**Savage Pilgrims** Henry Shukman,1997 Cowgirls a plane flying priest more than one romantically inclined stranger and a barroom philosopher at every stop He s not afraid to strip naked to join strange men in an open air hot tub nor is he intimidated by salsa dancing at the Red Dog Saloon As he finds himself in towns called Truth or Consequence or just driving along the magical New Mexico roads his journey becomes one of self discovery in the end he finds exactly what he is searching for in the *Bookman's Guide to Americana* Joseph Norman Heard,Charles F. Hamsa,1986 No descriptive material is available for this title The Collection of First Editions of American Authors Formed by the Late Arthur Swann Arthur Swann,1959 Pilgrim Spirituality Rodney Aist,2022-04-13 A pilgrim themed spirituality for Christian formation Pilgrim Spirituality resources everyday Christianity congregational life social outreach and religious travel through definitional frames of pilgrimage Pilgrimage is a prominent biblical image Yet despite its contemporary resurgence its capacity for Christian formation remains untapped While our understanding of pilgrimage has been too narrow we lack a definitional framework that fosters transformational practice Definitions matter thought creates possibilities and intentionality enhances experience Recognizing pilgrimage as a comprehensive expression of the Christian life Pilgrim Spirituality provides tools for perceiving spiritual possibilities engaging situational context and interpreting lived experience Espousing both personal and social holiness Pilgrim Spirituality gives definitional status to the Other attends to the self and seeks the presence of God in the facts in which we find ourselves Pilgrim Spirituality examines Christian concepts of time place and journey while emphasizing the personal corporate incarnational metaphorical and tensional character of the pilgrim life Exploring the motives experiences and practices of pilgrimage Pilgrim Spirituality resources readers in their destinational pursuit of the Christian faith the union of God self and the Other **Misplaced Objects** Silvia Spitta,2009-07-01 When things move things change Starting from this deceptively simple premise Silvia Spitta opens a fascinating window onto the profound displacements and transformations that have occurred over the six centuries since material objects and human subjects began circulating between Europe and the Americas This extended reflection on the dynamics of misplacement starts with the European practice of collecting objects from the Americas into Wunderkammern literally cabinets of wonders Stripped of all identifying contexts these exuberant collections including the famous Real Gabinete de Historia Natural de Madrid upset European certainties forcing a reorganization of knowledge that gave rise to scientific inquiry and to the epistemological shift we call modernity In contrast cults such as that of the Virgin of Guadalupe arose out of the reverse migration from Europe to the Americas The ultimate marker of mestizo identity in Mexico the Virgin of Guadalupe is now fast crossing the U S Mexico border and miracles are increasingly being reported Misplaced Objects then concludes with the more intimate and familial collections and recollections of Cuban and Mexican American artists and writers that are contributing to the Latinization of the United States Beautifully illustrated and radically interdisciplinary

Misplaced Objects clearly demonstrates that it is not the awed viewer but rather the misplaced object itself that unsettles our certainties allowing new meanings to emerge      **Harper's popular cyclopedia of U.S. history** Benson John Lossing,1889
