## **Pierre Trudeau Speaks Out On Meech Lake:**

*Trudeau and the End of a Canadian Dream* Guy Laforest, 1995-03-06 In 1982 Prime Minister Pierre Trudeau realized his life's ambition the patriation of the Canadian constitution and the enshrinement of a Charter of Rights and Freedoms At the same time he dealt a severe blow to his arch enemies the nationalists in Quebec who believed that a significant and rewarding partnership with Canada was possible without renouncing their identity as Quebecers Laforest reveals that Trudeau betrayed the trust of the people of Quebec during the 1980 referendum on sovereignty association and contends that the whole patriation exercise completed without the consent of Quebec is not legitimate in that province He also holds Trudeau responsible for the ultimate rejection of the distinct society clause in the Meech Lake Accord which had given a glimmer of hope to Quebec federalists Trudeau and the End of a Canadian Dream shows how constitutional reform and the political culture it fostered shattered the hopes of those who believed that being both a Canadian and a Quebecer was possible

With a Bang, Not a Whimper Pierre Elliott Trudeau, Donald J. Johnston, 1988 *The Moral Foundations of Canadian Federalism* Samuel Victor LaSelva, 1996 LaSelva offers a compelling reconsideration of Confederation and of the pivotal role of George Etienne Cartier one of the Fathers of Confederation in both the achievement of confederation and the creation of a distinctively Canadian federalist theory

Heenan Blaikie Adam Dodek, 2024-10-15 In 1973 three young lawyers established Heenan Blaikie It would become one of Canada's highest profile law firms counting former prime ministers premiers and Supreme Court justices in its ranks It was like a family according to many who worked there But it was a dysfunctional family In 2014 the firm's dramatic collapse became front page news Based on extensive interviews with firm lawyers and legal industry insiders Heenan Blaikie is the story of a respected law firm that ultimately buckled under weak governance and management Heenan Blaikie seemed to punch above its weight bilingual humane national with international aspirations But beneath its unique culture as a kinder gentler law firm lay workplace bullying challenges for women and visible minority lawyers and sexual harassment Adam Dodek an unbiased outsider situates the firm's evolution within the context of a changing legal profession and society producing an account that is gripping from beginning to end

**Canada and the Ethics of Constitutionalism** Samuel V. Laselva, 2018-12-30 Canada is caught between two empires and between two constitutional systems However neither the British model of a single sovereign nor the American people's sacred fire of liberty matched the pluralistic identity of Canada so Canadians engaged in constitutional experimentation In *Canada and the Ethics of Constitutionalism* Samuel LaSelva argues that in order to understand the old Canada of Confederation and the new one that followed the Charter of Rights and Freedoms it is necessary to see how distinctive Canadian constitutionalism is and how that distinctiveness does not depend on borrowings from the British or American constitutional models LaSelva supports his argument by exploring different aspects of Canada's contribution to the ethics of constitutionalism including the limits of free expression the Charter's notwithstanding clause the origins and functions of judicial review the Quebec secession debate Aboriginal self government and the conception of Canada as a multicultural and multinational mosaic Through a careful consideration of how Canadian constitutional pluralism with its focus on the rights of others differs from American and British ideas *Canada and the Ethics of Constitutionalism* provides engaging answers to contested questions about how Canada was founded and what it has become

**Trudeau as Statesman** Monique Nemni, Max Nemni, David Milne, 2025-03-18 Pierre Elliott Trudeau takes on the Quebec Question with a bang not a whimper In Max and Monique Nemni's third and final volume of their Pierre Elliott Trudeau biography the man who would be statesman is granted his life's wish In his fifteen years as prime minister of Canada Trudeau oversaw the controversial White Paper of 1969 on Indigenous policy the fateful October Crisis of 1970 and the repatriation of the Canadian Constitution together with a Charter of Rights and Freedoms In retirement he exercised immense influence over Canada's later constitutional politics and was principally responsible for defeating both the Meech Lake and Charlottetown Accords during the government of Brian Mulroney Loved and hated in almost equal measure Trudeau was an iconoclast shaking up Canada's two solitudes as no other prime minister has ever dared to do In this meticulously researched and argued political biography Pierre Trudeau is seen wrestling with the most difficult and momentous decisions of his career
