## **Pictures From Mayhew London 185:**

Beastly London Hannah Velten,2013-08-15 Horse drawn cabs rattling down muddy roads cattle herded through the streets to the Smithfield meat market for slaughter roosters crowing at the break of dawn London was once filled with a cacophony of animal noises and smells But over the last thirty years the city seems to have banished animals from its streets In Beastly London Hannah Velten uses a wide range of primary sources to explore the complex and changing relationship between Londoners of all classes and their animal neighbors Velten travels back in history to describe a time when Londoners shared their homes with pets and livestock along with a variety of other pests vermin and bedbugs Londoners imported beasts from all corners of the globe for display in their homes zoos and parks and ponies flying in hot air balloons and dancing fleas were considered entertainment As she shows London transformed from a city with a mainly exploitative relationship with animals to the birthplace of animal welfare societies and animal rights campaigns Packed with over one hundred illustrations Beastly London is a revealing look at how animals have been central to the city s success **The**

**Street Children of Dickens's London** Helen Amy,2012-01-15 The real story of *Oliver Twist* and Fagin s children

**Victorians Against the Gallows** James Gregory,2011-11-30 By the time that Queen Victoria ascended the throne in 1837 the list of crimes liable to attract the death penalty had effectively been reduced to murder Yet despite this the gallows remained a source of controversy in Victorian Britain and there was a growing unease in liberal quarters surrounding the question of capital punishment Unease was expressed in various forms including efforts at outright abolition Focusing in part on the activities of the Society for the Abolition of Capital Punishment James Gregory here examines abolitionist strategies leaders and personnel He locates the gallows question in an imperial context and explores the ways in which debates about the gallows and abolition featured in literature from poetry to novels of purpose and popular romances of the underworld He places the abolitionist movement within the wider Victorian worlds of philanthropy religious orthodoxy and social morality in a study which will be essential reading for students and researchers of Victorian history **Picture Ecology** Alan C.

Braddock,Maura Coughlin,T. J. Demos,Rachael Z. DeLue,Mónica Domínguez Torres,Finis Dunaway,Stephen F.

Eisenman,Emily Gephart,De-nin D. Lee, Gregory Levine, Anne McClintock,James Nisbet,Andrew Patrizio,Sugata Ray,Greg M. Thomas,2021-10-26 Seeking a broad reexamination of visual culture through the lenses of ecocriticism environmental justice and animal studies this compendium offers a diverse range of art historical criticism formulated within an ecological context Picture Ecology brings together scholars whose contributions extend chronologically and geographically from 11th century Chinese painting to contemporary photography of California wildfires The book s 17 interdisciplinary essays provide a dynamic cross cultural approach to an increasingly vital area of study emphasizing the environmental dimensions inherent in the content and materials of aesthetic objects Picture Ecology provides valuable new approaches for considering works of art in ways that are timely intellectually stimulating and universally significant Mudlark'd Malcolm Russell,2022-05-10 A

captivating history of London as told through objects recovered from the muddy banks of the Thames and the lives of the people who owned them *Mudlark* d combines insights from two hundred rare objects discovered on the foreshore of the River Thames with a wealth of breathtaking illustrations to uncover the hidden histories of ordinary people from prehistory to today Malcolm Russell tells the stories behind each find revealing the habits customs and artistry of the people who created and used it In the eighteenth and nineteenth centuries London was the busiest port in the world exchanging goods and ideas with people from every continent The shores of the Thames have long been densely packed with taverns brothels and markets and the river s muddy banks are a repository of intriguing and precious objects that evoke long forgotten ways of life With Russell as your guide a bottleneck of a jug is shown to be a talisman to counter the ill effects of witchcraft Glass beads expose the brutal realities of the transatlantic slave trade Clay tobacco pipes uncover the lives of Victorian magicians A scrap of Tudor cloth illuminates the experiences of Dutch and French religious refugees These are just some of the stories told in *Mudlark* d which also contains a primer giving advice on how to mudlark on tidal rivers around the world and outlining the tools and equipment you will need *Picture World* Rachel Teukolsky,2020-08-16

