The Publishers Weekly, 2006 **Victorian Fashion Accessories** Ariel Beaujot, 2013-08-15 In Victorian England women's accessories were always much more than incidental finishing touches to their elaborate dress. Accessories helped women to fashion their identities. Victorian Fashion Accessories explores how women's use of gloves, parasols, fans, and vanity sets revealed their class, gender, and colonial aspirations. The colour and fit of a pair of gloves could help a middle class woman indicate her class aspirations. The sun filtering through a rose colored parasol would provide a woman of a certain age with the glow of youth. The use of a fan was a socially acceptable means of attracting interest and flirting. Even the choice of vanity set on a woman's bedroom dresser reflected her complicity with colonial expansion. By paying attention to the particular details of women's accessories, we discover the beliefs embedded in these artefacts and enhance our understanding of the culture at large. Beaujot's engaging prose illuminates the complex identities of the women who used accessories in the Victorian culture that created and consumed them. Victorian Fashion Accessories is essential reading for students and scholars of history, gender studies, cultural studies, material culture, and fashion studies, as well as anyone interested in the history of dress.

Pin-up Art of Jay Scott Pike Jay Scott Pike, 2006-09-01 The sudden breeze. The accidental rip. The unintentional underwear peek-a-boo. These are time tested themes in pin-ups, but few artists made such a delightful subject out of them than Jay Scott Pike. A formidable painter and illustrator from the old school, Jay's body of work is as curvaceous and appealing as his subjects. Good girl calendar art. Playboy Club commissioned portraits advertising for Fortune 500 companies, and some fondly remembered fan favourites for both Marvel and DC. Mister Pike is surely a multi-talent of the highest order, but it's pin-up girls he's best known for, and this full colour retrospective of his schooled young ladies will have you begging for more.
