*Pink Tanks and Velvet Hangovers* Douglas Lytle,1994-12-31 Lytle s travel book takes place in the months following the fall of the repressive Socialist government in Czechoslovakia Lytle documents the first shaky steps to democracy and capitalism He writes of the awkwardness and slights of a country in transition the sights smells and incredible beauty he witnesses and of a people and a government on the cusp of massive change **Prague and the Czech Republic** David Farley,Jessie Sholl,2006 Featuring essays by Myla Goldberg Helen Epstein Jan Morris and Francine Prose Travelers Tales Prague collects over 20 stories from the city that inspired compositions from Mozart and novels from Kafka The pieces in this book are both a charming enticement for prospective travelers and a welcome companion for those already there **The Czech And Slovak Republics** Carol Leff,2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia s development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book s strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe **Over the Wall/after the Fall** Sibelan Elizabeth S. Forrester,Magdalena J. Zaborowska,Elena Gapova,2004 Annotation A rich and appealing tour of post communist cultures in Eastern Europe as seen from East and West *Czech Republic* Vladka Edmondson,David Short,1999 Most entries of this revised edition are new as so much has been recently published on Czech affairs All aspects of the country are covered in selective critical annotations of pre eminently English language publications making this an invaluable reference work for scholars students and the general reader alike [American Book Publishing Record](#) ,1996 [Subject Guide to Books in Print](#) ,1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09
