Salt Sugar Fat Michael Moss, 2013-02-26 From a Pulitzer Prize winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry and how it used salt sugar and fat to addict us Salt Sugar Fat is a journey into the highly secretive world of the processed food giants and the story of how they have deployed these three essential ingredients over the past five decades to dominate the North American diet This is an eye opening book that demonstrates how the makers of these foods have chosen time and again to double down on their efforts to increase consumption and profits gambling that consumers and regulators would never figure them out With meticulous original reporting access to confidential files and memos and numerous sources from deep inside the industry it shows how these companies have pushed ahead despite their own misgivings never aired publicly Salt Sugar Fat is the story of how we got here and it will hold the food giants accountable for the social costs that keep climbing even as some of the industry's own say Enough already

Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NEW YORK TIMES BESTSELLER A modern classic of true crime set in a most beguiling Southern city now in a 30th anniversary edition with a new afterword by the author The basis for the upcoming Broadway musical coming in 2025 Elegant and wicked might be the first true crime book that makes the reader

want to book a bed and breakfast for an extended weekend at the scene of the crime The New York Times Book Review Shots rang out in Savannah s grandest mansion in the misty early morning hours of May 2 1981 Was it murder or self defense For nearly a decade the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss hung oaks and shaded squares In this sharply observed suspenseful and witty narrative John Berendt skillfully interweaves a hugely entertaining first person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case It is a spellbinding story peopled by a gallery of remarkable characters the well bred society ladies of the Married Woman s Card Club the turbulent young gigolo the hapless recluse who owns a bottle of poison so powerful it could kill every man woman and child in Savannah the aging and profane Southern belle who is the soul of pampered self absorption the uproariously funny drag queen the acerbic and arrogant antiques dealer the sweet talking piano playing con artist young people dancing the minuet at the black debutante ball and Minerva the voodoo priestess who works her magic in the graveyard at midnight These and other Savannahians act as a Greek chorus with Berendt revealing the alliances hostilities and intrigues that thrive in a town where everyone knows everyone else Brilliantly conceived and masterfully written *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience [Tales from a Not-so-friendly Frenemy](#) Rachel Renée Russell, Nikki Russell, Erin Russell, It s a frenemy showdown and Nikki Maxwell has the worst luck Of all the schools she could have been assigned to for the student exchange week program she s stuck at North Hampton Hills her arch nemesis MacKenzie Hollister s new school Even worse there might just be someone at NHH who can out MacKenzie MacKenzie At least Nikki can write about every moment of drama in her diary so readers won t miss a moment of it Can the queen of dorks survive a week at the head CCP s new school or will it be a dorky disaster Amazon

Imperial Hubris Michael Scheuer, 2004-06-30 Though U S leaders try to convince the world of their success in fighting al Qaeda one anonymous member of the U S intelligence community would like to inform the public that we are in fact losing the war on terror Further until U S leaders recognize the errant path they have irresponsibly chosen he says our enemies will only grow stronger According to the author the greatest danger for Americans confronting the Islamist threat is to believe at the urging of U S leaders that Muslims attack us for what we are and what we think rather than for what we do Blustering political rhetor **Baking Powder Wars** Linda Civitello, 2017-05-22 First patented in 1856 baking powder sparked a classic American struggle for business supremacy For nearly a century brands battled to win loyal consumers for the new leavening miracle transforming American commerce and advertising even as they touched off a chemical revolution in the world s kitchens Linda Civitello chronicles the titanic struggle that reshaped America s diet and rewrote its recipes Presidents and robber barons bare knuckle litigation and bold faced bribery competing formulas and ruthless pricing Civitello shows how hundreds of companies sought market control focusing on the big four of Rumford Calumet Clabber Girl and the once popular brand Royal She also tells the war s untold stories from Royal s claims that its competitors sold poison to the Ku Klux

Klan's campaign against Clabber Girl and its German Catholic owners Exhaustively researched and rich with detail Baking Powder Wars is the forgotten story of how a dawning industry raised Cain and cakes cookies muffins pancakes donuts and biscuits

Hooked Michael Moss, 2021-03-02 NEW YORK TIMES BESTSELLER From the author of *Salt Sugar Fat* comes a gripping The Wall Street Journal exposé of how the processed food industry exploits our evolutionary instincts the emotions we associate with food and legal loopholes in their pursuit of profit over public health The processed food industry has managed to avoid being lumped in with Big Tobacco which is why Michael Moss's new book is so important Charles Duhigg author of *The Power of Habit* Everyone knows how hard it can be to maintain a healthy diet But what if some of the decisions we make about what to eat are beyond our control Is it possible that food is addictive like drugs or alcohol And to what extent does the food industry know or care about these vulnerabilities In *Hooked* Pulitzer Prize winning investigative reporter Michael Moss sets out to

answer these questions and to find the true peril in our food Moss uses the latest research on addiction to uncover what the scientific and medical communities as well as food manufacturers already know that food in some cases is even more addictive than alcohol cigarettes and drugs Our bodies are hardwired for sweets so food giants have developed fifty six types of sugar to add to their products creating in us the expectation that everything should be cloying we've evolved to prefer fast convenient meals hence our modern day preference for ready to eat foods Moss goes on to show how the processed food industry including major companies like Nestl Mars and Kellogg's has tried not only to evade this troubling discovery about the addictiveness of food but to actually exploit it For instance in response to recent dieting trends food manufacturers have simply turned junk food into junk diets filling grocery stores with diet foods that are hardly distinguishable from the products that got us into trouble in the first place As obesity rates continue to climb manufacturers are now claiming to add ingredients that can effortlessly cure our compulsive eating habits A gripping account of the legal battles insidious marketing campaigns and cutting edge food science that have brought us to our current public health crisis *Hooked* lays out all that the food industry is doing to exploit and deepen our addictions and shows us why what we eat has never mattered more
