

Pillow People

Dr. John W. Ford

Pillow People:

Unbinding The Pillow Book Gergana Ivanova, 2018-11-06 An eleventh century classic The Pillow Book of Sei Shōnagon is frequently paired with The Tale of Genji as one of the most important works in the Japanese canon Yet it has also been marginalized within Japanese literature for reasons including the gender of its author the work's complex textual history and its thematic and stylistic depth In Unbinding The Pillow Book Gergana Ivanova offers a reception history of The Pillow Book and its author from the seventeenth century to the present that shows how various ideologies have influenced the text and shaped interactions among its different versions Ivanova examines how and why The Pillow Book has been read over the centuries placing it in the multiple contexts in which it has been rewritten including women's education literary scholarship popular culture pleasure quarters and the formation of the modern nation state Drawing on scholarly commentaries erotic parodies instruction manuals for women high school textbooks and comic books she considers its outsized role in ideas about Japanese women writers Ultimately Ivanova argues for engaging the work's plurality in order to achieve a clearer understanding of The Pillow Book and the importance it has held for generations of readers rather than limiting it to a definitive version or singular meaning The first book length study in English of the reception history of Sei Shōnagon Unbinding The Pillow Book sheds new light on the construction of gender and sexuality how women's writing has been used to create readerships and why ancient texts continue to play vibrant roles in contemporary cultural production **A Pillow Book** Suzanne Buffam, 2016-04-09 Not a narrative Not an essay Not a shopping list Not a song Not a diary Not an etiquette manual Not a confession Not a prayer Not a secret letter sent through the silent Palace hallways before dawn Making a daybook of oblivion A Pillow Book leads the reader on a darkly comic tour through the dim lit valley of fitful sleep The miscellaneous memoranda minutiae dreamscapes and lists that comprise this book length poem disclose a prismatic meditation on the price of privilege the petty grievances of marriage motherhood art and office politics the indignities of age and the putative properties of dreams among other themes set in the dead of winter in a Midwestern townhouse on the eve of the end of geohistory Feather light in its touch quixotic in its turns and resolutely deadpan in its delivery A Pillow Book offers a twenty first century response to a thousand year old Japanese genre which resists while slyly absorbing all attempts to define it Pillow Pop Heather Bostic, 2013-01-14 Filled to the brim with 25 quick to make pillows from some of today's hottest designers A pillow is a great place to expand your skill and have some fun McCall's Quilting This installment of the Design Collective series is stuffed full of pillows Make a distinctive statement with eye catching modern designs choose from twenty five different 18 to 20 square pillow projects to decorate your home Pull out your favorite fabrics and have fun stitching up something new to adorn your bed or favorite chair Popular blogger and modern sewist Heather Bostic brings you a sensational selection of pillow projects Try different techniques like paper piecing quilting embroidery and applique More than twenty designers with fresh contemporary style offer something for everyone at any skill level **The Great Pillow**

Rebellion Hugo Bainbridge, The year is well it doesn't really matter Time becomes a bit fluid when dealing with sentient pillows Let's just say that one day humans woke up to a world slightly okay drastically different Their pillows had developed sentience This wasn't a subtle shift either This was a full blown rebellion complete with miniature picket signs crafted naturally from pillowcases strategically placed feather bombs a surprisingly effective weapon and a surprisingly well organized pillow parliament Suddenly the simple act of resting your weary head became a complex political negotiation The age old problem of finding the perfect sleeping position took on a whole new level of urgency Enter Alice our protagonist She's not your typical hero She doesn't wield a sword or possess magical powers Her weapon of choice Wit charm a surprisingly lumpy past and a truly unsettling ability to understand the grievances of inanimate objects Her mission is to negotiate peace between humans and the suddenly very opinionated pillows before sleep deprivation leads to utter societal collapse This isn't just a tale of a pillow rebellion it's a hilarious heartfelt exploration of communication compromise and the unexpected consequences of giving inanimate objects a voice So prepare for a wild ride filled with fluffy revolutionaries philosophical discussions with bolsters and the shocking truth about the origins of that suspiciously lumpy pillow you've been using for the past ten years Get ready for The Great Pillow Rebellion it's going to be a bumpy but ultimately satisfying ride

