Pictures of Messiah Ruth Specter Lascelle, 1997-01-01 What Did Jesus Look Like? Joan E. Taylor, 2018-02-08 Jesus Christ is arguably the most famous man who ever lived His image adorns countless churches icons and paintings He is the subject of millions of statues sculptures devotional objects and works of art Everyone can conjure an image of Jesus usually as a handsome white man with flowing locks and pristine linen robes But what did Jesus really look like Is our popular image of Jesus overly westernized and untrue to historical reality This guestion continues to fascinate Leading Christian Origins scholar Joan E Taylor surveys the historical evidence and the prevalent image of Jesus in art and culture to suggest an entirely different vision of this most famous of men He may even have had short hair The Pleasures of God John Piper,2000-06-26 The author of Desiring God reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him Includes a study guide for individual and small group use Isn t it true we really don t know someone until we understand what makes that person happy And so it is with God What does bring delight to the happiest Being in the universe John Piper writes that it s only when we know what makes God glad that we ll know the greatness of His glory Therefore we must comprehend the pleasures of God Unlike so much of what is written today this is not a book about us It is about the One we were made for God Himself In this theological masterpiece chosen by World Magazine as one of the 20th Century s top 100 books John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him Then we will be able to drink deeply and satisfyingly from the only well that offers living water What followers of Jesus need now more than anything else is to know and love behold and embrace the great glorious sovereign happy God of the Bible This is a unique and precious book that everybody should read more than once J I PACKER Regent College Vancouver British Columbia My Catholic Faith Louis LaRavoire Morrow, 2015-08-27 In My Catholic Faith Louis LaRavoire Morrow presents a comprehensive guide to the beliefs practices and traditions of the Catholic Church This book serves as a valuable resource for both newcomers to the faith and lifelong Catholics seeking to deepen their understanding of their religious heritage Morrow explores the core tenets of Catholicism offering insights into the sacraments prayer and the role of the Church in daily life Seeing and savouring Jesus Christ JOHN PIPER, 2020-05-21 Who is Jesus Christ You ve never met Him in person and you don t know anyone who has But there is a way to know who he is How Jesus Christ the divine Person revealed in the Bible has a unique excellence and a spiritual beauty that speaks directly to our souls and says Yes this is truth It's like seeing the sun and knowing that it is light or tasting honey and knowing that it is sweet The depth and complexity of Jesus shatter our simple mental frameworks He baffled proud scribes with his wisdom but was understood and loved by children He calmed a raging storm with a word but would not get himself down from the cross Look at the Jesus of the Bible Keep your eyes open and fill them with the portrait of Jesus in God s Word Jesus said If anyone s will is to do God s will He will know whether the teaching is from God or whether I am speaking on my own authority Ask God for the grace to

do His will and you will see the truth of His Son John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else Your God is Too Glorious Chad Bird, 2023-11-14 Most of us are regular people who have good days and bad days Our lives are radically ordinary and unexciting That means they re the kind of lives God gets excited about While the world worships beauty and power and wealth God hides his glory in the simple the mundane the foolish working in unawesome people things and places In our day of influencer worship and online posturing this is a refreshing even transformative way of understanding God and our place in his creation. It urges us to treasure a life of simplicity to love those whom the world passes by to work for God s glory rather than our own And it demonstrates that God has always been the Lord of the cross a Savior who hides his grace in unattractive inglorious places Your God Is Too Glorious reminds readers that while a quiet life may look unimpressive to the world it s the regular everyday people that God tends to use to do his most important work Now available in a second edition Chad Bird invites the reader to go deeper into the pursuit of the faithful ordinary life with study questions at the end of each chapter for personal or corporate use The *False Gods We Worship* Spencer W. Kimball, 1998-01-01 1998, *Images* Case for Christ Movie Edition Lee Strobel, 2017-02-28 The guest for the truth about history s most compelling figure Now a major motion picture The Case for Christ chronicles Lee Strobel s spiritual journey from atheism and former legal editor of the Chicago Tribune to faith in Jesus Christ In this perennial classic of Christian apologetics Strobel hunts for the truth about Jesus his life and resurrection cross examining a dozen experts and authorities in the fields of science history philosophy and medicine Strobel s tough point blank questions are fast paced and captivating as he attempts to find answers to the question Is there credible evidence that Jesus of Nazareth really is the Son of God This movie edition includes Revisions and additions including updated material on archaeological and manuscript discoveries Fresh recommendations for further study An interview with the author that tells dramatic stories about the book s impact Behind the scenes information and responses to critiques of the book by skeptics As The Case for Christ and its ancillary resources approach 10 million copies in print this updated edition will prove even more valuable to contemporary readers The Trustworthiness of God Paul Helm, Carl R. Trueman, 2002 For two millennia the church has affirmed and celebrated Scripture as the written word of God However in the twentieth century the doctrine of Scripture became the focus and flashpoint for division One legacy of those debates has been a reluctance to address the nature of Scripture This collection of essays seeks to re open dialogue on this fundamental tenet of the Christian faith by offering something of a prelude to a fresh approach to Scripture In particular these explorations seek to map out some implications of the fundamental link between the character of God as trustworthy and the trustworthiness of His word Following an introductory orientation the first two sections take soundings in selected texts from the Old and New Testaments The third section offers perspectives from church history and also grapples with aspects of the contemporary context and philosophical and epistemological issues Two responses to the main essays complete the collection None of the
