With explanatory notes by William Mason, and embellished with 15 engravings to which is prefixed a life of the Author John Bunyan,1846 *The Journal of the Chemical, Metallurgical and Mining Society of South Africa* Chemical, Metallurgical, and Mining Society of South Africa,1909 In the Hands of a Happy God Howard Dorgan,1997 The investigation of Primitive Baptist Universalists Calvinist No Hellers which sounds for all the world like an oxymoron requires the exact type of seasoned and comprehensive field experience which Dorgan has brought to it with meticulous care and insight Deborah Vansau McCauley author of Appalachian Mountain Religion Among the many forms of religious practice found in the ridges and hollows of Central Appalachia one of the most intriguing and least understood is that of the Primitive Baptist Universalists PBUs Popularly known as the No Hellers this small Baptist sub denomination rejects the notion of an angry God bent on punishment and retribution and instead embraces the concept of a happy God who consigns no one to eternal damnation This book is the first in depth study of the PBUs and their beliefs As Howard Dorgan points out the designation No Heller is something of a misnomer Primitive Baptist Universalists he notes believe in hell but they see it as something that exists in this life in the temporal world rather than in an afterlife For a PBU sinfulness is the given state of natural man and hell a reality of earthly life the absence from God s blessing torment that sin generates PBUs further believe that at the moment of Resurrection all temporal existence will end as all human kind joins in a wholly egalitarian heaven the culmination of Christ s universal atonement In researching this book Dorgan spent considerable time with PBU congregations interviewing their members and observing their emotionally charged and joyous worship services He

deftly combines lucid descriptions of PBU beliefs with richly textured vignettes portraying the people and how they live their faith on a daily basis He also explores a fascinating possibility concerning PBU origins that a strain of early nineteenth century American Universalism reached the mountains of Appalachia and there fused with Primitive Baptist theology to form this subdenomination which barely exists outside a handful of counties in Tennessee Virginia Kentucky and West Virginia Like Dorgan s earlier books *In the Hands of a Happy God* offers an insightful blend of ethnography history and theological analysis that will appeal to both Appalachian scholars and all students of American religion *The Pilgrims' Way in South Africa* Dorothea Fairbridge, 1928 With a frontispiece in colour by R Gwelo Goodman *Weekends with Soul* Bridget Hilton-Barber, 2001
