Piece Of My Heart The Life Times And Legend Of Janis Joplin:

Piece of My Heart David Dalton, 1986-01-01 **Another Little Piece of My Heart** Richard Goldstein, 2015-04-09 In 1961 Richard Goldstein saw Bob Dylan perform for the first time at Carnegie Hall Rock music was in its infancy and revolution was in the air Criticism of the genre didn t yet exist but as it began to change music and politics for ever the serious discussion of rock became a thriving institution Aged just twenty two in 1966 and the first rock critic in New York Goldstein became a pivotal figure in the industry Forging close relationships with huge names Jim Morrison Brian Wilson and Janis Joplin to name just three his life became a whirlwind of politics sex and rock and roll Another Little Piece of My Heart is an unparalleled document of rock and revolution **Liberty and Freedom** David Hackett Fischer, 2004-11-15 Liberty and freedom Americans agree that these values are fundamental to our nation but what do they mean How have their meanings changed through time In this new volume of cultural history David Hackett Fischer shows how these varying ideas form an intertwined strand that runs through the core of American life Fischer examines liberty and freedom not as philosophical or political abstractions but as folkways and popular beliefs deeply embedded in American culture Tocqueville called them habits of the heart From the earliest colonies Americans have shared ideals of liberty and freedom but with very different meanings Like DNA these ideas have transformed and recombined in each generation The book arose from Fischer's discovery that the words themselves had differing origins the Latinate liberty implied separation and independence The root meaning of freedom akin to friend connoted attachment the rights of belonging in a community of freepeople The tension between the two senses has been a source of conflict and creativity throughout American history Liberty Freedom studies the folk history of those ideas through more than 400 visions images and symbols It begins with the American Revolution and explores the meaning of New England's Liberty Tree Pennsylvania's Liberty Bells Carolina's Liberty Crescent and Don't Tread on Me rattlesnakes In the new republic the search for a common American symbol gave new meaning to Yankee Doodle Uncle Sam Miss Liberty and many other icons In the Civil War Americans divided over liberty and freedom Afterward new universal visions were invented by people who had formerly been excluded from a free society African Americans American Indians and immigrants The twentieth century saw liberty and freedom tested by enemies and contested at home yet it brought the greatest outpouring of new visions from Franklin Roosevelt's Four Freedoms to Martin Luther King's dream to Janis Joplin's nothin left to lose Illustrated in full color with a rich variety of images Liberty and Freedom is literally an eye opening work of history stimulating large spirited and ultimately inspiring Janis Holly George-Warren, 2019-10-22 Longlisted for the 2020 Andrew Carnegie Medals for Excellence This blazingly intimate biography of Janis Joplin establishes the Queen of Rock Roll as the rule breaking musical trailblazer and complicated gender bending rebel she was Janis Joplin s first transgressive act was to be a white girl who gained an early sense of the power of the blues music you could only find on obscure records and in roadhouses along the Texas and Louisiana Gulf Coast But even before that she stood out in her

conservative oil town She was a tomboy who was also intellectually curious and artistic By the time she reached high school she had drawn the scorn of her peers for her embrace of the Beats and her racially progressive views Her parents doted on her in many ways but were ultimately put off by her repeated acts of defiance Janis Joplin has passed into legend as a brash impassioned soul doomed by the pain that produced one of the most extraordinary voices in rock history But in these pages Holly George Warren provides a revelatory and deeply satisfying portrait of a woman who wasn t all about suffering Janis was a perfectionist a passionate erudite musician who was born with talent but also worked exceptionally hard to develop it She was a woman who pushed the boundaries of gender and sexuality long before it was socially acceptable She was a sensitive seeker who wanted to marry and settle down but couldn t or wouldn t She was a Texan who yearned to flee Texas but could never quite get away even after becoming a countercultural icon in San Francisco Written by one of the most highly regarded chroniclers of American music history and based on unprecedented access to Janis Joplin's family friends band mates archives and long lost interviews Janis is a complex rewarding portrait of a remarkable artist finally getting her The Rock And Roll Book Of The Dead David Comfort, 2009-08-25 Once you re dead you re made for life Jimi Hendrix Hendrix Janis Morrison Elvis Lennon Cobain Garcia Their reckless brilliance held the key to their self destruction Their deaths had much in common and surprisingly so did their lives From lonely childhoods marred by loss to groundbreaking music and turbulent careers that ended tragically and suspiciously David Comfort explodes the myths as he probes The sinister roles of Hendrix s manager and girlfriend in his death and subsequent cover up The bizarre odyssey of Jim Morrison s corpse Why Kurt Cobain was worth more dead than alive to Courtney Love The twisted motives that caused John Lennon to sail through the Devil s Triangle to Bermuda nearly going down in a storm shortly before he was fatally shot The crippling disease and miracle drug that drove Elvis to suicide Charismatic and gifted but also isolated and conflicted these are not the rock icons you thought you knew Here are their larger than life stories of turmoil and excess that led to their early deaths and ultimate immortality It's a wild ride to the other side of fame Fame is the soul eater Jerry Garcia Everybody loves you when you re six foot in the ground John Lennon Includes Rare Photos David Comfort is the author of three bestselling nonfiction books His short fiction has appeared in numerous magazines including Eclectic Literary Forum Pacific Review Coe Review and Belletrist Review He has been the recipient of several literary prizes and a finalist for such prestigious awards as the Nelson Algren Award and America's Best A former rock musician he has spent over 30 years studying rock music particularly the revolutionary and fatalistic pioneers of the 1960s He lives in Santa Rosa California The 20th Century Go-N Frank N.
