Girl Waits With Gun Amy Stewart,2015-09-01 NATIONAL BESTSELLER The first in the Kopps Sisters Novel Series Girl Waits with Gun is an enthralling novel based on the forgotten true story of one of the nation s first female deputy sheriffs Constance Kopp doesn t quite fit the mold She towers over most men has no interest in marriage or domestic affairs and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago One day a belligerent

and powerful silk factory owner runs down their buggy and a dispute over damages turns into a war of bricks bullets and threats as he unleashes his gang on their family farm When the sheriff enlists her help in convicting the men Constance is forced to confront her past and defend her family and she does it in a way that few women of 1914 would have dared A New York Times Editors Choice A smart romping adventure featuring some of the most memorable and powerful female characters I ve seen in print for a long time I loved every page as I followed the Kopp sisters through a too good to be true but mostly true tale of violence courage stubbornness and resourcefulness Elizabeth Gilbert "They Have Killed Papa Dead!" Anthony S. Pitch,2018-09-11 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to all Anthony Pitch s thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home They Have Killed Papa Dead transports the reader to one of the most breathtaking moments in history and reveals much about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch s account is based on primary source material quotes from previously unpublished documents diaries letters and journals With an unwavering fidelity to historical accuracy Pitch provides confirmation of threats against the president elect s life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained from approaching Lincoln at his second inauguration Perhaps most chillingly details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important insights to our national story **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1904
