*Piers Plowman and Contemporary Religious Thought.* By Greta Hort. pp. 170. S.P.C.K. 8s. 6d.

DR HORT has given us, as we should have expected, a most informative discussion of *Piers Plowman*. Some of her conclusions are not new and on these little need be said; others affecting Langland's purpose and theological outlook call for a careful examination, the lines of which we must be content merely to indicate.

The conclusions of the first kind are found in the earlier chapters. The poem, Dr. Hort decides, is not a farrago but has a definite didactic character; its author is at home among scholastic conceptions, although it is not always easy to interpret his terminology; he is familiar with the Breviary and Missal, perhaps (but only perhaps) with the Bible also, and he has considerable knowledge (however come by) of the Fathers and of theologians; he is to be interpreted in the light of these sources and his use of allegory and of authorities will become intelligible if related to the practice of other mediaeval writers. On these latter points Dr Hort is particularly illuminating. So far we find agreement with a recently published book by Fr T. P. Dunning, C.M. (*Piers Plowman. An Interpretation of the A-text*, Longmans, 1937). A comparison of these two books is of great interest; for example, as regards the points so far mentioned, "kuynde wit" is virtually identified by both writers with *synderesis*. Here a modification of Dr Hort's account may be offered. The distinction between the Franciscan and Dominican conceptions of *synderesis* is recognised (pp. 74-75), but the first quotation from St Thomas (II Sent., d. xxxix, q. 3), is a conflate and here somewhat misleading especially when taken in connexion with the loosely expressed footnote on p. 71: "By *synderesis* the schoolmen understood the divine element in the soul, that which is in immediate contact with God . . . " Whether the habit of first principles is considered

## **Piers Plowman And Contemporary Religious Thought:**

**Piers Plowman and Contemporary Religious Thought** Greta Hort, 1938  
**Religious Thought** Greta Hort, Church Historical Society (Great Britain), 1938  
*Church Law* Arvind Thomas, 2019-03-07 It is a medieval truism that the poet meddles with words the lawyer with the world But are the poet's words and the lawyer's world really so far apart To what extent does the art of making poems share in the craft of making laws and vice versa Framed by such questions *Piers Plowman and the Reinvention of Church Law* in the Late Middle Ages examines the mutually productive interaction between literary and legal makyns in England's great Middle English poem by William Langland Focusing on *Piers Plowman*'s preoccupation with wrongdoing in the B and C versions Arvind Thomas examines the versions representations of trials confessions restitutions penalties and pardons Thomas explores how the literary informs and transforms the legal until they finally cannot be separated Thomas shows how the poem's narrative voice metaphor syntax and style not only reflect but also act upon properties of canon law such as penitential procedures and authoritative maxims Langland's mobilization of juridical concepts Thomas insists not only engenders a poetics informed by canonist thought but also expresses an alternative vision of canon law from that proposed by medieval jurists and today's medievalists *Piers Plowman* William Langland, 2014-10-20 William Langland's 14th century poem *Piers Plowman* a disturbing and often humorous commentary on corruption and greed remains meaningful today The allegorical work revolves around the narrator's quest to live a good life and takes the form of a series of dreams in which Piers the honest plowman appears in various guises Characters such as Conscience Fidelity and Charity alongside Falsehood and Guile are instantly recognizable as our present day politicians and celebrities friends and neighbors Social issues are confronted including governance economic relations criminal justice marital relations and the limits of academic learning as well as religious belief and the natural world This new verse translation from the Middle English preserves the energy imagery and intent of the original and retains its alliterative style Instructors considering this book for use in a course may request an examination copy here **Piers Plowman and the Books of Nature** Rebecca Davis, 2016-09-08 *Piers Plowman and the Books of Nature* explores the relationship of divine creativity poetry and ethics in William Langland's fourteenth century dream vision These concerns converge in the poem's rich vocabulary of kynde the familiar Middle English word for nature broadly construed But in a remarkable coinage Langland also uses kynde to name nature's creator who appears as a character in *Piers Plowman* The stakes of this representation could not be greater by depicting God as Kynde that is under the guise of creation itself Langland explores the capacity of nature and of language to bear the plenitude of the divine In doing so he advances a daring claim for the spiritual value of literary art including his own searching form of theological poetry This claim challenges recent critical attention to the poem's discourses of disability and failure and reveals the poem's place in a long and diverse tradition of medieval humanism that originates in the twelfth century and indeed

