La Pietra A. Richard Turner, 2002-08-02 This beautiful heavily illustrated volume reveals the beauty and history of one of the great Florentine villas and of the extraordinary Anglo American family the Actons who in the 20th century restored it to its former glory    Memoirs of an Aesthete Harold Acton, 2008-12 N this classic memoir Harold Acton offers a witty and vivid account of the first thirty five years of his life 1904-39 from a boyhood among the dilettanti in Florence before the First World War through his friendships with some of the great writers of his generation in Oxford and Paris to his discovery of a spiritual home in Peking    *The Olivetti Idiom 1952-1979* Caterina Toschi, 2018    **My Mother, My Father and His Wife Hortense** Dialta Alliata-Lensi Orlandi, 2013-07-23 In this fierce and poignant book the author drawing on sources that include her grandmother's richly erotic diaries unveils intimate details of the Acton dynasty in Florence the illicit love affair of Arthur and Elsie and the controversial legal aftermath that continues to this day A true family saga played out against the backdrop of Florence's celebrated Villa La Pietra The struggle over the billion dollar estate of one of the 20th century's most notable aesthetes Harold Acton pitted New York University against first Liana Beacci Acton's illegitimate half sister and since her death in 2000 her daughter Princess Dialta Alliata di Montereale who lives in Honolulu It began its progress through the Italian legal system soon after Acton's death in 1994 with more downs than ups for the family But a recent reworking of Italian inheritance laws to make them internally coherent and to bring them into accord with European protocols promises a dramatic conclusion and sooner rather than later It was always a story in which reality was more colourful than fiction You will find it in *My Mother My Father and His Wife Hortense The True Story of the Villa La Pietra* Amazon a vivid book by Dialta published under her family name Dialta Lensi Orlandi who is now Princess Dialta di Montereale In fifty chapters against the historical and social backdrop of art glamour war and international intrigue the lives of the Beaccis and the Actons are woven together through the eyes of a third generation family member Dialta Lensi Orlandi granddaughter of Arthur Acton and daughter of Liana Beacci The tale encompasses the fate of Acton's estate an appalling betrayal and the continuing fight to restore justice and dignity to Acton's legacy and the Beacci family name Arthur Acton Dialta's grandfather was an art dealer married to Hortense Mitchell a Chicago heiress but who came to dislike both art and her husband's home in Florence Dialta's mother was born to Arthur Acton's lifelong mistress Ersilia Her half brother Harold Acton the model for Anthony Blanche in Evelyn Waugh's *Brideshead Revisited* and who had been host at La Pietra to Princess Diana and Pablo Picasso was acquainted with his relations and tried to thwart their inheritance In 2003 the court of Florence allowed the bodies of Liana and Arthur to be dug up for DNA tests These established with the highest degree of probability that Liana was Arthur Acton's daughter and a surprise ending    *The Villas Of Lucca* Cristina Acidini Luchinat, Gilberto Bedini, 2004 Not only a photographic revelation of the residential treasures of Lucca but an exploration of the artistic and cultural heritage of the region    ReSignifications Awam Amkpa, 2016 *ReSignifications* links classical and popular representations of
