallel Earth where the atomic mega cull never happened Now this Otherworld Earth is in its final death throes Yet for an elite few the reality portal offers a new frontier of raw energy expendable slaves a bastion of power for Dredda Otis Trask Her invasion force of genetically engineered warrior women has turned the ruins of Salt Lake City into the deadly mining grounds of a grotesque new order one that lies in wait for Ryan and his companions In the Deathlands danger lurks beyond the imagination Death Hunt James Axler,2014-01-15

LIMITED TENURE The treacherous new world of post nuclear America guarantees no inalienable rights no promises of freedom liberty or justice for all Instead chaos and bloodlust thrive but so do the innate strengths of the human spirit and the virtues of honor and courage Ryan Cawdor has endured the worst that Deathlands has to offer and continues to push on leading his companions through a land of madness and treachery seizing each new day with a deep primal hope that refuses to die SURVIVAL OF THE FITTEST Ryan s razor sharp edge has been dulled by the loss of his son Dean but grief is an emotion he cannot indulge if the band is to escape the chains of sadistic Baron Ethan His thriving ville offers a special commodity blood sport Now with the group s armorer JB Dix imprisoned and near death Ryan and the others are forced to join Ethan s hunt as the hunted But the perverse and powerful baron has changed the rules Skilled in mind control he

ensures the warriors will not be tracked by high paying thrill seekers Instead they will hunt each other to the death In the Deathlands the odds of survival just got worse **JUDAS STRIKE** James Axler,2014-01-15 FOREVER GONE A nuclear endgame played out among the superpowers created a fiery cataclysm that turned America into a treacherous new frontier But an intrepid group of warrior survivalists roams the wastelands unlocking the secrets of a pre dark world Ryan Cawdor and his band have become living legends in a world of madness and death where savagery reigns but the human spirit endures DEATH SEAS The South Pacific is a rad blasted paradise inhabited by giant mutated crustaceans and savage cannibals The local baron rules the Marshall Islands with a despotic iron fist and a secret formula for making Deathland s gold gunpowder But his true invincibility lies in his possession of stockpiles of pre dark rapid fire missiles and a fleet of functional PT boats Ryan Cawdor and his companions have faced off against the baron and survived But this time there s only one way out of these death seas through the sec men infested waters of the baron s kingdom Imagine your worst nightmare This is Deathlands **SKYDARK SPAWN** James Axler,2014-01-15 BLIND FORTITUDE Survival in America s nuke blasted frontier is both a curse and a salvation for Ryan Cawdor and his warrior companions Though the basic needs of existence must be fought for and won with blood each day alive means another chance to seek refuge and a better way of life in a hostile and brutal world where hope still fires the human heart FOUL IMPETUS In the relatively untouched area of what was once Niagara Falls Ryan and his fellow wayfarers find the pastoral farmland under the despotic control of a twisted baron and his slave breeding farm Ryan Mildred and Krysty are captured by the baron s sec men and pawned into the cruel frenzy of their leader s grotesque desires JB Jak and Doc enlist the aid of outlanders to organize a counter strike but rescue may come too late for them all In the Deathlands you are sentenced to your destiny from the moment of birth Blood, Bedlam, Bullets, and Badguys Michael B.