points forward to celebrations of nature and natural capacity in later periods By contextualizing Langland's poetics of kynde within contemporary literary philosophical legal and theological discourses Rebecca Davis offers a new literary history for *Piers Plowman* that opens up many of the poem's most perplexing interpretative problems *A Companion to Piers Plowman* John A. Alford, 2023-04-28 *A Companion to Piers Plowman* is the first comprehensive guide to William Langland's fourteenth century masterpiece Until now no single volume has discussed the broad range of issues raised here nor have previous studies drawn on such an internationally distinguished group of Langland scholars This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 *A Companion to Piers Plowman* is the first comprehensive guide to William Langland's fourteenth century masterpiece Until now no single volume has discussed the broad range of issues raised here nor have previous studies drawn on such an international **The Vision of William Concerning Piers the Plowman** Langland, 1886 **Nature and Salvation in Piers Plowman** Hugh White, 1988 The idea of the natural recurs throughout *Piers Plowman* This book seeks to show that the idea holds a central place in Langland's understanding of the way in which man is saved This understanding develops over the course of the poem under the kynde wit and kynde knowing his presentation of Kynde as God and his understanding of what is involved in being kynde It shows how for all the difficulties he finds with it Langland remains faithful to the idea of the natural and how that idea repays this faith enabling profound meditation on the roles of man and God in respect of man's salvation and more broadly on the relationship between God and man *The Penn Commentary on Piers Plowman, Volume 5, C Passūs 20-22 ; B Passūs 18-20* Stephen A. Barney, 2006 *Conscience and the Composition of Piers Plowman* Sarah Wood, 2012-05-03 By showing how Langland transformed Conscience as he composed the A B and C texts of *Piers Plowman* Sarah Wood offers a new approach to reading the serial versions of the poem While the three versions have customarily been read in parallel text formats she demonstrates that Langland's revisions are newly comprehensible if read in sequence

**The Penn Commentary on Piers Plowman, Volume 2** Ralph Hanna, 2017-03-15 The first full commentary on *Piers Plowman* since the late nineteenth century the Penn Commentary places the allegorical dream vision of *Piers Plowman* within the literary historical social and intellectual contexts of late medieval England and within the long history of critical interpretation of the poem assessing past scholarship while offering original materials and insights throughout The authors line by line section by section and passus by passus commentary on all three versions of the poem and on the stages of its multiple revisions reveals new aspects of the work's meaning while assessing and summarizing a complex and often divisive scholarly tradition The volumes offer an up to date original and open ended guide to a poem whose engagement with its social world is unrivaled in medieval English literature and whose literary religious and intellectual accomplishments are

uniquely powerful The Penn Commentary is designed to be equally useful to readers of the A B or C texts of the poem It is geared to readers eager to have detailed experience of Piers Plowman and other medieval literature possessing some basic knowledge of Middle English language and literature and interested in pondering further the particularly difficult relationships to both that this poem possesses Others with interest in poetry of all periods will find the extended and detailed commentary useful precisely because it does not seek to avoid the poem s challenges but seeks instead to provoke thought about its intricacy and poetic achievements Volume 2 by Ralph Hanna deliberately addresses the question of the poem s perceived difficulty by indicating the legitimate areas of unresolved dilemmas while offering often original explanations of a variety of textual loci Perhaps more important his commentary indicates what has not always appeared clear in past approaches that the poem only means in its totality and within some critical framework and that its annotation needs always to be guided by a sense of Langland s developing arguments

