Pierre Corneille En Son Temps Et En Son Uvre

Guillaume Travers, Alain de Benoist

Pierre Corneille En Son Temps Et En Son Uvre:

Powerful Connections Peter William Shoemaker, 2007 *Powerful Connections* The Poetics of Patronage in the Age of Louis XIII explores the role of patronage in shaping French literary culture between 1614 and 1661 a period that witnessed both the rise of the early modern state under Richelieu and the beginnings of modern literary culture in the salons and academies It includes readings of texts by authors such as Jean Louis Guez de Balzac Theophile de Viau Charles Sorel and Pierre Corneille that reveal the personal side of political power and its impact upon literary practice *The Literary Market* Geoffrey Turnovsky, 2011-07-07 A central theme in the history of Old Regime authorship highlights the opportunities offered by a growing book trade to writers seeking to free themselves from patrons and live by the pen Accounts of this passage from patronage to market have explored in far greater detail the opportunities themselves the rising sums paid by publishers and the progression of laws protecting literary property than how and why writers would have seized on them no doubt because the choice to do so has seemed an obvious or natural one for writers assumed to prefer economic self sufficiency over elite protection In *The Literary Market* Geoffrey Turnovsky claims that there was nothing obvious or natural about the choice Writers had been involved in commercial book publication since the earliest days of the printing press yet had not necessarily linked these activities with their freedom to think and write The association of autonomy and professionalism was forged not given Analyzing the literary market as a key articulation of the association Turnovsky explores how in eighteenth century polemics a rhetoric of commercial authorship came to signify independence for intellectuals He finds the roots of the connection not in the claims of entrepreneurial writers to rights and income but in a world to which that of the modern author has been contrasted the aristocratic culture of the seventeenth century Aristocratic culture he argues generated a disparaging view of the professional author as one defined by activities tainting him or her as greedy and arrogant and therefore unworthy of protection and socially isolated *The Literary Market* examines the story of the birth of the author in terms of the revalorization of this negative trope in Enlightenment era debates about the radically changing role of writers in society *The Je-Ne-Sais-Quoi in Early Modern Europe* Richard Scholar, 2005-09-29 What is the je ne sais quoi How if at all can it be put into words In addressing these questions Richard Scholar offers the first full length study of the je ne sais quoi and its fortunes in early modern Europe He describes the rise and fall of the expression as a noun and as a topic of debate examines its cluster of meanings and uncovers the scattered traces of its pre history The je ne sais quoi is often assumed to belong purely to the realm of the literary but in the early modern period it serves to articulate problems of knowledge in natural philosophy the passions and culture and for that reason it is approached here from an interdisciplinary perspective Placing major figures of the period such as Montaigne Shakespeare Descartes Corneille and Pascal alongside some of their lesser known contemporaries Scholar argues that the je ne sais quoi serves above all to capture first person encounters with a certain something that is as difficult to explain as its effects are intense When early modern writers use the expression in

this way he suggests they give literary form to an experience that twenty first century readers may recognize as something like their own

An Outline History of French Literature Henry Stanley Schwarz,1924 **A Service Beyond All Recompense** Kurt Martens,2018

When Monsignor Thomas J Green professor at the School of Canon Law at The Catholic University of America approached his seventy fifth birthday and the fiftieth anniversary of his priestly ordination his colleagues planned on offering him a fitting tribute in the form of a festschrift Six people with different backgrounds but all related to Msgr Green on one way or another have written a laudatio a short congratulatory letter in honor of Monsignor Green No less than fifteen contributions on various topics by colleagues canon law scholars clearly relate and reflect upon the honoree s scholarly contributions to canon law The topics are extremely varied and illustrate how Monsignor Green has been or is active in nearly every area of canon law Virtually every book of the Code of Canon Law is covered if not directly at least indirectly While the book is a tribute to an eminent professor the various scholarly contributions are unique pieces of scholarship The authors of the laudatio are John Garvey President The Catholic University of America Andrew Abela Provost The Catholic University of America Rev Msgr J Brian Bransfield General Secretary of the United States Conference of Catholic Bishops Rev Msgr Ronny E Jenkins Dean School of Canon Law The Catholic University of America Rev Msgr J James Cuneo Diocese of Bridgeport and Sister Sharon Euart RSM Executive Director Resource Center for Religious Institutes Silver Spring MD 1997

Massimo Mastrogregori,2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors
