

Pilgrimage And The Jews

Jerold S. Auerbach

Pilgrimage And The Jews:

Pilgrimage and the Jews David M. Gitlitz, Linda Kay Davidson, 2006 The history and breadth of Jewish pilgrimage traditions is rich and varied Here Gitlitz and Davidson tell the fascinating and sometimes harrowing story of Jewish pilgrimage from the beginnings of Judaism to the present time They trace the history of Jewish pilgrimage and show how the repeated cycles of exile and return to Israel serve the Jews as a kind of pilgrimage in reverse This lively account is sure to appeal to anyone interested in religious pilgrimage tourism and travel From Jerusalem and the Mt of Olives to the tombs of King David Rachel and Joseph from Galilee to Curacao Jewish pilgrims seek out spiritual transcendence a return to their roots communion with those who have gone before and connection to their common heritage as they visit holy shrines important synagogues around the world Nazi death camps and the graves of leaders among other holy places But what makes these places holy And what purpose do the pilgrimages serve How has recent unrest in the Middle East contributed to or detracted from modern Jewish pilgrimage and its future These questions and others are answered in these pages

Pilgrimage and Pogrom Mitchell B. Merback, 2012 No further information has been provided for this title *Yehuda Halevi* Joseph Yahalom, 2009 This book follows the life story of the greatest Hebrew poet of medieval times from his first publication in Christian Toledo to his heroic journey toward Zion from Muslim Spain The description is based for the first time on the entire collection of his poetry The Diwan which was edited and re edited between East and West at every important crossroad of his life This in turn is done through comparison to autographical letters and contemporary correspondence discovered and collected over the past 50 years in the Cairo Geniza collections Documentary material and Literary works which were shun behind the iron wall in The Russian National Library in St Petersburg are woven for the first time into one enabling us to examine closely the intricate relationship between old Jewish traditions and the ideological heritage associated with Halevi s innovative writings in prose and in poetry Confronting Halevi s Zion will thou not ask opens the study which is mainly concerned with the story of Halevi s odyssey from Christian to Muslim Spain and eventually to Egypt including the epic quest to the beloved yet fatal Zion **Four Paths to Jerusalem** Hunt Janin, 2015-08-13 Jerusalem has long been one of the most sought after destinations for the followers of three world faiths and for secularists alike For Jews it has the Western Wailing Wall for Christians it is where Christ suffered and triumphed for Muslims it offers the Dome of the Rock and for secularists it is an archeological challenge and a place of tragedy and beauty This work concentrates on Jewish Christian Muslim and secular pilgrimages to Jerusalem over the last three millennia drawing from over 165 accounts of travels to the ancient city Chapters are devoted to ghostly and other pilgrims the significance of Jerusalem the beginnings of the pilgrimage in the time of kings David and Solomon pilgrimages under Roman and Byzantine rule Christian and Muslim pilgrimages in the early Islamic period pilgrimages in the First Crusade and its aftermath more crusades and pilgrims during the Ayyubid and Mamluk dynasties pilgrimages under Ottoman rule pilgrimages under the British and Israelis and the unity

among pilgrims and the symbolism of the journey *Above the Death Pits, Beneath the Flag* Jackie Feldman, 2008-04-01 Israeli youth voyages to Poland are one of the most popular and influential forms of transmission of Holocaust memory in Israeli society Through intensive participant observation group discussions student diaries and questionnaires the author demonstrates how the State shapes Poland into a living deathscape of Diaspora Jewry In the course of the voyage students undergo a rite de passage in which they are transformed into victims victorious survivors and finally witnesses of the witnesses By viewing touching and smelling Holocaust period ruins and remains by accompanying the survivors on the sites of their suffering and survival crying together and performing commemorative ceremonies at the death sites students from a wide variety of family backgrounds become carriers of Shoah memory They come to see the State and its defense as the romanticized answer to the Shoah These voyages are a bureaucratic response to uncertainty and fluidity of identity in an increasingly globalized and fragmented society This study adds a measured and compassionate ethical voice to ideological debates surrounding educational and cultural forms of encountering the past in contemporary Israel and raises further questions about the representation of the Holocaust after the demise of the last living witnesses **Art of Estrangement** Pamela Anne Patton, 2012 Examines the influential role of visual images in reinforcing the efforts of Spain's Christian ruled kingdoms to renegotiate the role of their Jewish minority following the territorial expansions of the twelfth and thirteenth centuries Provided by publisher **Our Father Abraham** Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church Our Father Abraham delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of Our Father Abraham features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end **The Jerusalem Temple in Diaspora: Jewish Practice and Thought during the Second Temple Period** Jonathan Trotter, 2019-06-24 In The Jerusalem Temple in Diaspora Jonathan Trotter shows how different diaspora Jews

