L. Thomas, 2011-08-08 What is evangelism Have you ever asked that question For most people the word conjures up a great deal of pictures or thoughts that run the ambit of fanatics running the streets with tracts in their hands to the nice little Christian who models their faith through a quiet lifestyle Is either of these correct Is the answer somewhere in the middle Is there a correct answer at all I believe that there is This book is designed to walk one through the ministry principles and actions of the greatest evangelist of all times Jesus Christ He remains the best example of communicating the good news in a purposeful personal progressive practical and pervasive manner The steps to an effective witness are in following pillar principles demonstrated by Jesus The confidence to be involved in evangelism is tied to following the pillar principles of evangelism The understanding of what to say how to say it and when to say it are found in the pillar principles of evangelism demonstrated by Jesus and are explained in this book If you desire a practical tool to learn more about evangelism and teach others the same then this book is for you Seven Pillars of Christianity Dr. William Ekane, 2011-09-21 The revelations contained in the Bible serve as a supreme guide by which to measure all human conduct creeds and religious opinions and today s Christians are in steady moral and spiritual decline A 2010 survey by the Barna Research Group reveals that in American churches Christians have become less knowledgeable about the Bible less interested in spiritual disciplines and more desirous of secular techniques to solve life s problems thus blurring the distinction between their conduct and that of nonbelievers In Seven Pillars of Christianity An Introduction to the Essential Christian Doctrines Dr William Ekane reveals the life transforming foundations of the Christian faith and issues a clarion call for Christians to return to authentic Christianity First presenting his compelling case for the scientific reliability and divine origin of the Bible Dr Ekane works closely with Scripture as he leads us through everything from the Lord Jesus Christ to trust and faith in the living God to finally the five major judgments and Revelation These practical strategic insights and essential truths are invaluable to new converts as well as mature believers The Word of the Holy Spirit offers transformation illuminating our hearts and minds as we strengthen our spiritual foundation and grow deeper in God *The Gospel in Ten Words* Paul Ellis, 2012-09-12 At a time when many are hearing mixed messages about the love of God *The Gospel in Ten Words* is a welcome reminder of the good news revealed by Jesus It is an invitation to return to the unmixed and liberating gospel of the apostles This book will take you to the heavenly treasure rooms of grace leaving you awestruck at the goodness

Carpenter,2022-02-02 Uncovering seven lessons from Scripture and the Puritans John Carpenter applies the principles and practices that are often neglected by the church today but are key in making a church truly biblical Drawing on his background as a scholar of Puritanism and years of planting and pastoring a church Carpenter establishes each pillar on the Bible and shows through Scripture and practical examples how they work Beginning with the tale of how an eyewitness account of the 9 11 terrorist attack on the World Trade Center shows us the perils of only seeing part of God s revelation we see why we must listen to what God says about himself why we must understand that the gospel is not a self help plan why salvation is so simple that it can be reduced to a bumper sticker Jesus saves but is still so often misunderstood leading to unconverted people leading churches and why believers aren t called just to go to church but to be covenanted members of a specific church where they can be corrected by their pastors and where worship is centered on God not on personalities putting on a show or attracting crowds **Disciples of All Nations** Lamin O. Sanneh,2007-11-30 Long the dominant

religion of the West Christianity is now rapidly becoming the principal faith in much of the postcolonial world a development that marks a momentous shift in the religion s very center of gravity In this eye opening book Lamin Sanneh examines the roots of this post Western awakening and the unparalleled richness and diversity as well as the tension and conflict it has brought to World Christianity Tracing Christianity s rise from its birth on the edge of the Roman empire when it proclaimed itself to be a religion for the entire world not just for one people one time and one place to its key role in Europe s maritime and colonial expansion Sanneh sheds new light on the ways in which post Western societies in Africa Asia and Latin America were drawn into the Christian orbit Ultimately he shows these societies outgrew Christianity s colonial forms and restructured it through their own languages and idioms a process that often occurred outside and sometimes against the lines of denominational control The effect of such changes Sanneh contends has been profound transforming not only worship prayer and the interpretation of Scripture but also art aesthetics and music associated with the church In exploring this story of Christianity s global expansion and its current resurgence in the non Western world Sanneh pays close attention to such issues as the faith s encounters with Islam and indigenous religions as well as with secular ideologies such as Marxism and nationalism He also considers the challenges that conservative non Western forms of Christianity pose to Western liberal values and Enlightenment ideas Here then is a groundbreaking study of Christianity s role in cultural innovation and historical change and must reading for all who are concerned with the present and future of the faith

The Pillars of Christian Character John MacArthur,1998 One of Christianity s most respected pastors examines fourteen distinctive biblical attitudes that demonstrate an active living maturing faith and mark a person as one of God s own

Seven Pillars of a Biblical Church John B. Carpenter,2022-02-02 Uncovering seven lessons from Scripture and the Puritans John Carpenter applies the principles and practices that are often neglected by the church today but are key in making a church truly biblical Drawing on his background as a scholar of Puritanism and years of planting and pastoring a church Carpenter establishes each pillar on the Bible and shows through Scripture and practical examples how they work Beginning with the tale of how an eyewitness account of the 9 11 terrorist attack on the World Trade Center shows us the perils of only seeing part of God s revelation we see why we must listen to what God says about himself why we must understand that the gospel is not a self help plan why salvation is so simple that it can be reduced to a bumper sticker Jesus saves but is still so often misunderstood leading to unconverted people leading churches and why believers aren t called just to go to church but to be covenanted members of a specific church where they can be corrected by their pastors and where worship is centered on God not on personalities putting on a show or attracting crowds *Of What Life Do We Speak* Tikhon Mollard,2018-06 **The Pillars of the Earth** Ken Follett,2009 This timeless story of passion and idealism tells of a group of of men and women whose destinies are fatefully linked with the building of a cathedral Love greed revenge sexual jealousy and heroic courage all play a part in this epic drama Pillars of Flame Maggie Ross,2007-09 Is the priesthood a power to

be exercised or a call to share in the broken Christ Ross sets modern questions about ordained ministry in the Church within a much wider context encouraging us to reflect anew on the relationship between administrative power and spiritual authority within the Church and to redefine the priesthood She minces no words in her critique of the contemporary Church and goes on to propose changes so sweeping and fundamental that we sense what a truly Christian Church would be

