Our Enemies in Blue Kristian Williams,2015-08-17 Let s begin with the basics violence is an inherent part of policing The police represent the most direct means by which the state imposes its will on the citizenry They are armed trained and authorized to use force Like the possibility of arrest the threat of violence is implicit in every police encounter Violence as well as the law is what they represent Using media reports alone the Cato Institute s last annual study listed nearly seven thousand victims of police misconduct in the United States But such stories of police brutality only scratch the surface of a national epidemic Every year tens of thousands are framed blackmailed beaten sexually assaulted or killed by cops Hundreds of millions of dollars are spent on civil judgments and settlements annually Individual lives families and communities are destroyed In this extensively revised and updated edition of his seminal study of policing in the United States Kristian Williams shows that police brutality isn t an anomaly but is built into the very meaning of law enforcement in the United States From antebellum slave patrols to today s unarmed youth being gunned down in the streets peace keepers have always used force to shape behavior repress dissent and defend the powerful Our Enemies in Blue is a well researched page turner that both makes historical sense of this legalized social pathology and maps out possible alternatives Kristian Williams is the author of several books including American Methods Torture and the Logic of Domination He co edited Life During Wartime Resisting Counterinsurgency and lives in Portland Oregon **The African Criminal Court** Gerhard Werle,Moritz

Vormbaum,2016-11-29 This book offers the first comprehensive and in depth analysis of the provisions of the Malabo Protocol the amendment protocol to the Statute of the African Court of Justice and Human and Peoples Rights adopted by the African Union at its 2014 Summit in Malabo Equatorial Guinea The Annex to the protocol once it has received the required number of ratifications will create a new Section in the African Court of Justice and Human and Peoples Rights with jurisdiction over international and transnational crimes hence an African Criminal Court In this book leading experts in the field of international criminal law analyze the main provisions of the Annex to the Malabo Protocol The book provides an essential and topical source of information for scholars practitioners and students in the field of international criminal law and for all readers with an interest in political science and African studies Gerhard Werle is Professor of German and

David Hemenway, 2017-08-07 On an average day in the United States guns are used to kill over ninety people and wound about three hundred more yet such facts are accepted as a natural consequence of supposedly high American rates of violence Private Guns Public Health reveals the advantages of treating gun violence as a consumer safety and public health problem an approach that emphasizes prevention over punishment and that has successfully reduced the rates of injury and death from infectious disease car accidents and tobacco consumption Hemenway fair minded and authoritatively outlines a policy course that would significantly reduce gun related injury and death pointing us toward a solution **Defending Air Bases in an Age of Insurgency** Shannon Caudill, Air University Press, 2014-08 This anthology discusses the converging operational issues of air base defense and counterinsurgency It explores the diverse challenges associated with defending air assets and joint personnel in a counterinsurgency environment The authors are primarily Air Force officers from security forces intelligence and the office of special investigations but works are included from a US Air Force pilot and a Canadian air force officer The authors examine lessons from Vietnam Iraq Afghanistan and other conflicts as they relate to securing air bases and sustaining air operations in a high threat counterinsurgency environment The essays review the capabilities doctrine tactics and training needed in base defense operations and recommend ways in which to build a strong synchronized ground defense partnership with joint and combined forces The authors offer recommendations on the development of combat leaders with the depth of knowledge tactical and operational skill sets and counterinsurgency mind set necessary to be effective in the modern asymmetric battlefield *Grave Misfortune: The USS Indianapolis Tragedy* Richard A.

Hulver, 2019-06-03 Dedicated to the Sailors and Marines who lost their lives on the final voyage of USS Indianapolis and to those who survived the torment at sea following its sinking plus the crews that risked their lives in rescue ships The USS Indianapolis CA 35 was a decorated World War II warship that is primarily remembered for her worst 15 minutes This ship earned ten 10 battle stars for her service in World War II and was credited for shooting down nine 9 enemy planes However this fame was overshadowed by the first 15 minutes July 30 1945 when she was struck by two 2 torpedoes from Japanese submarine I 58 and sent to the bottom of the Philippine Sea The sinking of Indianapolis and the loss of 880 crew out of 1 196 most deaths occurring in the 4 5 day wait for a rescue delayed is a tragedy in U S naval history This historical reference showcases primary source documents to tell the story of Indianapolis the history of this tragedy from the U S Navy

perspective It recounts the sinking rescue efforts follow up investigations aftermath and continuing communications efforts Included are deck logs to better understand the ship location when she sunk and testimony of survivors and participants For additional historical publications produced by the U S Naval History and Heritage Command please check out these resources here <https://bookstore.gpo.gov/agency/naval-history-heritage-command> Year 2016 marked the 71st anniversary of the sinking and another spike in public attention on the loss including a big screen adaptation of the story talk of future films documentaries and planned expeditions to locate the wreckage of the warship

The Top Books of the Year Piercing The Shields Of Justice Inside The Atf The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Piercing The Shields Of Justice Inside The Atf : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Piercing The Shields Of Justice Inside The Atf : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Piercing The Shields Of Justice Inside The Atf : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
