The White Feathers Daniel Bryant,2024-12-18 In the tender twilight of a summer s day in 2016 as the world seemed to pause in a somber moment of farewell a white feather floated gently through the air in a small church marking the beginning of a journey that transcends the boundaries of belief and skepticism This is not just a story it s a testament to an ongoing experience that challenges the realms of what we see what we believe and what lies beyond our understanding The White Feathers chronicles a series of extraordinary events that followed the funerals of our beloved sister Rosie and brother Henry events that continue to unfold to this day eight years later in 2024 At its core this book is a narrative bridge between realms a gentle invitation to explore the depth of faith the reality of God s existence and the omnipresent love that envelops us all believers and nonbelievers alike For those who already carry the light of faith within them may this story serve as a beacon reinforcing the strength of your beliefs and the certainty of God s love We hope this journey of the white feathers not only resonates with your spirit but also deepens your connection to the divine reminding you of the boundless grace that supports us through life s trials and triumphs The White Feathers is an invitation to witness the extraordinary within the ordinary to see the hand of God in the moments of profound silence and in the whispers of the world around us Through this account we hope to share the message that God s love is boundless transcending our earthly experiences and that the essence of Jesus Christ and the Holy Spirit is alive and active reaching out to touch hearts and awaken souls **The Reluctant Pilgrim**

Roger L. Welsch,2015-05-01 Forty years ago while paging through a book sent as an unexpected gift from a friend Roger Welsch came across a curious reference to stones that were round like the sun and moon According to Tatonka ohitka Brave Buffalo Sioux these stones were sacred I make my request of the stones and they are my intercessors Brave Buffalo explained Moments later another friend appeared at Welsch s door bearing yet another unusual gift a perfectly round white stone found on top of a mesa in Colorado So began Welsch s lesson from stones gifts that always presented themselves unexpectedly during a walk set aside in an antique store and in the mail from complete strangers The Reluctant Pilgrim shares a skeptic s spiritual journey from his Lutheran upbringing to the Native sensibilities of his adoptive families in both the Omaha and Pawnee tribes Beginning with those round stones increasing encounters during his life prompted Welsch to confront a new way of learning and teaching as he was drawn inexorably into another world Confronting mainstream contemporary culture s tendency to dismiss the magical mystical and unexplained Welsch shares his personal experiences and celebrates the fact that even in our scientific world Something Is Going On just beyond our ken *Pilgrim* Sara Douglass,2007-04-01 Pilgrim Book Five of the Wayfarer Redemption from Sara Douglass The Star Gate is destroyed and the
