Random Penn Jillette,2022-10-11 From Penn

Jillette of the legendary magic duo Penn Teller a rollicking crime caper that will bend your mind like a spoon Penn Jillette is an atheist triple goddamned lunatic and his book is a glorious Las Vegas lunatic paean to chance and adventure a page turning scabrous hilarious ride into randomness Neil Gaiman Jillette s latest novel Random is about a young man who inherits his father s crushing debt to a loan shark and turns to dice and other dangerous measures to dig himself out That the dice bring him luck sends him a new philosophy of leaving decisions both big and small up to chance New York Times Two weeks before his twenty first birthday Las Vegas native Bobby Ingersoll finds out he s inherited a crushing gambling debt from his scumbag father The debt is owed to an even scummier bag named Fraser Ruphart who oversees his bottom rung criminal empire from the classy adjacent Trump International Hotel Bobby s prospects of paying off the note which comes due the day he turns twenty one are about as dim as the sign on the hotel s facade The two weeks pass in the blink of a snake eye but before Bobby s luck runs out he stumbles upon enough cash to pay off Ruphart and change his family s fortune More importantly he finds himself with a new for lack of a better word faith Bobby does not consign his big break to a higher power what Penn Jillette hero ever could Instead he devises and devotes himself to Random a philosophy where his life choices are based entirely on the roll of his lucky dice What follows is a rollicking exploration into not so much what defines

us as what divines us when we give over every decision from what to eat to whom to marry to how or when to die to the random fall of two numbered cubes Random combines the intellectual curiosity of Richard Dawkins with the humor and grit of an Elmore Leonard antihero Jillette s up on his luck Ingersoll is the character we need to help us navigate the chaos of the post truth era Well unless his roll runs cold [The Insignificant Warrior](#) Prabhakar Singh,2021-10-11 The world of sports is an unforgiving place that spares neither merit nor intention and yet there are multitudes of people willing to risk it all just for a taste of it We ve all heard about the quests for fame and wealth we know the fairy tale endings and we know about the pitfalls of stardom too But what if we came across someone with a vision so strong that he would build everything up from scratch and gift wrap his accomplishments just to present them to his country This is a quest to achieve something worthwhile for the generations to come [Imagine](#) Emma Cropper,2014-10-06 Many fairy tales begin with once upon a time Most fairy tales start with a princess that has had something tragic happen in her young life Their father passed away and there stuck with their evil step mother They ve been cursed and not able to leave the tower The only way to solve all their life problems is to kiss a prince and live happily ever after Which in my opinion is sexist Sometimes the girl can be a hero But this fairy tale doesn t start with a princess or once upon the time It starts with the moon **Telling God's Story, Year One:**
