Pictorial History Of The Confederacy:

A Pictorial History of the Confederacy Lamont Buchanan, 1963 **A Pictorial History of the Confederacy** John Chandler Griffin, 2004-01-01 Rather than diminishing with time the fascination with the Confederacy and its heroes seems to grow increasingly stronger This volume features a wide selection of rarely seen photographs of Confederate heroes such as Robert E Lee Stonewall Jackson Jubal Early Nathan Bedford Forest A P Hill and Jeb Stuart along with details of their military careers and personal lives that are little known to the average reader Arranged chronologically and geographically this book features descriptions of more than forty battles of the War Between the States along with battle maps which illustrate where the Confederates and the Union antagonists were located during these various fights The first section discusses and provides images from 1860 to 1861 during the secession to Fort Sumter The author then discusses the major battles that occurred in 1861 in northern Virginia and in the South and West providing several photographs that take on much of the story telling The sections for the years 1862 to 1865 are arranged similarly and each section also includes background about the Southern battle flags from various groups such as The Texas Rangers 8th Texas Calvary and the Confederate Navy **Faces of the Civil War** Ronald S Coddington, 2012-11-12 Archival images and biographical sketches of Union soldiers tell the stories of their lives during and after the Civil War Before leaving to fight in the Civil War many Union and Confederate soldiers posed for a carte de visite or visiting card to give to their families friends or sweethearts Invented in 1854 by a French photographer the carte de visite was a small photographic print roughly the size of a modern trading card The format arrived in America on the eve of the Civil War fueling intense demand for the keepsakes Many cards of Civil War soldiers survive today but the experiences and often the names of the individuals portrayed have been lost to time A passionate collector of Civil War era photography Ron Coddington researched the history behind these anonymous faces in military records pension files and other public and personal documents In Faces of the Civil War Coddington presents 77 cartes de visite of Union soldiers from his collection and tells the stories of their lives during and after the war These soldiers came from all walks of life All were volunteers Their personal stories reveal a tremendous diversity in their experience of war many served with distinction some were captured some never saw combat while others saw little else The lives of survivors were even more disparate While some made successful transitions back to civilian life others suffered permanent physical and mental disabilities which too often wrecked their families and careers In compelling words and haunting pictures Faces of the Civil War offers a unique perspective on the most dramatic and wrenching period in American history **A History of the Confederacy, 1832-1865** Clifford Dowdey, 1992 *Robert E. Lee in War and Peace* Donald A. Hopkins, 2013-10-19 Robert E Lee is well known as a Confederate general and as an educator later in life but most people are exposed to the same handful of images of one of America s most famous sons It has been almost seven decades since anyone has attempted a serious study of Lee in photographs and with Don Hopkins s painstakingly researched and lavishly illustrated Robert E Lee in War

and Peace the wait is finally over Dr Hopkins a Mississippi surgeon and lifelong student of the Civil War and Southern history with a recent interest in Robert E Lee s from life photographs scoured manuscript repositories and private collections across the country to locate every known Lee image 61 in all in existence today The detailed text accompanying these images provides a sweeping history of Lee s life and a compelling discussion of antique photography with biographical sketches of all of Lee s known photographers The importance of information within the photographer s imprint or backmark is emphasized throughout the book Hopkins offers a substantial amount of previously unknown information about these images how each came to be and the mistakes in fact and attribution other authors and writers have made describing photographs of Lee to the reading public Many of the images in this book are being published for the first time In addition to a few rare photographs and formats that were uncovered during the research phase of Robert E Lee in War and Peace the author offers for the first time definitive and conclusive attribution of the identity of the photographer of the well known Lee in the field images and reproduces a startling imperial size photograph of Lee made by Alexander Gardner of Washington D C Students of American history in general and the Civil War in particular as well as collectors and dealers who deal with Civil War era photography will find Hopkins s outstanding Robert E Lee in War and Peace a true contribution to the growing literature on the Civil War About the Author Born in the rural South Donald A Hopkins has maintained a fascination with Southern history since he was a child In addition to published papers in the medical field he has written several Civil War articles and The Little Jeff The Jeff Davis Legion Cavalry Army of Northern Virginia for which he received the United Daughters of the Confederacy s Jefferson Davis Historical Gold Medal Dr Hopkins served as Battalion Surgeon for the 1st Battalion 9th Marines better known as The Walking Dead in Vietnam He was awarded the purple heart and the Bronze Star with combat V Dr Hopkins is a surgeon in Gulfport Mississippi where he lives with his wife Cindy and their golden retriever Dixie

A Pictorial History of the Confederacy, by Lamont Buchanan Lamont Buchanan,1951 The Rise and Fall of the Confederate Government Jefferson Davis,2020-07-25 Reproduction of the original The Rise and Fall of the Confederate Government by Jefferson Davis **The Confederate Reader** Richard B. Harwell,2012-06-22 Carefully chosen and annotated selection of contemporary battle reports general orders letters articles sermons songs travel observations much more Wonderful self portrait of the Confederacy Illustrated *Mothers of Invention* Drew Gilpin Faust,2000-11-09 When Confederate men marched off to battle southern women struggled with the new responsibilities of directing farms and plantations providing for families and supervising increasingly restive slaves Drew Faust offers a compelling picture of the more than half million women who belonged to the slaveholding families of the Confederacy during this period of acute crisis when every part of these women's lives became vexed and uncertain Government of Our Own William C. Davis,1994-09-01 For four crucial months in 1861 delegates from all over the South met in Montgomery Alabama to establish a new nation Davis Jefferson Davis The Man and the Hour LJ 11 15 91 tells their story in this new work another example of Davis's fine storytelling skill and an indispensable guide to understanding the formation of the Confederate government Among the issues Davis examines are revising the Constitution to meet Southern needs banning the importation of slaves and determining whether the convention could be considered a congress Also revealed are the many participating personalities their ambitions and egos politicking and lobbying for the presidency of the new nation and the nature of the city of Montgomery itself **Ends of War** Caroline E. Janney,2023-02 In this masterful work Caroline E Janney begins with a deceptively simple question how did the Army of Northern Virginia disband Janney slows down the pace of the events after Appomattox to reveal it less as a decisive end and more as the commencement of a chaotic interregnum marked by profound military and political uncertainty legal and logistical confusion and continued outbursts of violence Janney blends analysis of large scale political legal and military considerations with intimate narratives of individual soldiers considering their options and pursuing a wide range of decisions Fighting for the Confederacy Edward Porter Alexander,1998-03-01 Originally published by UNC Press in 1989 Fighting for the Confederacy is one of the richest personal accounts in all of the vast literature on the Civil War Alexander was involved in nearly all of the great battles of the East from First Manassas
