**JG Myers**

## Picture Of New Mexico:

Mexico in Pictures Janice Hamilton, 2003 A historical and current look at Mexico discussing the land the government the people and the economy Nickelodeon ,1910 *Early Motion Pictures* Library of Congress. Motion Picture, Broadcasting, and Recorded Sound Division, Kemp R. Niver, 1985 AFI Catalog of Motion Pictures Produced in the United States American Film Institute, 1971 **The Geronimo Campaign** Odie B. Faulk, 1993-05-27 The surrender of the great Apache leader Geronimo to U S Army Lieutenant Charles B Gatewood in August of 1886 brought to an end a struggle that had begun in the early years of the century and had figured prominently in the western campaign of the Civil War The words addressed by Gatewood to Geronimo as they met along the banks of Mexico s Bavispe River echoed those spoken in many such a meeting between victorious American commander and vanquished Native American Accept these terms or fight it out to the bitter end said Gatewood The terms were forced relocation to Florida and the ceding of the ancestral homeland of the Apaches to white settlers the bitter end was quite simply annihilation In The Geronimo Campaign Odie B Faulk a leading historian of the American Southwest offers a lively and often chilling account of the war that raged over the deserts and mountains of Arizona New Mexico and northern Mexico in the mid 1880 s and traces its legacy well past the ultimatum delivered to Geronimo on August 25 1886 Faulk is especially concerned with the campaign s wider historical setting and significance and with the sad record of betrayal of the Native American by the U S Government In a very real sense it is the stuff of Greek tragedy Here among the mesas of the Southwest was inevitable conflict and inevitable defeat with both sides losing and yet surviving their loss The Apaches were forced to endure years of captivity and humiliation and like the Sioux Comanche and Nez Perc before them the obliteration of their traditional way of life The Army seemingly the winner was torn by conflicting claims of glory by its hubristic leaders And Americans lost much that Apache culture might have contributed to their country as well as more than a measure of American self respect Few emerge from Faulk s riveting account with their dignity and stature intact only the titanic figure of Geronimo and to a lesser extent the two men he knew and trusted among his opponents Gatewood and General George Crook retain a semblance of honor Faulk shows that neither side wanted war that both sides believed in the righteousness of their cause and that the real instigators of the conflict were rapacious American settlers the Tucson Ring of merchants who sold grain hay and other provisions to the troops as well as to those living on the Indian reservations Faulk s realistic and colorful narrative highlights many of the campaign s ironies as well as its dangers and vicissitudes In addition it vividly recreates life in an Army command post on the western frontier offers an exceptionally clear and sympathetic life history of Geronimo and sheds new light on the conflict through many hitherto unknown documents originally collected by Gatewood s son Also included is a brief history of the Apache people a full bibliography and notes and many vintage photographs which lend a rare immediacy to this tragic story The Geronimo Campaign ends with the great chief hundreds of miles away from his ancestral home Crook relieved of his command and

Gatewood largely forgotten in the honors and awards bestowed by the Army in recognition of Geronimo's capitulation. A true American saga, this is a book for anyone who wishes to understand the roots of and the reasons for the tragic Indian Wars of the nineteenth century, a tragedy whose repercussions are still felt today. *New Mexico Magazine*, 2012. *Catalog of Copyright Entries*, Library of Congress, Copyright Office, 1976.

**Billy the Kid** Daniel E. Harmon, 2009. Examines the life and exploits of Billy the Kid, an infamous bandit of the Old West. *The Earth ...*, 1926.

**The Book of Knowledge** Arthur Mee, 1912.

**Dear Old Kit** Harvey Lewis Carter, 1968. The figure of Kit Carson strides through the literature of the American West in heroic size. Trader, trapper, scout, brigadier general of New Mexico Volunteers, and many other things besides, he has appealed to the public imagination as no other frontiersman has. Many biographies and who versions of his autobiography have been published. Yet much of the legend still remains to be separated from the facts. declares the author of this new biography. I am an admirer of Carson, says Mr. Carter, and have no wish deliberately to debunk him, but I am interested in correcting the statements of uncritical hero worship many by many writers. Kit is allowed to speak for himself as far as possible through an exact transcription of his dictated reminiscences made from the manuscript in the Newberry Library, Chicago. Persons and places are clearly identified, and Kit's slips of memory are corrected in the definitive annotation of his account. One hundred years of speculation about the identity of the man who transcribed Carson's story is ended. Mr. Carter has established positive identification based on carefully assembled facts. A new assessment of Kit's character and reputation is included, as well as an annotated account of the last years of his life.
