A Rainy Day for Piglet Kathleen Weidner Zoehfeld, 2007 *The Good Good Pig* Sy Montgomery, 2006-05-30 In loving yet unsentimental prose Sy Montgomery captures the richness that animals bring to the human experience Sometimes it takes a too smart for his own good pig to open our eyes to what most matters in life John Grogan author of *Marley* for he was as a friend said a great big Buddha master Sy reveals what she and others learned from this generous soul who just so happened to be a pig lessons about self acceptance the meaning of family the value of community and the pleasures of the sweet green Earth *The Good Good Pig* provides proof that with love almost anything is possible *Piglet is Surrounded by Water* Alan Alexander Milne, 1999 Find out who will rescue Piglet from a terrible flood in this delightful full color board book story which ends with a gentle mystery that can only be solved by putting together the 12 piece puzzle **From the Inside Out** Royden Loewen, 1999-10-12 Historian Royden Loewen has brought together selections from diaries kept by 21 Mennonites in Canada between 1863 and 1929 some translated from German for the first time By skillfully comparing and contrasting a wide cross section of lives Loewen shows how these diaries often turn the hidden contours of household and community inside out The writers featured were ordinary rural people young women and grandmothers rural preachers and landless householders They include a teenaged boy who immigrated from Russia to Manitoba in 1875 as well as a successful merchant a traveling evangelist and a devout conservative church elder An elderly grandfather recounted the daily circuit of his children's homes while 19 year old Marie Schoeder wrote of her literary aspirations her secret hope that some day she would write things that have a real worth things that are worth printing and things that other folks would love to read and pay for *From the Inside Out* also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community's social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people