Making Herbal Dream Pillows Jim Long, 1998-01-01 A lavish book offering step by step instructions for creating herbal scented pillows for custom made dreams

Things People Do That Piss You Off at Work S. R. Banks, 2021-12-02 Have you ever been at work and someone did something that pissed you off Like being in a meeting and it's always that one person who thinks they are smarter than everyone but they really aren't annoying the heck out of everyone with their irrelevant questions Or what about the person who uses the bathroom but does not wash their hands after they are done They want to shake everybody's hands but they didn't care enough to run those hands through soap and water Nasty And the beggar you want a quarter you want a dollar you want a cigarette heck you even want a freaking bite of my sandwich the sandwich that I made with my time and energy The things people do that piss you off at work

The Confessions of a Physician

Operative Dr. John W. Ford, 2021-12-20 The Confessions of a Physician Operative By Dr John W Ford When the sudden death of his mother and abandonment by his father leaves young Sean Devlin without a home he leaves the life he knows to move in with his aunt Jill Though his childhood is tumultuous and often lonely he finds love and acceptance in his new home and Sean grows up to become a very successful physician But Sean lives a secret life Ever the contradictory figure Sean when not saving his patients lives is a physician killer for the CIA and later in life a crack operative for Israel's Mossad intelligence agency a life he keeps closely guarded The Confessions of a Physician Operative tells the story of a willful complicated and enigmatic figure and the unprecedented life he lived

Roar Michael Clinton, 2022-09-13 ROAR is for everyone who is thinking about where they are in life and those who want more out of life From author Michael Clinton former president and publishing director of Hearst Magazines ROAR helps both those considering retirement and those who have no wish to retire

get on with fulfilling their dreams before it's too late. We are living in a time when everyone is constantly reassessing what is next for them. In the mid-career group, people who have spent years working in a business are now seeing their industry changing dramatically and are facing the question: What does that mean for me in the next twenty years? At the same time, the post-career group is also going through massive change. Many in this group are still not prepared financially, logistically, or emotionally to make the decisions necessary to face the next phase of their lives. While they may be thinking about retiring, they don't necessarily want to do nothing. ROAR will help both groups think about what is really important to them and how to plan and take meaningful action so that the second half of their lives can be happy and productive. The book offers a unique and dynamic 4-part process called ROAR: Reimagine yourself, Own who you are, Act on what's next, and Reassess your relationships. This is the method Michael uses himself to pursue a purposeful life, and now he shares his technique and approach so you can expand your own life, too. Prescriptive and inspiring, with personal anecdotes from his life as well as from others he interviewed for the book, ROAR is highly accessible, entertaining, and transformative.

The Idiot Factor Larry Winget, 2009-12-29. Read Larry Winget's posts on the Penguin Blog. The Pitbull of Personal Development and New York Times bestselling author is back with advice on the dumb things people do to sabotage their success. What do people really want? They want what they've got. It's a simple formula: You have what you want because your actions produced your results. Not your words, and certainly not your wants. In his signature caustic yet lovable style, Larry Winget dishes out straight talk on what he calls life's messes and offers sound, simple solutions. Taking on business, family, health, being fat, being stupid, success, money, and more, Larry Winget points out exactly which changes have to take place in order for people to turn their lives around. A little bit of business, a little bit of personal development, a little finance, a little parenting, a little health, and wellness. The Idiot Factor will help anyone identify his or her own areas of stupidity and take action to finally achieve real success.

No Time for Tact Larry Winget, 2010-09-07. A daily kick in the pants from the Pitbull of Personal Development and Wall Street Journal, BusinessWeek, and New York Times bestseller Larry Winget. In these uncertain times, America needs a straight talk dose of Larry Winget reality more than ever. No Time for Tact is a boot camp version of the thought of the day, calendar, the ultimate wake up call for anyone who's looking for a lifeline and true empowerment. With an eye-catching design, this book is packed with memorable gems such as: Stress comes from knowing what is right and doing what is wrong. When people say, "Let me be honest with you," it means, "In the past, they haven't been." If you are unhappy, unsuccessful, broke, or sick, please just keep it to yourself. The rest of us don't want to hear it, so don't feel compelled to share. Training is expensive. Books are expensive. Going to seminars is expensive. Being stupid is even more expensive. Blending longer observations with signature Winget quips, No Time for Tact is the perfect way to jump start each day.

