Moar,2024-10-23 Mr Moar has put immense amounts of research into the question of whether or not God exists and His relationship with the Bible itself He provides a unique and apparently undebatable proof of the existence of the New Testament Trinity in the Old Testament itself Using various Scriptures and known history he provides excellent proofs of the fact that Christ s crucifixion had been prophesied literally centuries beforehand in several Scriptures He also uses the ancient Jewish Talmud and the similarly ancient Greek Magical Papyri to demonstrate a fact that is now well established among Jesus researchers that Christ was a magician so powerful that according to the Talmud He had been able to strongly influence the entire nation of Israel itself In addition Mr Moar provides a unique and very powerful proof of Christ s empty tomb at the time of His purported resurrection Finally Mr Moar uses his knowledge of psychology to show that you will probably be happier as a Christian than otherwise Thus reading Mr Moar s book can literally be a life changing experience Be prepared ha ha     Baxter's Explore the Book J. [The Exegetical Imagination](#) Michael Fishbane, Nathan Cummings Professor of Jewish Studies and Chair of the Committee on Jewish Studies Michael Fishbane, PhD, 1998-10-30 Exegesis interpretation and explanation of sacred texts is the quintessence of rabbinic thought Through such means and methods the written words of Hebrew Scripture have been extended since antiquity and given new voices for new times In this lucid and often poetic book Michael Fishbane delineates the connections between biblical interpretation and Jewish religious thought How can a canon be open to new meanings given that it is believed to be immutable Fishbane discusses the nature and rationale of this interpretative process in a series of studies on ancient Jewish

speculative theology Focusing on questions often pondered in Midrash he shows how religious ideas are generated or justified by exegesis He also explores the role exegesis plays in liturgy and ritual A striking example is the transfer of speculative interpretations into meditation in prayer Cultivation of the ability to perceive many implicit meanings in a text or religious practice can become a way of living as Fishbane shows in explaining how such notions as joy or spiritual meditations on death can be idealized and the ideal transmitted through theological interpretation The Exegetical Imagination is a collection of interrelated essays that together offer new and profound understanding of scriptural interpretation and its central role in Judaism      **Views of the Prophecies and Prohetic Chronology, Selected from**
