George W. Bush James Mann,2015-02-03 The controversial president whose time in office was defined by the September 11 attacks and the war on terror George W Bush stirred powerful feelings on both sides of the aisle Republicans viewed him as a resolute leader who guided America through the September 11 attacks and retaliated in Afghanistan and

Iraq while Democrats saw him as an overmatched president who led America into two inconclusive wars that sapped the nation's resources and diminished its stature. When Bush left office amid a growing financial crisis, both parties were eager to move on. In this assessment of the nation's forty-third president, James Mann sheds light on why George W. Bush made the decisions that shaped his presidency, what went wrong, and how the internal debates and fissures within his administration played out in such a charged atmosphere. He shows how and why Bush became such a polarizing figure in both domestic and foreign affairs and examines the origins and enduring impact of Bush's most consequential actions, including Iraq, the tax cuts, and the war on terror. In this way, Mann points the way to a more complete understanding of George W. Bush and his times.

A Game of Thrones George R. R. Martin, 2003-01-01 NOW THE ACCLAIMED HBO SERIES GAME OF THRONES THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Here is the first book in the landmark series that has redefined imaginative fiction and become a modern masterpiece. A GAME OF THRONES In a land where summers can last decades and winters a lifetime, trouble is brewing. The cold is returning, and in the frozen wastes to the North of Winterfell, sinister and supernatural forces are massing beyond the kingdom's protective Wall. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the land they were born to. Sweeping from a land of brutal cold to a distant summertime kingdom of epicurean plenty, here is a tale of lords and ladies, soldiers and sorcerers, assassins and bastards, who come together in a time of grim omens. Amid plots and counterplots, tragedy and betrayal, victory and terror, the fate of the Starks, their allies, and their enemies hangs perilously in the balance as each endeavors to win that deadliest of conflicts: the game of thrones. All the Best, George Bush George H.W. Bush, 2013-03-05 Former President George H. W. Bush revealed through his letters and writings from 1941 to 2010, is worth its weight in gold: a valuable update of the life of an honorable American leader. The Washington Post: "Who knew that beneath George Bush's buttoned-up propriety pulsed the warm heart of a prolific and occasionally poetic writer with a wacky sense of humor? People. Though reticent in public, George Bush openly shared his private thoughts in correspondence throughout his life. This collection of letters, diary entries, and memos is the closest we'll ever get to his autobiography. Organized chronologically, readers will gain insights into Bush's career highlights: the oil business, his two terms in Congress, his ambassadorship to the UN, his service as an envoy to China, his tenure with the Central Intelligence Agency, and of course the vice presidency, the presidency, and the post-presidency. They will also observe a devoted husband, father, and American. Ranging from a love letter to Barbara and a letter to his mother about missing his daughter Robin after her death from leukemia to a letter to his children written just before the beginning of Desert Storm, this collection is remarkable for Bush's candor, humor, and poignancy. An unusual glimpse of the private thoughts of a public figure. Newsweek: "This revised edition includes new letters and photographs that highlight the Bush family's enduring legacy, including letters that cover George W. Bush's presidency, 9/11, Bush senior's work with President Clinton to help the victims of

natural disasters and the meaning of friendship and family All the Best George Bush will shed more light on the man's personal character and public persona than any memoir or biography could Publishers Weekly **Modern Humorist Presents My First Presidential** Modern Humorist (Firm),2001 From The Modern Humorist the funniest hippest website to come along since The Onion My First Presidential is a hilarious parody of the rise of George W Bush as seen through the eyes of Dubya himself Fans of O J's Legal Pad and Our Dumb Century will love this first in a series of books coming from The Modern Humorist Komp-Laint Dept ,2018-02-27 The latest volume of writing by influential New York based critic and curator Bob Nickas collects his 2012-14 column for Vice magazine's Komp Laint Dept This column unleashed the full omnivorous range of the author's interests There are essays on musicians such as Neil Young Sun Ra Royal Trux and Lydia Lunch which look at their biographies and the history of Nickas personal relationship with their music there are lengthy and often very funny complaints about among other things two different presidents Jeff Koons New York architecture the meeting of fashion and punk religion in general nostalgia and the problem with contemporary graffiti Additionally there are meditations on filmmakers such as David Cronenberg and Nicolas Refin The book is rounded out by perhaps the definitive two part examination of how and why Richard Prince uses appropriation Bob Nickas has worked as a critic and curator in New York since 1984 He is the author of Theft Is Vision 2007 and The Dept of Corrections 2016 The Things They Carried Tim O'Brien,2013 *George H.W.
