**The Way** Brian Skillen, 2020-10-13 Isabella cursed her father for sending her on this quest but it was her only chance at freedom Sent by her father to locate the Knights Templar's greatest treasure and save her kingdom from ruin Princess Isabella of France finds one of seven secret doors that unlocks the Templars mysterious treasure With this discovery she expects the mission to be easy But when she is ambushed on the Camino de Santiago Isabella is not only forced to seek refuge with her father's enemies but she's unexpectedly reunited with her one true love Etienne Shocked that the woman who'd betrayed him so long ago is now before him Etienne is forced to put the past aside and do his duty as a Templar to help a pilgrim in need It's not long before the past catches up to them Now they must both decide to love again or to remain loyal

Etienne is tied to his vow as a Templar and Isabella to the will of her father As Isabella and her unlikely companions journey across Spain they unlock the Templars secret codes face immortal shadows and discover the wisdom of the Camino de Santiago Isabella s quest leads her to love friendship and self discovery but if she s not careful it could also lead to the destruction of the world On April 8 2017 in the small town of Castrojeriz I was first told about a secret code of the Knights Templar on the Camino de Santiago This code inspired me to write *The Way Through a Field of Stars* Since that day I have walked more than a thousand miles across Spain doing research for this book series Even though this novel is a work of fiction set in the thirteen hundreds you can still visit all of the towns cathedrals and castles in the story Also all of the secret codes in the novel are based on symbols ruins and other things I saw on my own Camino If you take a pilgrimage yourself and know where to look you can still see all these fascinating markings today
