Reading Picture Books with Children Megan Dowd Lambert, 2015-11-03 A new interactive approach to storytime The Whole Book Approach was developed in conjunction with the Eric Carle Museum of Picture Book Art and expert author Megan Dowd Lambert's graduate work in children's literature at Simmons College offering a practical guide for reshaping storytime and getting kids to think with their eyes Traditional storytime often offers a passive experience for kids but the Whole Book approach asks the youngest of readers to ponder all aspects of a picture book and to use their critical thinking skills Using classic examples Megan asks kids to think about why the trim size of Ludwig Bemelman's *Madeline* is so

generous or why the typeset in David Wiesner's Caldecott winner *The Three Pigs* appears to twist around the page or why books like Chris Van Allsburg's *The Polar Express* and Eric Carle's *The Very Hungry Caterpillar* are printed landscape instead of portrait. The dynamic discussions that result from this shared reading style range from the profound to the hilarious and will inspire adults to make children's responses to text art and design an essential part of storytime. Read by Picture. Fairy Tales Helen Winter, We offer the easiest way to make reading books with children a pleasure even for those children who listen to reading reluctantly. With the usual type of reading a child is a passive listener while with reading by picture he or she becomes an active participant. Even if children can already read they are happy to read texts where some of the words are replaced by pictures and perceive it as a bonus or a prize. It is more important to receive such bonuses for children who are just starting to read or for whom reading still requires effort. A small child can only voice words represented by pictures. This reading not only makes kids a full participant in the process but also teaches them to reconcile the words of the picture with other words in the sentence. Older children may try to read words from a vocabulary list that appears before the text. A child who has begun to read will be able to enjoy reading the entire text. If you are reading to your little one please read slowly. Let your child think about the sentence, find the right word and enjoy the reading process. Some words in this book are changed to pictures. Each story has a pictured vocabulary list at the beginning. The book includes 3 famous fairy tales: *The Wolf and Three Little Pigs*, *Goldilocks and the Three Bears* and *the Gingerbread Man*. Great book for non-English speaking children to learn and remember new words in a fun game-based reading activity. I Broke My Butt! Dawn McMillan, 2019-10-16 The inventive young hero from the bestselling *I Need a New Butt* is back and this time he has accidentally glued a serving tray to his behind and it's great for sliding down hills, surfing big waves and other booty full fun. Now all his friends want one too. She Persisted Around the World Chelsea Clinton, 2018-03-06 The companion to Chelsea Clinton Alexandra Boiger's #1 New York Times bestseller *She Persisted*. Perfect for tiny activists, mini feminists and little kids who are ready to take on the world. Women around the world have long dreamed big even when they've been told their dreams didn't matter. They've spoken out, risen up and fought for what's right even when they've been told to be quiet. Whether in science, the arts, sports or activism, women and girls throughout history have been determined to break barriers and change the status quo. They haven't let anyone get in their way and have helped us better understand our world and what's possible. In this companion book to *She Persisted*, 13 American Women Who Changed the World, Chelsea Clinton introduces readers to a group of thirteen incredible women who have shaped history all across the globe. *She Persisted Around the World* is a book for everyone who has ever aimed high and been told to step down, for everyone who has ever raised their voice and been told to quiet down, and for everyone who has ever felt small, unimportant or unworthy. Alexandra Boiger's vibrant artwork accompanies this inspiring text that shows readers of all ages that no matter what obstacles come their way, they have the power to persist and succeed. This book features Marie Curie, Sor Juana Ines de la Cruz, Viola Desmond, Sissi

Lima do Amor Leymah Gbowee Caroline Herschel Wangari Maathai Aisha Rateb J K Rowling Kate Sheppard Yuan Yuan Tan Mary Verghese and Malala Yousafzai Praise for *She Persisted Around the World* Clinton again writes in a measured tone that is at once celebratory and defiant Boiger's watercolor and ink artwork exudes warmth and subtle power Publishers Weekly Praise for *She Persisted* A lovely moving work of children's literature and a polished introduction to a diverse and accomplished group of women Publishers Weekly starred review Exemplary This well curated list will show children that women's voices have made themselves emphatically heard Booklist *She Persisted* will remind little girls that they can achieve their goals if they don't let obstacles get in the way Family Circle We can't wait to grab a copy for some of the awesome kids in our lives and maybe some of the grown ups too Bustle A message we all need to hear Scary Mommy This will be a great read for kids especially young girls Romper We cannot wait for the launch of Smart Girl Chelsea Clinton's new book to help remind kids everywhere that the fearlessness that characterizes the thirteen women in the book is what has emboldened us to constantly strive for progress and justice Amy Poehler's *Smart Girls*
