Emerton, 2019-01-18 Jim Emerton is one of the most respected figures in pigeon racing having bred and raced birds for 40
years and had birds return to the loft from as far as 879 miles away Now he writes on the subject for magazines and websites
sharing his expertise and his musings with all who enjoy this absorbing hobby This comprehensive collection of his writings
on pigeons covers everything from feed regimes and choosing stock to his experiences with racing from many exotic
locations around the world We are a motley crew of mad monks illuminated by a shared dream It is an extension of the old
traditional values of the old sage pipe in mouth corn tin in hand sunning himself in a deckchair in his rose garden That is how
the iconic birds in folklore and history were raced *Long-Distance Pigeon Racing* John Clements, 2013-08-01 This
authoritative book is aimed particularly at those who participate in racing pigeons at distances of over five hundred miles but

will be of value to all pigeon fanciers John Clements succeeds in making the reader view the humble pigeon in a different light and ensures that he or she gains a deeper appreciation of the enormous joy and satisfaction that can be gained from long distance pigeon racing Contains detailed accounts of interviews with the owners of nine top British and Continental lofts involved in long distance pigeon racing The interviews cover a wide range of important issues including the acquisition of stock the treatment of young birds and yearlings feed health and immunity Other subjects covered include loft management cleaning construction and ventilation the pairing and exercising of the birds the systems used widowhood on the nest or both race preparation and many other subjects Well illustrated with over 170 colour photographs pedigree charts and postcards This easily accessible informative and analytical book is essential reading for pigeon fanciers everywhere The objective of the book is to make the reader look at the humble pigeon in a different light and gain satisfaction from the joy of long distance racing Provides fascinating accounts of interviews with the owners of nine successful lofts John Clements is a dedicated commentator on long distance pigeon racing an enthusiastic supporter of international racing and has a regular weekly column in British Homing World The Sport of Pigeon Racing W. Anderson,2015-05-06 This vintage book contains a comprehensive guide to racing pigeons with information on breeding pigeon types notable historical fanciers housing nutrition and much more The Sport Of Pigeon Racing is highly recommended for those with a serious interest in the sport and is not to be missed by collectors of vintage literature of this ilk Contents include Pigeon Racing The Armadale Lofts My First Visit to Belgium Leading Belgian Fanciers English Fanciers I Have known and Visited A Method of Founding a Loft of Racing Pigeons Notes on Racing Pigeon Types with Special Reference to Superficial Anatomy et cetera Many vintage books such as this are becoming increasingly rare and expensive We are republishing this vintage book now in an affordable modern high quality edition complete with a specially commissioned new introduction on pigeons *The Racing Pigeon and Pigeon Racing for All - Vol. I.* Old Hand,2015-05-06 This vintage book contains a detailed guide to keeping and breeding racing pigeons with information on selection feeding housing nutrition common ailments training and other related aspects Profusely illustrated and full of useful information this book is highly recommended for those with a practical interest in racing pigeons and would make for a fantastic addition to collections of allied literature Contents include The Dawn of Pigeon Racing Art of Breeding The Practical Selection of Breeders Breeding a Champion Colour Breeding Breeding Grizzlies Practical Breeding et cetera Many vintage books such as this are becoming increasingly rare and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new introduction on pigeons *Secrets of Long-Distance Pigeon Racing "Squills"*,2011-03-24 Originally published in the early 1930s The author Lt Col A H Osman was a recognised expert on all aspects of pigeon racing and breeding This book was originally written in answer to the many questions he received relating to getting birds fit and their training and preparation for long distance racing The illustrated contents include Importance of Strain Young Birds Yearlings

Third Season Pigeons Old Birds Late Birds Feeding Exercise etc Many of the earliest books on pigeons particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Home Farm Books are republishing many of these classic works in affordable high quality modern editions using the original text and artwork

Pigeon Racing Herbert R. Axelrod, 2012-12-01 This vintage text contains a comprehensive guide to racing pigeons with information on training feeding housing showing breeding and much more This complete and timeless guide will be of considerable utility to both prospective and existing fanciers and would make for a wonderful addition to collections of related literature The chapters of this book include The Pigeon s History The Loft Keeping the Loft Clean The Pigeon Feeding The Breeding Season The Moults Colors Teaching the Young Bird Cooped Young Bird Racing The Club Old Bird Racing Winning Systems etcetera This book is being republished now in an affordable modern edition complete with a new biography of the author

A Very British Coop Mark Collings, 2013-08 Meet Les Green Head of the most potent pigeon racing team in the UK known in pigeon racing circles as The Mafia A sharp tongued quick witted ex gang member from Salford who now devotes his life to breeding and racing pigeons that are as swift and consistent as the expletives that fly from his own foul mouth The RPRA Royal Pigeon Racing Association an organization filled with ex brigadiers sees Les and his lads as a bunch of Northern upstarts out to make trouble Given the chance and if they weren t so damn good the RPRA would ban them from competing This conflict forms the backdrop as we follow Les from his legendary coop in North Manchester to the National Pigeon Racing convention in Blackpool on to the 250 000 Las Vegas classic and finally to take part in the ultimate pigeon race the 1 million bonanza in Sun City South Africa A Very British Coop is the story of Les and his team trying to defy the odds and drag pigeon racing into the 21st century meanwhile pursuing the ultimate feathered flying prize It is also the first insight into a global pursuit which blurs hobby and sport sees pigeons flown first class round the world before changing hands for over 100 000 and where grown men will stop at nothing to see their bird flying into sight first

