Pierced By The Seasons Living A Life On The Coast Of Maine:

Pierced by the Seasons Elizabeth W. Garber, 2004-10-01 Elizabeth Garbers collection of poems invites us to intimately experience her vision of the small coastal town in Maine where she lives Through her eyes we share the poignancy of her observations throughout a year of seasons Each poem is lovingly crafted richly compelling and glows with a radiant awareness Warm yourself with haiku composed while she cross country skis on fresh snow along a stream Refresh yourself with a poem of kayaking at dawn out of a small harbor Feel the rhythm of a daily life walking past streets of white clapboard houses on her morning walk to the ocean and listening to patient stories in her acupuncture office You will be moved and changed from reading her poems honoring the grief of a widower her son turning 18 and the end of a romance Youll find yourself seeing more deeply into the simple moments of your life after reading a poem about shopping with her daughter and playing in a blizzard with her mother This collection awakens a yearning for more awareness joy and compassion in our daily lives

Down East ,2006-08 **Off-Season** Ken McAlpine,2010-07-07 No Longer the Forgotten Season Just after Labor Day Ken McAlpine said good bye to his family and began a drive up the East Coast from Florida to Maine on a one man quest to capture the elusive forgotten season of beach towns shuttered until the return of warm weather Off Season is a moving portrait that brings to life the magic of the sea and shore in winter the charm of beach towns emptied of summer crowds and the warmth and eccentricities of year round coastal residents who revel in small town spirit McAlpine skipped the more popular destinations like Nags Head Virginia Beach Cape May and the Hamptons opting to visit lesser known locales like Sharpes Florida Tangier Island Virginia and Montauk New York There he found people who celebrated the departure of the tourists with the cautious hope they d return next summer He encountered fishermen struggling to make a living a former playboy lifeguard now ministering to the elderly and ill a marine policeman both reviled and respected a lone kayaker paddling away his grief a couple fighting to save the world s coral reefs divers searching for everything from false teeth to dead bodies in dark waters and deserted snow covered beaches more beautiful than anyone could describe More than a travelogue and a whole new breed of beach read Off Season is a stroll off the beaten path and a look at the people and places in our country that keep the spirit of community alive

Everett Parker,1908 Musical Courier and Review of Recorded Music ,1916 Ireland Travel 101 Patricia Preston,2009-04-25 Ireland Travel 101 The travel Bible for the Emerald Isle East South West and North Brimming with must do experiences and off the beaten path adventures this book zeros in on how to find the real Ireland the places that are high on the travel radar for a great Irish vacation The fast flowing chapters present the wow factors sightseeing highlights time and tactics needed to explore hospitable hotels recommended restaurants and cafes noteworthy pubs specialty shops and craft centers local markets useful tidbits and trivia nearby digressions and hundreds of helpful web site addresses All of this information is capped by suggested day to day itineraries that you can use for your own special route Author Patricia Preston has been there and done that all over Ireland and she is happy to share her insider s tips with you And if you still have questions just go to Pat s web site www.IrelandExpert.com and you ll have your answer within 24 hours For memorable travels and quite a few surprises too Ireland Travel 101 is the right book for you **Forest and Stream** ,1916 **Painting the Inhabited Landscape** Margaretta M. Lovell,2023-03-27 The impulse in much nineteenth century American painting and culture was to describe nature as a wilderness on which the young nation might freely inscribe its future the United States as a virgin land that is unploughed unfenced and unpainted Insofar as it exhibited evidence of a past its traces pointed to a geologic or cosmic past not a human one The work of the New England artist Fitz H Lane however was decidedly different In this important study Margaretta Markle Lovell singles out the more modestly scaled explicitly inhabited landscapes of Fitz H Lane and investigates the patrons who supported his career with an eye to understanding how New Englanders thought about their land their economy their history and their links with widely disparate global communities Lane s works depict nature as productive and allied in partnership with humans to create a sustainable balanced political economy What emerges from this close look at Lane s New England is a picture not of a virgin wilderness but of a land deeply resonant with its former uses and a human history that incorporates rather than excludes Native Americans as shapers of land and as agents in that history Calling attention to unexplored dimensions of nineteenth century painting *Painting the Inhabited Landscape* is a major intervention in the scholarship on American art of the period examining how that body of work commented on American culture and informs our understanding of canon formation **Congressional Record** United States. Congress,1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789 1824* the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