The modern media world came into being in the nineteenth century when machines were harnessed to produce texts and images in unprecedented numbers In the visual realm new industrial techniques generated a deluge of affordable pictorial items mass printed photographs posters cartoons and illustrations These alluring objects of the Victorian parlor were miniaturized spectacles that served as portals onto phantasmagoric versions of the world Although new kinds of pictures transformed everyday life these ephemeral items have received remarkably little scholarly attention *Picture World* shines a welcome new light onto these critically neglected yet fascinating visual objects They serve as entryways into the nineteenth century s key aesthetic concepts Each chapter pairs a new type of picture with a foundational keyword in Victorian aesthetics a familiar term reconceived through the lens of new media Character appears differently when considered with caricature in the new comics and cartoons appearing in the mass press in the 1830s likewise the book approaches realism through pictorial journalism illustration via illustrated Bibles sensation through carte de visite portrait photographs the picturesque by way of stereoscopic views and decadence through advertising posters *Picture World* studies the aesthetic effects of the nineteenth century s media revolution it uses the relics of a previous era s cultural life to interrogate the Victorian world s most deeply held values arriving at insights still relevant in our own media age *Picturing Empire* James R. Ryan,2013-06-01 Coinciding with the extraordinary expansion of Britain s overseas empire under Queen Victoria the invention of photography allowed millions to see what they thought were realistic and unbiased pictures of distant peoples and places This supposed accuracy also helped to legitimate Victorian geography s illuminations of the darkest recesses of the globe with the light of scientific mapping techniques But as James R Ryan argues in *Picturing Empire* Victorian photographs reveal as much about the imaginative landscapes of imperial culture as they do about the real subjects captured within their frames Ryan considers the role of photography in the exploration and

domestication of foreign landscapes in imperial warfare in the survey and classification of racial types in hunting with the camera and in teaching imperial geography to British schoolchildren Ryan's careful exposure of the reciprocal relation between photographic image and imperial imagination will interest all those concerned with the cultural history of the British Empire

Bodies Gillian Bennett, 2009-09-18 Because they are so often told as news contemporary legends force us to reevaluate life as we know it They confront us with macabre fantastic horrific or hilarious characters and events that seem to come straight out of myths and folktales but are presented as present day events The difficulty is that it is not at all easy to decide whether these often disturbing stories should be treated as reliable or dismissed as fantasy The legends explored in this book are some of the most bizarre gruesome and politically sensitive stories in the contemporary legend canon At any moment a body may be invaded by noxious creatures deliberately infected with deadly disease or raided to provide donor organs for sick foreigners These are winter's tales the stuff of nightmares In this book Gillian Bennett traces the cultural history of six legends well known in Europe and America from medieval times to the present day Appearing in broadsides ballads myths ancient and modern legends novels plays films television shows and stories told in the oral tradition these legends are not just silly tales which can be dismissed as trivial and untrue They reveal much about the concerns and fears of everyday life and demonstrate the limits of knowledge and power in the modern world

**The Rag Race** Adam D. Mendelsohn, 2016-10 Argues that the Jews who flocked to the United States during the age of mass migration were aided appreciably by their association with a particular corner of the American economy the rag trade Comparing the history of Jewish participation within the clothing trade in the United States with that of Jews in the same business in England Mendelsohn demonstrates that differences within the garment industry on either side of the Atlantic contributed to a very real divergence in social and economic outcomes for Jews in each setting From publisher description

Maggs Brothers Catalogues Maggs Bros, 1915

**The Jew Who Would Be King** Adam Laurence Rovner, 2025-04-15 Brings the nineteenth century to life with its attendant disease violence and colonial machinations Jewish Book Council In Rovner's deeply researched biography the adventurer's swashbuckling memoirs are a crowbar of sorts used to pry open a window onto an era of possibility prejudice and burgeoning colonial avarice NPR This vivid reconstruction of one man's life reveals the harsh realities and moral ambiguities of colonial power The Jew Who Would Be King tells the story of Nathaniel Isaacs a nineteenth century British Jew who helped establish the Zulu kingdom only to become a ruthless warlord and slaveholder Isaacs' thrilling journey begins with his shipwreck on the shores of Zululand and proceeds to ports across West Africa including Freetown Sierra Leone There tasked by the colonial governor to end the local slave trade Isaacs brokered deals that reinforced his own power Adam Rovner's meticulous archival research in England Sierra Leone South Africa and St Helena coupled with his own travels to the remnants of Isaacs' island stronghold in Guinea brings this complex figure to life Through Isaacs' story Rovner exposes the entangled forces of Jewish emancipation and antisemitism slavery and abolition the stark dichotomies of

