Sam Myers Sam Myers, Jeff Horton, 2009-09-18 Sam Myers The Blues Is My Story recounts the life of bluesman Sam Myers 1936 2006 as told in his own words to author Jeff Horton Myers grew up

visually handicapped in the Jim Crow South and left home to attend the state school for the blind at Piney Woods. Myers's intense desire to become a musician and a scholarship from the American Conservatory School of Music called him to Chicago. There in 1952 he joined Elmore James's band as a drummer and was featured on some of James's best known recordings. Following the elder bluesman's death in 1963, Myers fronted bands of his own and recorded many well received singles and albums. In 1986, Myers became the W.C. Handy Award winning front man, vocalist and harmonica player for Anson Funderburk and the Rockets. Throughout the book, Myers provides a historical context to a bygone era of the blues and reveals his own thoughts and feelings about the musicians with whom he played. And they are a list of who's who in the blues: Muddy Waters, Howlin' Wolf, Little Walter, Hound Dog Taylor and Robert Lockwood Junior, in addition to Elmore James. In one chapter, Myers describes a personalized deeper meaning to the blues. And in another, he relates a series of anecdotes about the lighter side of life on the road. Contributions from Myers's father and stories from a boyhood friend round out the narrative. Dallas musician Brian Hash Brown Calway dissects the more technical aspects of Myers's harmonica style. Long time friend and bandmate Anson Funderburk weighs in with a chapter about their songwriting methods and offers some of his own recollections on their twenty years together.

A Political Education Elizabeth Todd-Breland, 2018-10-03. In 2012, Chicago's school year began with the city's first teachers strike in a quarter century and ended with the largest mass closure of public schools in U.S. history. On one side, a union leader and veteran black woman educator drew upon organizing strategies from black and Latinx communities to demand increased school resources. On the other side, the mayor backed by the Obama administration argued that only corporate style education reform could set the struggling school system aright. The stark differences in positions resonated nationally, challenging the long standing alliance between teachers unions and the Democratic Party. Elizabeth Todd Breland recovers the hidden history underlying this battle. She tells the story of black education reformers' community based strategies to improve education beginning during the 1960s as support for desegregation transformed into community

control experimental schooling models that pre dated charter schools and black teachers challenges to a newly assertive teachers union This book reveals how these strategies collided with the burgeoning neoliberal educational apparatus during the late twentieth century laying bare ruptures and enduring tensions between the politics of black achievement urban inequality and U S democracy **Using Past as Prologue** Dionne Danss,Michelle A. Purdy,Christopher M.