Pillow Talk Craig Conover, 2022-03-29. Perfect for fans of One Day You'll Thank Me and Capital Gains, the star of Southern Charm and cofounder and CMO of Sewing Down South reveals how he turned his passion for sewing into a profitable enterprise and a

fulfilling life while also taking us behind the scenes of one of Bravo's most popular shows. As a young boy sitting at a sewing machine in home economics class, Craig Conover had no idea that this hobby would one day change his life for the better. Growing up in Delaware, Conover experienced cruel bullying and suffered from severe anxiety and obsessive compulsive disorder. But while law school in Charleston seemed to provide the direction he needed, Conover spent years searching for meaning and passion in life. The chance to become a cast member on Bravo's *Southern Charm* promised to provide that. Though the show gave Conover a shot at fame and fortune, it also offered destructive temptations that fed his insecurities. As the show increased in popularity, he sank deeper into self-doubt. Unable to take control of his life, Conover quickly lost his job, his girlfriend, and his motivation. Then, at his lowest point, Conover turned to his passion: sewing, and slowly pulled himself out of the spiral. A chance phone call from an old friend gave Conover the support he needed to turn his hobby into a business. Soon after, *Sewing Down South* was born and became an overnight success, with Conover launching a multi-state Pillow Party Tour, being featured on HSN, and opening a retail store in downtown Charleston. Now, Conover reveals the full story of the drama that swirled around him on the show, both on screen and off, and how it led to the founding of *Sewing Down South*. He also talks about how he was able to turn his passion into his work and reclaim the direction of his life, and what lessons we can learn from his experience.

Pet, Pet, Slap Andrew Battershill, 2024-06-04. Rocky meets Elmore, Leonard meets Miranda, July as Pillow, Wilson a past his prime boxer trains for his last title shot. Shenanigans ensue. Boxer Pillow, Fist Pete Wilson should be preparing for his big comeback fight. But having recently undergone an ethical awakening, the new vegan is busy trying to find humane new homes for his menagerie of exotic pets, including Jersey Joe the sloth and Rigoberto the shark. His roommate Sherlock Holmes, who faked his own death by waterfall, is now Pillow's in-house doping expert. Pillow just can't get motivated to train, and he's further distracted from his push-ups when both his car and Rigoberto mysteriously disappear. Luckily, Sherlock is a master of deduction. What follows is part underdog sports story, part work of neozoological surrealism, and part existential mystery novel. Reckless, desperate, and achingly human, Battershill remains funnier than anyone else on your shelf. Andrew F. Sullivan, author of *The Marigold*. The adventures of Battershill's returning protagonist Pillow are witty and occasionally absurd, but the story never trips on ironies. Battershill twines the humanity of pulp noir with the unsettling play of surrealism to build a world in which pet sloths, Sherlock Holmes, and skilled drug pushers all seem to have found their ideal home. Nabon Ruthnum, author of *A Hero of Our Time*. Pillow Wilson is one of my favourite characters in CanLit, and he is in fine form in *Pet Pet Slap*, a deeply funny, inventive, bizarre heartbreaker of a book. Andrew Battershill not only writes with that magical alchemy of humour and pathos that most writers only wish they could pull off, but he somehow also balances surrealism and profound humanity in a way I'm sure I'll spend the rest of my life trying to figure out. I haven't had this much fun reading in a long, long time. Amy Jones, author of *Pebble Dove*.

Home Enlightenment Annie B. Bond, 2005-09-25. A guide to creating an environmentally balanced home, shares practical steps on how to promote family health while making

informed consumer choices covering such topics as non toxic pest controls purchasing a water filtration system and adjusting home energy using crystals and aromatherapy **Long-term Caring** Karen Scott,Margaret Webb,Sheila

Sorrentino,2011-01-01 Long term Caring has been updated throughout and addresses the requirements of the National Aged Care Training Package for students undertaking the Certificate III in Aged Care Written by leading educators and practitioners from Australia and New Zealand the text provides information on all aspects of personal caring to prepare students for work in a range of aged care settings The focus is on the delivery of long term care that complements an individual s needs and enhances quality of life Back cover *Family Constellation and Past Lives* Jasmin