civilization and savagery and the creation of whiteness versus Blackness      *The Life and Times of Sidney and Beatrice Webb*  
R. Harrison, 2016-01-08 Sidney and Beatrice Webb are the most important British contributors to the socialist tradition They had a hand in founding many of the institutions that form the fabric of British society notably the Fabian society the Labour Party the London School of Economics the New Statesman the Political Quarterly and Tribune This is the first authorized biography of the Webbs commissioned by the Passfield Trustees this life of the oddest couple since Adam and Eve differs from previous studies in considering their literary and institution building accomplishments and not just their personal idiosyncrasies      **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1901

Dickens and Popular Entertainment Paul Schlicke, Senior Lecturer in English Paul Schlicke, 2003-09 Dickens and Popular Entertainment is the first extended study of this vital aspect of Dickens's life and work Ranging widely through showmen's memoirs playbills advertisements journals drawings and imaginative literature Paul Schlicke explores the ways in which Dickens channelled his love of entertainment into incomparable artistry Circus fair theatre and street performances provided the novelist with subject matter and with the sources of imaginative stimulus essential to his art Splendidly illustrated with nineteenth century engravings many reprinted here for the first time this study offers a challenging reassessment of Nicholas Nickleby The Old Curiosity Shop and Hard Times It shows the important place entertainment held in Dickens's journalism and presents an illuminating perspective on the public readings which dominated the last twelve years of his life      *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1894      **Street Literature of the Long Nineteenth Century** David Atkinson, Steve Roud, 2017-08-21 For centuries street literature was the main cheap reading material of the working classes broadsides chapbooks songsters prints engravings and other forms of print produced specifically to suit their taste and cheap enough for even the poor to buy Starting in the sixteenth century but at its chaotic and flamboyant peak in the nineteenth street literature was on sale everywhere in urban streets and alleyways at country fairs and markets at major sporting events and holiday gatherings and under the gallows at public executions For this very reason it was often despised and denigrated by the educated classes but remained enduringly popular with the ordinary people Anything and everything was grist to the printers mill if it would sell A penny could buy you a celebrity scandal a report of a gruesome murder the last dying speech of a condemned criminal wonder tales riddles and conundrums a moral tale of religious danger and redemption a comic tale of drunken husbands and shrewish wives a temperance tract or an ode to beer a satire on dandies an alphabet or reed a ma daisy reading made easy to teach your children an illustrated chapbook of nursery rhymes or the adventures of Robin Hood and Jack the Giant Killer Street literature long held its own by catering directly for the ordinary people at a price they could afford but by the end of the Victorian era it was in terminal decline and was rapidly being replaced by a host of new printed materials in the shape of cheap newspapers and magazines penny dreadful novels music hall songbooks and so on all aimed squarely at the burgeoning mass market Fascinating today for the

unique light it shines on the lives of the ordinary people of the age street literature has long been neglected as a historical resource and this collection of essays is the first general book on the trade for over forty years     *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1895     Victoria's Heyday John Boynton Priestley,1972 The 1850s were not only the central and most characteristic decade in the Victorian era but also the time when Victoria and Albert were happiest and most popular with their people In this beautifully illustrated companion volume to *The Prince of Pleasure* and *The Edwardians* Mr Priestley surveys the social political industrial religious literary and artistic life of this decade

**Booksellers catalogues** Walter T. Spencer,1901     **Exiled** Edwin Barnard,2010 The Port Arthur convict photographs are a truly remarkable survival from Australias colonial past Taken shortly before the infamous Tasmanian penal settlement closed for good these images record the faces of men sent to Australia on convict ships between the 1820s and the 1850s Now for the first time they are the subject of a fascinating new book from the National Library of Australia Through its pages readers will come face to face with some of Australias reluctant pioneers and explore their often extraordinary lives Using transportation records trial documents official correspondence prison files local and overseas newspaper reports and eyewitness accounts the author has pieced together biographies of some of the men and their female partners who found themselves transported to the colonies
