Piecing It Together Feminism And Nonviolence:

Piecing it Together Feminism and Nonviolence Study Group, 1983 Feminism, Violence and Nonviolence Selina Gallo-Cruz, 2024-05-31 What can nonviolence offer to feminists working to end violence against women Can nonviolence be used by women to protect themselves from street and work harassment from partner battering date rape and sexual assault What are the connections between war and sexism and how should nonviolent activists address them How should feminists confront the structural violence of racism xenophobia colonialism land displacement and environmental destruction **Feminism Violence and Nonviolence** features a carefully curated selection of seminal texts originally published from the 1970s to the 2000s which document dynamic feminist thinking on the root causes of violence the social forces inculcating violence into patriarchal institutions and relationships and the many insights that nonviolence can gain from a feminist perspective This collection of essays articles pamphlets flyers and excerpts from books of feminist thought brings together the voices of the women and men who helped to transform movement consciousness on issues of sexism racism colonialism and a broader array of otherisms expanding and diversifying nonviolent philosophy With a sociological and historical introduction to the movement and author and organisational biographies this is an essential resource for students of gendered and sexualised peace violence and justice Women and Community Action Dominelli, Lena, 2019-05-22 Historically women and men have been assigned to different spaces in their communities Although several decades of feminist social action have made significant progress to the social economic and political condition of many women change has been uneven and there remain considerable advancements to be made globally This valuable third edition considers women's changing position in the world today updating some of the perennial challenges that women face and examining new and emerging issues including digital exclusion sustainable community development and environmental justice Published in association with the British Association of Social Workers this book is an invaluable resource for students and practitioners of social work community work sociology and social policy Women and Peace Ruth Roach Pierson, 2019-01-15 Originally published in 1987 this book includes contributions from scholars and peace activists in the United States Britain Canada Belgium and the German Democratic Republic These papers present from a number of different perspectives the experiences of women in relation to peace in North America Japan and Europe The theoretical diversity and historical breadth of the collection provide a balanced and enlightened view of women and peace movements The papers range from an important theoretical contribution by the American scholar Berenice Carroll to one on the peace movement in Japan after Hiroshima and Nagasaki by Setsuko Thurlow a Japanese Canadian and a Hiroshima survivor The papers are divided into theoretical historical and practical approaches and the main part of the book is concerned with historical accounts of women's involvement in peace movements An important issue covered is the contradiction that arises between feminist and pacifist ideals in peace movements Literary figures such as Vera Brittain and Charlotte Perkins Gilman are also

discussed This book will have multi disciplinary appeal to students and academics in women s studies peace studies sociology and history It will also be of interest to activists in the women s and peace movements The Morning After Cynthia Enloe,1993-10-10 Cynthia Enloe s riveting new book looks at the end of the Cold War and places women at the center of international politics Focusing on the relationship between the politics of sexuality and the politics of militarism Enloe charts the changing definitions of gender roles sexuality and militarism at the end of the twentieth century In the gray dawn of this new era Enloe finds that the politics of sexuality have already shifted irrevocably Women glimpse the possibilities of democratization and demilitarization within what is still a largely patriarchal world New opportunities for greater freedom are seen in emerging social movements gays fighting for their place in the American military Filipina servants rallying for their rights in Saudi Arabia Danish women organizing against the European Community s Maastricht treaty Enloe also documents the ongoing assaults against women as newly emerging nationalist movements serve to reestablish the privileges of masculinity The voices of real women are heard in this book They reach across cultures showing the interconnections between military networks jobs domestic life and international politics The Morning After will spark new ways of thinking about the complexities of the post Cold War period and it will bring contemporary sexual politics into the clear light of day as no other book has done *The Nature of the Right* Gill Seidel,1988-01-01 This volume challenges and extends the definition of right and right wing discourse as traditionally conceived in male scholarship The eleven papers share a common perspective a critique of the ideology of natural difference as the basis for oppression of the dominated group In a radical feminist analysis the relation of domination between the sexes is seen as central to the projects of the right in which the constructions of nations races and gender present variations in time and space In its linking of oppressions this books makes an important and timely contribution to feminist theory and puts the case for a radical and altogether coherent rethinking of right wing political space Campaigns for Peace Richard K. S. Taylor,Nigel Young,1987 **Risk and the Control of Technology** Alan Irwin,1985 **Sites of Violence** Wenona Giles,Jennifer Hyndman,2004-06-28 In conflict zones from Iraq and Afghanistan to Guatemala and Somalia the rules of war are changing dramatically Distinctions between battlefield and home soldier and civilian state security and domestic security are breaking down In this especially timely book a powerful group of international authors doing feminist research brings the highly gendered and racialized dimensions of these changes into sharp relief In essays on nationalism the political economy of conflict and the politics of asylum they investigate what happens when the body household nation state and economy become sites at which violence is invoked against people In particular these hard hitting essays move us forward in our understanding of violence against women how it is perpetrated survived and resisted They explore the gendered politics of ethno nationalism in Sri Lanka the post Yugoslav states and Israel and Palestine They consider honor killings in Iraqi Kurdistan armed conflict in the Sudan and geographies of violence in Ghana This volume augments feminist analysis on conflict zones and contributes to transnational coalition building and

