Pinky The Brain World Domination Tour:

The Teen's Guide to World Domination Josh Shipp, 2010-08-17 Josh Shipp has been serving up a healthy dose of advice with an attitude to millions of teens for over a decade in front of packed auditoriums across the country. For the first time ever, Josh is pulling together all of his unique advice for world domination into a must-have survival guide. Hilarious, inspirational, and authentic, Josh offers golden nuggets of wisdom for everything that has you freaking out pretty much all the time. You can't fathom addressing with Mom and Dad. So summon your inner hero and learn to dominate the seven villains that are keeping you from awesomeness: GHOSTS: All your painful memories and bad mistakes which are holding you back and causing self-doubt. Confront them once and for all. NINJAS: Backstabbing friends who earn your trust to fulfill their own agendas. Call them out and they won't stand a chance. PIRATES: Bullies and bad boyfriends who take advantage of you. Write them off and tune them out. ROBOTS: Well-intentioned but misguided grown-ups who want to program you to be like them. Understand how parents, teachers, and counselors operate to improve your communication. VAMPIRES: Negative influences and addictions which draw you in and steal your identity. Regain your self-esteem before you get bit. ZOMBIES: Chronic complainers who drag you down with their pessimism. The best zombie repellent is gratitude. Learn that it's not what happens to you; it's how you respond. PUPPIES: They seem all fun and innocent on the surface but often blindside you with hidden consequences. Learn how to think smart about money, your hot girlfriend, and other temptations. *Toons That Teach* Steven Case, 2009-08-30 That's NOT All Folks! Cartoons feature fun characters, catchy music, and hilarious stories, but if that's all you think they're good for, you're missing out. Behind the wacky dramas and laugh-out-loud gags, cartoons can teach viewers a little something about life, about themselves, even about God. Author Steven Case explores the world of cartoons for subtle spiritual principles. He gives these modern fables the respect they're due by calling attention to important topics such as Friendship, Integrity, Motivation, Prayer. Open the door to serious discussion by breaking the ice with laughter. As Paul writes, there is a basic holiness that permeates all things. *Toons That Teach* shows us how to look for the presence of the Holy Spirit in the most unlikely of places. By providing tools and lessons on how to connect the sacred and the animated, students will learn to recognize biblical principles anywhere and everywhere. **Pinky The Purrrinator** Wendy Fleming Dexter, 2020-07-20 Pinky the Purrrinator shares her rescue story from the perspective of a displaced cat on the inside. She soon realizes that the life of a rescue animal is scary and sometimes hopeless. Yes, they have food and shelter, which is better than living on the street, but Pinky firmly believes that she and her fellow canine and feline friends deserve better. After hearing the game show *The Price is Right* on the TV in the rescue where Pinky is being held, she begins to formulate a cunning plan. She vows that if she ever finds a forever home, she will do her very best to become a voice for rescue cats and dogs everywhere. In time, she finds a loving forever home and is determined to set her plan in motion. Pinky has but one item on her bucket list, and she is desperate to make it happen. She enlists the help of several neighborhood Amish cats and the

various inside and outside cats and dogs in the household The Purrminator proves to be a powerful leader but getting her rag tag group of friends to understand and execute her ideas is at times an overwhelming task Pinky and her companions find themselves on a wild roller coaster ride full of amazing and at times frightening twists and turns She repeatedly meets obstacles and often feels defeated but she never forgets the other rescue animals that she vowed to help The other animals under Pinky s guidance quickly learn to never underestimate the Purrminator She is stubborn and tenacious with fierce determination With perseverance and persistence mixed in with luck and a bit of serendipity she is so close to marking off that one item and fulfilling her lifelong dream But just as Pinky is about to savor experiencing her dream trip to meet her idol Drew Carey will fate intervene and derail it all *Focus On: 100 Most Popular Television Series by Warner Bros.
