Piggy Sneed:

Trying to Save Piggy Sneed John Irving, 2016-02-02 A commemorative hardcover edition of the only collection ever published of the celebrated novelist's shorter works. Here is a treat for devoted fans of John Irving. First published twenty years ago, *Trying to Save Piggy Sneed* contains a dozen short works by the author, beginning with three memoirs. The longest of the memoirs is *The Imaginary Girlfriend*, his candid account of his twin careers in writing and wrestling, which, as the *Denver Post* observed, is filled with anecdotes that are every bit as hilarious as the antics in his novels and combines the lessons of both obsessions. The middle portion of the book is fiction. Over a career that spans thirteen novels, these are the six stories that Mr. Irving considers finished. Among them is *Interior Space*, for which he won the O. Henry Award. In the third and final section are three homages: one to G. Vinter Grass and two to Charles Dickens. To each of the twelve pieces, he has contributed the author's notes, which provide some perspective on the circumstances surrounding the writing of each piece. For readers who prefer a hardcover, this commemorative edition is a book to treasure. For new readers, it is a perfect introduction to the author of works as moving and mischievous as *The World According to Garp*, *A Prayer for Owen Meany*, and *In One Person*. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore, and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

In One Person John Irving, 2012 Billy, a solitary bisexual man, is dedicated to making himself worthwhile. **Last Night in Twisted River** John Irving, 2009-10-27 In 1954, in the cookhouse of a logging and sawmill settlement in northern New Hampshire, an anxious twelve-year-old boy mistakes the local constable's girlfriend for a bear. Both the twelve-year-old and his father become fugitives, forced to run from Coos County to Boston to southern Vermont to Toronto, pursued by the implacable constable. Their lone protector is a fiercely libertarian logger, once a river driver who befriends them. In a story spanning five decades, *Last Night in Twisted River* depicts the recent half-century in the United States as a living replica of Coos County, where lethal hatreds were generally permitted to run their course. What further distinguishes *Last Night in Twisted River* is the author's unmistakable voice, the inimitable voice of an accomplished storyteller. *Trying to Save Piggy Sneed* John Irving, 2005 *Trying to Save Piggy Sneed* John Irving, 1982 *Avenue of Mysteries* John Irving, 2016-01-14 Juan Diego's little sister is a mind reader. As a teenager, he struggles to keep anything secret. Lupe knows all the worst things that go through his mind. And sometimes she knows more. What a terrible burden it is to know or to think you know your future or worse, the future of someone you love. What might a young girl be driven to do if she thought she had the power to change what lies ahead? Later in life, Juan Diego embarks on a journey to fulfill a promise he made in his youth. It is a long

story and it has long awaited an ending but Juan Diego is unable to write the final chapters This is the story of what happens when the future collides with the past **A Son of the Circus** John Irving,2009-09-23 A Hindi film star an American missionary a pair of twins separated at birth a diminutive chauffeur and a serial killer collide in a riotous novel by the author of *The World According to Garp* His most entertaining novel since *Garp* The New York Times Book Review *A Son of the Circus* is comic genius get ready for John Irving s most raucous novel to date The Boston Globe Dr Farrokh Daruwalla reared in Bombay by maverick foes of tradition educated in Vienna married to an Austrian and long a resident of Toronto is a 59 year old without a country culture or religion to call his own The novel may not be about India but Irving s imagined India which Daruwalla visits periodically is a remarkable achievement a pandemonium of servants and clubmen dwarf clowns and transvestite whores missionaries and movie stars This is a land of energetic colliding egos of modern media clashing with ancient cultures of broken sexual boundaries New York Newsday His most daring and most vibrant novel The story of circus as India is told with gusto and delightful irreverence Bharati Mukherjee The Washington Post Book World Ringmaster Irving introduces act after act until three or more rings are awhirl at a lunatic pace He spills characters from his imagination as agilely as improbable numbers of clowns pile out of a tiny car His Bombay and his Indian characters are vibrant and convincing The Wall Street Journal Irresistible powerful Irving s gift for dialogue shines Chicago Tribune **BONUS** This edition contains an excerpt from John Irving s *In One Person* **Trying to Save Piggy Sneed** ,2004 **The Imaginary**

an otherworldly imagination and uncanniness In these twelve stories Murata mixes an unusual cocktail of humor and horror to portray both the loners and outcasts as well as turning the norms and traditions of society on their head to better question them Whether the stories take place in modern day Japan the future or an alternate reality is left to the reader's interpretation as the characters often seem strange in their normality in a frighteningly abnormal world In *A First Rate Material* Nana and Naoki are happily engaged but Naoki can't stand the conventional use of deceased people's bodies for clothing accessories and furniture and a disagreement around this threatens to derail their perfect wedding day *Lovers on the Breeze* is told from the perspective of a curtain in a child's bedroom that jealously watches the young girl Naoko as she has her first kiss with a boy from her class and does its best to stop her *Eating the City* explores the strange norms around food and foraging while *Hatchling* closes the collection with an extraordinary depiction of the fractured personality of someone who tries too hard to fit in In these strange and wonderful stories of family and friendship sex and intimacy belonging and individuality Murata asks above all what it means to be a human in our world and offers answers that surprise and linger