**Traditional imagery of charity in "Piers Plowman"** Ben H. Smith, 2015-08-31 No detailed description available for Traditional imagery of charity in Piers Plowman [The Penn Commentary on Piers Plowman, Volume 5](#) Stephen A. Barney, 2011-06-07 The first full commentary on Piers Plowman since the late nineteenth century is inaugurated with the publication of the first two of its five projected volumes The detailed and wide ranging Penn Commentary places the allegorical dream vision of Piers Plowman within the literary historical social and intellectual contexts of late medieval England and within the long history of critical interpretation of the poem assessing past scholarship while offering original materials and insights throughout The authors line by line section by section and passus by passus commentary on all three versions of the poem and on the stages of its multiple revisions reveals new aspects of the poem s meaning while assessing and summarizing a complex and often divisive scholarly tradition The volumes offer an up to date original and open ended guide to a poem whose engagement in its social world is unrivaled in English literature and whose literary religious and intellectual accomplishments are uniquely powerful The Penn Commentary is designed to be equally useful to readers of the A B or C texts of the poem It is geared to readers eager to have detailed experience of Piers Plowman and other medieval literature possessing some basic knowledge of Middle English language and literature and interested in pondering further the particularly difficult relationships to both that this poem possesses Others with interest in poetry of all periods will find the extended and detailed commentary useful precisely because it does not seek to avoid the poem s challenges but seeks instead to provoke thought about its intricacy and poetic achievements Andrew Galloway s Volume 1 treats the poem s first vision from the Prologue through Passus 4 in all three versions accepting the C text as the poet s final word but excavating downward through the earlier B and A texts Stephen Barney s volume completes the framework for the commentary dealing with the final three pass s of the poem extant only in the B and C versions Subsequent volumes will be the work of Ralph Hanna Traugott Lawler and Anne Middleton Overall The Penn Commentary on Piers Plowman marks a new stage of concentrated yet wide ranging attention to a text whose repeated revisions and literary

and intellectual complexity make it both an elusive object of inquiry and a literary work whose richness has long deserved the capacious and minutely detailed treatment that only a full commentary can allow Perhaps no poem in English appeals more than *Piers Plowman* to those readers who understand Yeats's fascination with things difficult yet The Penn Commentary will enable generations of readers to share in the pleasures and challenges of experiencing engaging with and trying to elucidate the difficulties of one of the towering achievements of English literature

**William Langland's *Piers Plowman*** Kathleen M. Hewett-Smith, 2013-09-13 This collection of newly written essays provides a fresh examination of some of the issues central to the study of this poem including an exploration of its relevance to contemporary literary theory and to 14th century culture and ideology

*Lucifer* Jeffrey Burton Russell, 1986 Describes the medieval concept of the devil discusses witchcraft and devil folklore and examines the depiction of evil in art and literature of the period

***Piers Plowman and the Poetics of Enigma*** Curtis A. Gruenler, 2017-04-30 In this book Curtis Gruenler proposes that the concept of the enigmatic latent in a wide range of medieval thinking about literature can help us better understand in medieval terms much of the era's most enduring literature from the riddles of the Anglo Saxon bishop Aldhelm to the great vernacular works of Dante Chaucer Julian of Norwich and above all Langland's *Piers Plowman* Riddles rhetoric and theology the three fields of meaning of aenigma in medieval Latin map a way of thinking about reading and writing obscure literature that was widely shared across the Middle Ages The poetics of enigma links inquiry about language by theologians with theologically ambitious literature Each sense of enigma brings out an aspect of this poetics The playfulness of riddling both oral and literate was joined to a Christian vision of literature by Aldhelm and the Old English riddles of the Exeter Book Defined in rhetoric as an obscure allegory enigma was condemned by classical authorities but resurrected under the influence of Augustine as an aid to contemplation Its theological significance follows from a favorite biblical verse among medieval theologians We see now through a mirror in an enigma then face to face 1 Cor 13 12 Along with other examples of the poetics of enigma *Piers Plowman* can be seen as a culmination of centuries of reflection on the importance of obscure language for knowing and participating in endless mysteries of divinity and humanity and a bridge to the importance of the enigmatic in modern literature This book will be especially useful for scholars and undergraduate students interested in medieval European literature literary theory and contemplative theology

***Transactions of the American Philosophical Society***, *The Virtuous Pagan in Middle English Literature* Cindy L. Vitto, 1989 For pious Christians of every age the question of ultimate concern has been salvation What is necessary to ensure the soul's eternal bliss During the Middle Ages within the Church itself the guidelines were clear baptism reception of the sacraments an attempt to put into practice the teachings of Christ But a theological debate arose on the possibility of salvation for those outside the Church who fell into two basic categories those who had been offered the Christian faith but had refused it the Virtuous Pagan in legend St Erkenwald's Harrowing of Hell *Piers Plowman* Issues in Salvation the Harrowing as Thematic Climax

***Chaucer and the Subject of History*** Lee

Patterson, 1991 Chaucer's interest in individuality was strikingly modern. He was aware of the pressures on individuality exerted by the past and by society by history. Chaucer investigated not just the idea of history but the historical world intimately related to his own political and literary career. This book has shaped the way that Chaucer is read.
