Pictures from Bhagavad-Gita as it is and Other Poems Satsvarūpa Dāsa Gosvāmī, 1987      **Pictures from Bhagavad-Gita as it is and Other Poems** Satsvarūpa Dāsa Gosvāmī, 1987      **Entering the Life of Prayer** Satsvarūpa Dāsa Gosvāmī, 1999      Bhagavad Gita Mani Rao, 2010 Sacred Hindu scripture is freshly presented in adventurous contemporary English poetry capturing the wildness of the original Sanskrit language that has been lost in generations of listless prose translations Long considered among the most important texts in the history of literature and philosophy the 700 verses here capture the dialogue between Krishna revered by Hindus as a manifestation of God and the character of Arjuna on the battlefield before the start of the Kurukshetra War Explaining not only the duties of a warrior but also elaborating upon different Yogic and Vedantic philosophies through examples and analogies this major ancient Indian epic has often been described as a concise introduction to Hindu theology and a practical self contained guide to life      **Godsong** Amit Majmudar, 2018-03-20 A fresh strikingly immediate and elegant verse translation of the classic with an introduction and helpful guides to each section by the rising American poet Born in the United States into a secularized Hindu family Amit Majmudar puzzled over the many religious traditions on offer and found that the Bhagavad Gita had much to teach him with its song of multiplicities Chief among them is that its own assertions aren't as important as the relationships between its characters The Gita imagined a relationship in which the soul and God are equals it is he believes the greatest poem of friendship in any language His verse translation captures the many tones and strategies Krishna uses with Arjuna strict and berating detached and philosophical tender and personable Listening guides to each section follow the main text and expand in accessible terms on the text and what is happening between the lines Godsong is an instant classic in the field from a poet of skill fine intellect and perhaps most important devotion      **Visnu-rata Vijaya** Satsvarupa Dasa Goswami, 1991

*Collected Poems* Constantine Cavafy, 2009 Presents a complete collection of the modern Greek poet's work including his unfinished poems which explores themes of longing and loneliness fate and loss memory and identity throughout the history of Greek civilization      Interpretations of the Bhagavad-Gita and Images of the Hindu Tradition Catherine A. Robinson, 2014-02-04 This book investigates the relationship between the various interpretations of the Bhagavad Gita and the Hindu tradition      **Chota's Way** Satsvarūpa Dāsa Gosvāmī, 1990      Complete Poems of C. P. Cavafy C.P. Cavafy, 2012-05-22 An extraordinary literary event Daniel Mendelsohn's acclaimed two volume translation of the complete poems of C P Cavafy including the first English translation of the poet's final Unfinished Poems now published in one handsome edition and featuring the fullest literary commentaries available in English by the renowned critic scholar and international best selling author of *The Lost* No modern poet so vividly brought to life the history and culture of Mediterranean antiquity no writer dared break with such taut energy the early twentieth century taboos surrounding homoerotic desire no poet before or since has so gracefully melded elegy and irony as the Alexandrian Greek poet

Constantine Cavafy 1863 1933 Whether advising Odysseus on his return to Ithaca or confronting the poet with the ghosts of his youth these verses brilliantly make the historical personal and vice versa To his profound exploration of longing and loneliness fate and loss memory and identity Cavafy brings the historian s assessing eye along with the poet s compassionate heart After more than a decade of work and study Mendelsohn a classicist who alone among Cavafy s translators shares the poet s deep intimacy with the ancient world gives readers full access to the genius of Cavafy s verse the sensuous rhymes rich assonances and strong rhythms of the original Greek that have eluded previous translators Complete with the Unfinished Poems that Cavafy left in drafts when he died a remarkable hitherto unknown discovery that remained in the Cavafy Archive in Athens for decades and with an in depth introduction and a helpful commentary that situates each work in a rich historical literary and biographical context this revelatory translation is a cause for celebration the definitive presentation of Cavafy in English

Bombay Modern Anjali Nerlekar,2016-05-15 Anjali Nerlekar s *Bombay Modern* is a close reading of Arun Kolatkar s canonical poetic works that relocates the genre of poetry to the center of both Indian literary modernist studies and postcolonial Indian studies Nerlekar shows how a bilingual materialist reading of Kolatkar s texts uncovers a uniquely resistant sense of the local that defies the monolingualistic cultural pressures of the post 1960 years and straddles the boundaries of English and Marathi writing *Bombay Modern* uncovers an alternative and provincial modernism through poetry a genre that is marginal to postcolonial studies and through bilingual scholarship across English and Marathi texts a methodology that is currently peripheral at best to both modernist studies and postcolonial literary criticism in India Eschewing any attempt to define an overarching or universal modernism *Bombay Modern* delimits its sphere of study to Bombay and to the post 1960 the sathottari period in an attempt to examine at close range the specific way in which this poetry redeployed the regional the national and the international to create a very tangible yet transient local