Pillars Rachel Pieh Jones, 2021 Gold Medal 2022 Independent Publisher Book Awards IPPY Personal friendships with Somali Muslims overcome the prejudices and expand the faith of a typical American Evangelical Christian living in the Horn of Africa When Rachel Pieh Jones moved from Minnesota to rural Somalia with her husband and twin toddlers eighteen years ago she was secure in a faith that defined who was right and who was wrong who was saved and who needed saving She had been taught that Islam was evil full of lies and darkness and that the world would be better without it Luckily locals show compassion for this blundering outsider who can't keep her headscarf on or her toddlers from tripping over AK 47s After the murder of several foreigners forces them to evacuate the Joneses resettle in nearby Djibouti Jones recounts often entertainingly the personal encounters and growing friendships that gradually dismantle her unspoken fears and prejudices and deepen her appreciation for Islam Unexpectedly along the way she also gains a far richer understanding of her own Christian faith Grouping her stories around the five pillars of Islam creed prayer fasting giving and pilgrimage Jones shows how her Muslim friends devotion to these pillars leads her to rediscover ancient Christian practices her own religious tradition has lost or neglected Jones brings the reader along as she reexamines her assumptions about faith and God through the lens of Islam and Somali culture Are God and Allah the same What happens when one's ideas about God and the Bible crumble and the only people around are Muslims What happens is that she discovers that Jesus is more generous daring and loving than she ever imagined God's Magnificent Eight Dr. Ernan Norman, 2021-01-27 AND SAMPSON SAID TO THE YOUNG MAN WHO HELD HIM BY THE HAND LET ME FEEL THE PILLARS ON WHICH THE HOUSE RESTS THAT I MAY LEAN AGAINST THEM Judges 16:26 ESV Mark Finely has rightly said that there are seven basic teachings on which God has built His church Wisdom has built her house she has hewn out her seven pillars These seven pillars are essential and the non negotiables Scripture John 17:17 Salvation John 3:16 Second Coming John 14:1-3 Sabbath John 14:15 State of the Dead John 11:11-26 Sanctuary John 17:4-11-24 Holy Spirit and Spirit of Prophecy John 14:15-17 Prov 9:1 Mark Finely Solid Ground p 374 The house of God which is the church of the living God the pillar and ground of the truth is built on these seven pillars 1 Tim 3:15 Because of this Dr Norman identifies the church as an eight pillar This eight pillar rests on the other seven non negotiables These non negotiables are in turn rooted and grounded in Christ and they define who we are as a biblical community of faith Tragically though great uncertainty concerning the pillars abound The non negotiables are under assault And this assault will intensify as a mighty sifting sieve Those who seek to remove the old landmarks bring in theories that would remove the pillars of our faith concerning the sanctuary they are working as blind men they are seeking to bring in

uncertainties and to set the people of God adrift without an anchor E G White Manuscript Release No 760 P 9 1905 If there ever was a time we needed the resolve of Sampson it is now The author hopes that this book will inspire this resolve a resolve that will lead us back to the pillars back to the non negotiables Like Sampson may we feel the pillars once again and lean on the non negotiables centered in Christ The Hyper-Grace Gospel Paul Ellis,2015-05-10 In this book Paul Ellis draws a line between the muddled messages of manmade religion and the gospel of Christ Drawing on insights gleaned from more than 40 grace preachers he addresses common misperceptions and responds to charges some have made against the modern grace message Pillars of the Church Theodore Maynard,1945 *The Seven Pillars of Catholic Spirituality* Matthew Kelly,2021-03 **The Nine Pillars of History** Gunnar Sevelius,2016-05-21 Human society as we know it goes back some 200 000 years to a time when we learned to speak and communicate our thoughts The Nine Pillars of History are defined from nine basic requirements for a healthy and prosperous society during the following 190 000 years of Hunting and Gathering Sexuality a fundamental human need that goes even further back in history than society had to be mitigated with a social rule The Golden Rule The Nine Pillars of History are used as non political common denominators to judge the political evolution of some thirty major countries or cultures In addition the Pillars are partnered with the Golden Rule to explore five world religions Hinduism Buddhism Judaism Christianity and Islam The relevance of The Nine Pillars of History is proven by the fact that they exist intergraded across multiple societies since the dawn of time and are still relevant for our modern world This historical review reveals that dogmatic religions and harsh politics have caused 10 000 years of war by challenging the relevance of The Nine Pillars of History Dr Sevelius gives his views as nonpolitical nonreligious thoughts Each paragraph has been numbered to offer an easy to use reference system for community discussion of specific statements The Nine Pillars of History gives you Dear Friend and Reader a vision for peace As Dr Sevelius respectfully borrows President Lincolns enduring truth that governments of the people by the people and for the people shall not perish from the earth