feminist organizing *Gender and Nation* Nira Yuval-Davis, 1997-03-25 Nira Yuval Davis provides an authoritative overview and critique of writings on gender and nationhood presenting an original analysis of the ways gender relations affect and are affected by national projects and processes In *Gender and Nation* Yuval Davis argues that the construction of nationhood involves specific notions of both manhood and womanhood She examines the contribution of gender relations to key dimensions of nationalist projects the nation's reproduction its culture and citizenship as well as to national conflicts and wars exploring the contesting relations between feminism and nationalism *Gender and Nation* is an important contribution to the debates on citizenship gender and nationhood It will be essential reading for academics and students of women's studies race and ethnic studies sociology and political science **Antimilitarism** C. Cockburn, 2012-04-11 A lively first hand account of the ideas and activities of women and men in anti war anti militarist and peace movements The author looks at the tensions and divergences in and between organizations and their potential for cohering into a powerful worldwide counter hegemonic movement for violence reduction *The Rise of Marginal Voices* Anne Statham, 1996 This book represents ten years of data collection and analysis on the topic of women managers using an evolving feminist framework which urges that we consider the dimensions of race class and gender simultaneously The author examines the interplay of class issues worker participation with gender issues women managers pulling together literatures that are usually seen as separate The interplay of race is also discussed Contents Preface Acknowledgements Chapter One Moving Back to the Future PART I A First Look at Difference Chapter Two The Missing Feminine Chapter Three Are Women Different Chapter Four The Problem of Difference Remnants and Transformations Chapter Five The Female as Problematic PART II Gender and Intertwined Oppressions Chapter Six A Focus on Work Chapter Seven The Intertwining of Capitalism and Patriarchy Is Capitalism Particularly Cruel to Women Chapter Eight The Link with Race PART III Gender in Broader Context Chapter Nine Leadership in Native American Context Foregrounding Cultural Background Chapter Ten The New Workplace Chapter Eleven How Change Happens Chapter Twelve Implications for Society Appendix Methodology Chronology Supplemental Findings from Studies Bibliography Index *Advancing Interdisciplinary Approaches to International Relations* Steve A. Yetiv, Patrick James, 2016-11-24 This edited volume breaks new ground by innovatively drawing on multiple disciplines to enhance our understanding of international relations and conflict The expansion of knowledge across disciplines and the increasingly blurred boundaries in the real world both enable and demand thinking across intellectual borders While multidisciplinary and interdisciplinary are prominent buzz words remarkably few books advance them Yet doing so can sharpen and expand our perspective on academic and real world issues and problems This book offers the most comprehensive treatment to date and is an invaluable resource for students scholars and practitioners *Sacred Interconnections* David Ray Griffin, 1990-01-01 This book shows the interconnections between postmodernism religion politics economics and art It shows that the awareness of interconnectedness is at the center of the postmodern sensibility *Sacred Interconnections* illustrates the

rejection of the modern idea that these subjects can be discussed as separate disciplines While the term postmodern has been widely used for deconstructive cynical even nihilistic attitude especially in the world of art and literature the book represents the emergence of a reconstructive reenchanting postmodernism even within the artistic and literary circles

Encyclopedia of Life Writing Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms

Feminism and the Contradictions of Oppression Caroline Ramazanoglu,2012-10-12 Feminism and the Contradictions of Oppression is a penetrating and comprehensive study of the development of feminism over the last thirty years The first part of this major new textbook examines feminist theory and feminist political strategy The second section examines how contradictions of class race subculture and sexuality divide women The final part explores ways out of the impasse This level headed and challenging book is one of the most notable contributions to feminism in recent years

Nonviolence Senthil Ram,Ralph Summy,2008 The so called war on terror has gone badly for the West playing directly into the strategy of al Qa ida and the rest of the terrorist network Why did this happen Were there other approaches that might have been implemented with better prospects of success This edited collection of perspectives on the non violent counter to terrorism opens the topic to serious consideration The development of a non violent paradigm brings into sharp focus the deficiencies of present thinking and paves the way for comprehending how non violence might overcome those deficiencies and introduce viable alternatives Since there is a general ignorance about the history theory and operational dynamics of non violence these aspects are featured throughout the book and related to the special case of terrorism To understand empathetically the background and mind set of the opponent without condoning his actions to study his culture to avoid the strategic trap he has set to examine the different gender reactions of a Muslim Society to differentiate between non violent Islam and Islamic Terrorism to jettison the misinformed baggage we carry about violence to appreciate the positive role education and aesthetics can play and to investigate ways in which a non violent counter to terrorism might be staged including a Gandhian response These are just some of the tasks that the contributors have collectively pursued Their

ideas excitingly open up a whole new set of possibilities for a more peaceful world **Quaker Quicks - Why I am a Pacifist** Tim Gee, 2019-09-27 Tim Gee tells the story of why he became a pacifist and what it means to him Gee reflects on the lives of peacemakers past and present to provide responses to questions like Don't we have to hit back if we're hurt Don't we need war to respond to evil and Doesn't religion justify wars This is a critique of war but more than that it stakes a claim for pacifism's feminist and anti racist qualities This is a call for a more nonviolent world **The Road to Greenham Common** Jill Liddington, 1991 Wojcik humanities Clarkson U examines Luke's Gospel in the light of gnostic narrative techniques He provides a historical survey of interpretations of Luke's Gospel and outlines orthodox Christianity's rejection of gnostic elements He concludes with his own analysis of the text focusing on Jesus' development as a teacher Reprint of The Long Road to Greenham Common Virago 1989 Annotation copyrighted by Book News Inc Portland OR