perspectives on the distant city of Jerusalem and the temple took shape while living in the diaspora an experience which often is characterized by complicated senses of alienation from and belonging to an ancestral homeland and one's current home This book investigates not only the perspectives of the individual diaspora Jews whose writings mention the Jerusalem temple Letter of Aristeas Philo of Alexandria 2 Maccabees and 3 Maccabees but also the customs of diaspora Jewish communities linking them to the temple such as their financial contributions and pilgrimages there **Hebron Jews** Jerold S. Auerbach, 2009-07-16 Hebron Jews explores the history of the Jews of Hebron the oldest and now most vilified and controversial Jewish community in the world Spanning three thousand years from the biblical narrative of Abraham's purchase of a burial cave for Sarah to the violent present it offers a controversial analysis of a community located at the crossroads of the Israeli Palestinian struggle over national boundaries and the internal Israeli struggle over the meaning Jewish statehood **Living in Silverado** David M. Gitlitz, 2019-10-01 In this thoroughly researched work David M Gitlitz

traces the lives and fortunes of three clusters of sixteenth century crypto Jews in Mexico's silver mining towns Previous studies of sixteenth century Mexican crypto Jews focus on the merchant community centered in Mexico City but here Gitlitz looks beyond Mexico's major population center to explore how clandestine religious communities were established in the realia the hinterland mining camps and how they differed from those of the capital in their struggles to retain their Jewish identity in a world dominated economically by silver and religiously by the Catholic Church In Living in Silverado Gitlitz paints an unusually vivid portrait of the lives of Mexico's early settlers Unlike traditional scholarship that has focused mainly on macro issues of the silver boom Gitlitz closely analyzes the complex workings of the haciendas that mined and refined silver and in doing so he provides a wonderfully detailed sense of the daily experiences of Mexico's early secret Jews

Jewish Passages Harvey E. Goldberg, 2003-10-17 Goldberg's breadth of knowledge is particularly impressive Here is a scholar who has read everything and has produced a rich first rate book that is both comprehensive and accessible making Jewish customs meaningful even to non specialists A scholarly achievement that is also a great bar mitzvah gift with tremendous value for anyone in Jewish Studies including rabbis and members of synagogue study groups Jack Kugelmass Irving and Miriam Lowe Professor and Director Jewish Studies Program at Arizona State University Sweeping in its reach and richly informative in its details Jewish Passages offers a treasury of wonderfully interesting information This is a work that will not be lost Samuel C Heilman author of *When a Jew Dies* *A Drizzle of Honey* David M. Gitlitz, Linda Kay Davidson, 1999 When Iberian Jews were converted to Catholicism under duress during the Inquisition many struggled to retain their Jewish identity in private while projecting Christian conformity in the public sphere To root out these heretics the courts of the Inquisition published checklists of koshering practices and grilled the servants neighbors and even the children of those suspected of practicing their religion at home From these testimonies and other primary sources Gitlitz Davidson have drawn a fascinating award winning picture of this precarious sense of Jewish identity and have re created these recipes

which combine Christian Islamic traditions in cooking lamb beef fish eggplant chickpeas and greens and use seasonings such as saffron mace ginger and cinnamon The recipes and the accompanying stories of the people who created them promise to delight the adventurous palate and give insights into the foundations of modern Sephardic cuisine

The Invention of the Land of Israel Shlomo Sand,2012-11-20 This groundbreaking work deconstructs the age old legends surrounding the Holy Land of Israel and the prejudices that continue to suffocate it What is a homeland and when does it become a national territory Why have so many people been willing to die for them throughout the 20th century What is the essence of the Promised Land Following the acclaimed and controversial Invention of the Jewish People Shlomo Sand examines the mysterious sacred land that has become the site of the longest running national struggle of the 20th century Sand s account dissects the concept of historical right and tracks the invention of the modern geopolitical concept of the Land of Israel by 19th century Evangelical Protestants and Jewish Zionists This invention he argues not only facilitated the colonization of the Middle East and the establishment of the State of Israel it is also what is threatening the existence of the Jewish state today

