Michigan's Copper Country in Early Photos B. E. Tyler, 2023-11-01 In Michigan's Copper Country in Early Photos by B E Tyler readers are transported back in time to the boom days of the copper mining industry in the late 19th and early 20th centuries The book is a carefully curated collection of historic photographs that visually document the rise of this industry in Michigan's Upper Peninsula Tyler's writing style is concise and informative providing context for each photograph while allowing the images to speak for themselves The book offers a unique glimpse into a pivotal era in American industrial history shedding light on the lives of the men and women who worked in the mines and the communities that grew up around them Tyler's attention to detail and dedication to preserving this important history make Michigan's Copper Country in Early Photos a valuable addition to any historian's library Scholars of American industrial history photography enthusiasts and anyone interested in the rich tapestry of Michigan's past will find this book both enlightening and engaging *The Michigan*