Schober-Howorka,2012-10-01 Is it really true that what we ve done or experienced in our previous lives has an effect on our current situation If so how does it affect our partnerships our relationship to sexuality and career or our ability to overcome illness Based on numerous case studies the author examines the correlations and shows resolution possibilities on a very personal level Jasmin Schober Howorka born in 1962 is a trained life and social counselor for systematic family counseling and an instructor trainer for Integrative Family Constellation in individual group and remote constallations She has established a holistic approach to constellation work with her innovative methods The integration consists of ancestor work and processing childhood experiences negative belief patterns as well as the resolution of entanglements from previous lives such as promises contracts oft he soul oath and vows You can also free yourself from old burdens and enjoy the liberty of a fulfilling life **Plural World Interpretations** Anett C. Oelschlaegel,2016 South Siberian Tyvan models of world

interpretation exemplify the flexibility and plurality of human interpretation and social behaviour Anett C Oelschlaegel demonstrates that local actors utilise models that are both complementary and contradictory below the declamatory level however most Tyvans were undogmatic pragmaticians who constantly contradicted themselves or displayed a consistent inconsistency in their subjectively intended meaning Professor emeritus Bernhard Streck University of Leipzig **The Call ,**

Sea Kayaking Philip Woodhouse,2013-12-16 In Sea Kayaking comprehensive guide for those who travel the open waters in the Southern Hemisphere Philip Woodhouse Australian paddler and Royal Australian Air Force veteran shares his years of experience technical training and military teaching skills What began as a personal reference was soon developed as a training manual recommended by the Victorian Sea Kayak Club to its membersand East Coast Kayaking to their patrons and Australian Canoeing students Sea Kayaking covers boat design kit requirements paddling skills health and well being meteorology the ocean environment navigation communications conservation andminimal impact camping conservation seamanship electrical bilge pumps solar panels light sources boat repairs leadership risk management basic safety and survival strategies as well as a brief overview about the history and various types of canoeing There is also a comprehensive glossary to assist the reader in understanding the terms and concepts discussed in the main text Woodhouses work differs from most manuals about sea kayaking in that it is written from the perspective of someone who paddles the Southern

Hemisphere As such the major differences between the two hemispheres weather patterns navigation laws and terminology are discussed as well as compared to their Northern Hemisphere counterparts In the end paddling skills are paddling skills hypothermia is hypothermia and twenty five knot winds are twenty five knot winds A three metre tidal range can still produce a long haul across mud flats when the tide is out and landing through two metre surf is still scary though a lot of fun no matter where you paddle

Statistics in Plain English Timothy C. Urdan, 2022-03-28 Statistics in Plain English is a straightforward conversational introduction to statistics that delivers exactly what its title promises Each chapter begins with a brief overview of a statistic or set of statistics that describes what the statistic does and when to use it followed by a detailed step by step explanation of how the statistic works and exactly what information it provides Chapters also include an example of the statistic or statistics used in real world research Worked Examples Writing It Up sections that demonstrate how to write about each statistic Wrapping Up and Looking Forward sections and practice work problems Thoroughly updated throughout this edition features several key additions and changes First a new chapter on person centered analyses including cluster analysis and latent class analysis LCA has been added providing an important alternative to the more commonly used variable centered analyses e g t tests ANOVA regression Next the chapter on non parametric statistics has been enhanced with in depth descriptions of Mann Whitney U Kruskal Wallis and Wilcoxon Signed Rank analyses in addition to the detailed discussion of the Chi square statistic found in the previous edition These nonparametric statistics are widely used when dealing with nonnormally distributed data This edition also includes more information about the assumptions of various statistics including a detailed explanation of the assumptions and consequences of violating the assumptions of regression as well as more coverage of the normal distribution in statistics Finally the book features a multitude of real world examples throughout to aid student understanding and provides them with a solid understanding of how several statistics techniques commonly used by researchers in the social sciences work Statistics in Plain English is suitable for a wide range of readers including students taking their first statistics course professionals who want to refresh their statistical memory and undergraduate or graduate students who need a concise companion to a more complicated text used in their class The text works as a standalone or as a supplement and covers a range of statistical concepts from descriptive statistics to factor analysis and person centered analyses
