**Prayers on My Pillow** Celia Straus, 2010-11-24 Inspiration for Girls on the Threshold of Change Before I go to sleep each night Before I turn off every light Let me put away my fears Let me brush away the tears The heartfelt prayers in this luminous volume were originally

written for the comfort and inspiration of a twelve year old girl named Julia The author of these prayers is Julia s mother who wrote them because she was troubled that she and her daughter no longer talked as much as they used to So each night she left a verse on Julia s pillow Julia shared them with her younger sister and with her friends and the prayers moved outward in ever widening circles Now everyone can enjoy and meditate upon these simple supplications whose words feelings and perspective are those of a girl growing into womanhood Nearly one hundred and fifty prayers encourage girls to look inward for the strength to heal hurts calm fears and reconcile with family and friends They present the values of self reliance and confidence celebrating the gift of life and the unique pleasure and challenges of being a girl Each prayer is a loving act of faith and together they provide a safe and private space in which a girl can simply be and grow **Shadow** Lance