 racing pigeons Learn about breeds loft setup nutrition health training racing breeding and the business side of pigeon racing
 Discover advanced techniques troubleshoot common problems and get inspired by success stories **Pigeon Man Jim**
 Emerton, 2019-01-18 Jim Emerton bred and raced birds for 40 years and had birds return to the loft from as far as 879 miles
 away Now in retirement from active racing he devotes his time and energies to sharing his experiences his observations and
 his expertise with the rest of the fancy Here in one volume is a comprehensive collection of his thoughts about pigeons and
 pigeon racing ranging from short pieces originally written for the leading fanciers magazines to full length articles and
 interviews What unites us in principle is the common good of the sport and with this in mind I do what I can for others it all
 oils the cogs of the sport Some will see me as a know all yet I am a quiet little man making my mark that s all What is true is
 that I have made a life study of pigeons and as a teacher I like to impart knowledge and experience My aim is purely to tell it
 as it is to me and if this is illuminating to others then so be it **Pigeon Racing** Dacian Busecan, 2015-05-01 First i would
 like to congratulate you in taking this beautiful sport and welcome you in the world of pigeon racing Some people say that
 once you are in you will never want to get out of it and i totally agree with this statement Pigeon racing is a sport spread
 world wide and has absolutely no age limit Young or old men or women they ve all been conquered for life by this majestic
 one of kind creatures we call racing pigeons Their intelligence and capabilities to return home from short or extreme long
 distances made them favourite animals for millions of people around the globe Kings and queens wealthy or hard working
 men along the history enjoyed their presence and called them friends companions and heroes The beauty of this sport is that
 everything can be learned about it we do not have to be born with a phenomenal talent to achieve the highest performances
 This unique sport will bring in the life of any fancier the thrill and pleasure he has never experienced before the joy of
 winning a race The many aspects of this sport will offer unique and beautiful experiences to the new fancier and also the
 chance to make friends all over the world which is by far the most important one After more then 30 years on this beautiful
 sport there is one very important thing that i have learned It is important to win the first place but more important is with
 how many people do you enjoy it as he who won the first place and has no friends around him will be just a lonely winner
 Dacian Busecan I can only hope that this advice will always guide you in your racing pigeons career and i welcome you in the
 beautiful world of pigeon racers From this 136 pages black Introduction The loft The floor Heated Flooring The Walls The

Associations around the globeMore from the author **American Pigeon Journal** ,1922 Pigeon Racing News and
Gazette ,1972 *Superdove* Courtney Humphries,2009-10-13 Why do we see pigeons as lowly urban pests and how did they
become such common city dwellers Courtney Humphries traces the natural history of the pigeon recounting how these shy
birds that once made their homes on the sparse cliffs of sea coasts came to dominate our urban public spaces While detailing
this evolution Humphries introduces us to synanthropy The concept that animals can become dependent on humans without
ceasing to be wild they can adapt to the cityscape as if it were a field or a forest Superdove simultaneously explores the
pigeon s cultural transformation from its life in the dovecotes of ancient Egypt to its service in the trenches of World War I to
its feats within the pigeon racing societies of today While the dove is traditionally recognized as a symbol of peace the pigeon
has long inspired a different sort of fetishistic devotion from breeders eaters and artists and from those who recognized and
exploited the pigeon s astounding abilities Because of their fecundity pigeons were symbols of fertility associated with
Aphrodite while their keen ability to find their way home made them ideal messengers and even pilots Their usefulness
largely forgotten today s pigeons have become as ubiquitous and reviled as rats But Superdove reveals something more
surprising By using pigeons for our own purposes we humans have changed their evolution And in doing so we have helped
make pigeons the ideal city dwellers they are today In the tradition of Rats the book that made its namesake rodents famous
Superdove is the fascinating story of the pigeon s journey from the wild to the city the home they ll never leave

American pigeon journal ,1924 **Homing** Jon Day,2019-06-13 A SPECTATOR BOOK OF THE YEAR Longlisted for
the William Hill Sports Book of the Year Rich and joyous The book s quiet optimism about our ability to change and to learn
to love small things passionately will stay with me for a long time Helen Macdonald Big hearted and quietly gripping
Guardian I love Jon Day s writing and his birds A marvellous soaring account Olivia Laing A beautiful book about unbeautiful
birds Observer This is nature writing at its best Financial Times Awash with historical and literary detail and moving
moments Wonderful Telegraph Every page of this beautifully written book brought me pleasure Charlotte Higgins A vivid
evocation of a remarkable species and a rich working class tradition It s also a charming defence of a much maligned bird
which will make any reader look at our cooing waddling junk food loving feathered friends very differently in future Daily
Mail Endlessly interesting and dazzlingly erudite this wonderful book will make a home for itself in your heart Prospect As a
boy Jon Day was fascinated by pigeons which he used to rescue from the streets of London Twenty years later he moved away
from the city centre to the suburbs to start a family But in moving house he began to lose a sense of what it meant to feel at

home Returning to his childhood obsession with the birds he built a coop in his garden and joined a local pigeon racing club Over the next few years as he made a home with his young family in Leyton he learned to train and race his pigeons hoping that they might teach him to feel homed Having lived closely with humans for tens of thousands of years pigeons have become powerful symbols of peace and domesticity But they are also much maligned and nowadays most people think of these birds if they do so at all as vermin A book about the overlooked beauty of this species and about what it means to dwell Homing delves into the curious world of pigeon fancying explores the scientific mysteries of animal homing and traces the cultural political and philosophical meanings of home It is a book about the making of home and making for home a book about why we return

This is likewise one of the factors by obtaining the soft documents of this **Pigeon Racing** by online. You might not require more become old to spend to go to the ebook opening as with ease as search for them.