Judaism in the Roman World Martin Goodman,2007 These collected studies previously published in diverse places between 1990 and 2006 discuss important and controversial issues in the study of the development of Judaism in the Roman world from the first century C E to the fifth

Embers of Pilgrimage Eitan P. Fishbane,2021-06 The poems in Eitan Fishbane s Embers of Pilgrimage reflect a religious sensibility at the same time very modern and very ancient very traditional and very personal very Jewish but also very ecumenical very deep but also very accessible They are completely original nobody else in the world could have written them but everybody will recognize in them something true something they might have been on the verge of thinking but would never have reached otherwise With exquisite sensitivity they capture suggestions and half thoughts those things you can t see when you look directly at them but can see obliquely the way you can only see certain stars in your peripheral vision John Burt Ph D Chair Department of English Paul E Prosswimmer Professor of American Literature Brandeis University

Passover & Sukkot Thomas H. Perdue,2011-09-27 Passover Sukkot Forever explains the adoption of Constantine s Counsel of Nicene in 325 CE of Pagan Christmas and Easter in the Christian faith and why those holidays celebrated in all Christian faith denominations should not be celebrated The work discusses why Passover should be recognized and will be ongoing forever and the Festival of Sukkot is the celebration and honoring of the birth of our Lord Written to show that Easter and Christmas are never mentioned in the Bible yet our churches today are celebrating Christmas as Christs birthday when it can be shown that Christ was born at an earlier time of the year In fact Christmas was not even introduced to America until the middle of the 19th Century

Pilgrimage and Holy Space in Late Antique Egypt David Frankfurter,2015-08-27 This volume deals with the origins and rise of Christian pilgrimage cults in late antique Egypt Part One covers the major theoretical issues in the study of Coptic pilgrimage such as sacred landscape and shrines catchment areas while Part Two examines native Egyptian and Egyptian Jewish pilgrimage

practices Part Three investigates six major shrines from Philae's diverse non-Christian devotees to the great pilgrim center of Abu Mina and a Thecla shrine on its route Part Four looks at such diverse pilgrims' rites as oracles, chant and stational liturgy while Part Five brings in Athanasius's and an anonymous hagiographer's perspectives on pilgrimage in Egypt The volume includes illustrations of the Abu Mina site pilgrims' ampules from the Thecla shrine as well as several maps

Pilgrimage and Tourism to Holy Cities Maria Leppakari, Kevin A Griffin, 2016-11-30 This book covers the ideological motives and religious perceptions behind travel to sites prescribed with sanctity in Judaism, Christianity and Islam It covers sites that have drawn pilgrims and religious tourists to them for hundreds of years and seeks to provide an understanding of the complex world of religiously motivated travel Beginning with contemporary perspectives of pilgrimage across these religions it then discusses management aspects such as logistics, infrastructure, malevolent behaviour and evangelical volunteers Written by subject experts this book addresses cultural sustainability for researchers and practitioners within religious tourism religious studies, geography and anthropology

Aphrodite and the Rabbis Burton L. Visotzky, 2016-09-13 Hard to believe but true The Passover Seder is a Greco-Roman symposium banquet The Talmud rabbis presented themselves as Stoic philosophers Synagogue buildings were Roman basilicas Hellenistic rhetoric professors educated sons of well-to-do Jews Zeus, Helios is depicted in synagogue mosaics across ancient Israel The Jewish courts were named after the Roman political institution the Sanhedrin In Israel there were synagogues where the prayers were recited in Greek Historians have long debated the rebirth of Judaism in the wake of the destruction of Jerusalem and the Temple cult by the Romans in 70 CE What replaced that sacrificial cult was at once something new, indebted to the very culture of the Roman overlords even as it also sought to preserve what little it could of the old Israelite religion The Greco-Roman culture in which rabbinic Judaism grew in the first five centuries of the Common Era nurtured the development of Judaism as we still know and celebrate it today Arguing that its transformation from a Jerusalem-centered cult to a world religion was made possible by the Roman Empire Rabbi Burton Visotzky presents Judaism as a distinctly Roman religion Full of fascinating detail from the daily life and culture of Jewish communities across the Hellenistic world **Aphrodite and the Rabbis** will appeal to anyone interested in the development of Judaism, religion, history, art and architecture

Tours That Bind Shaul Kelner, 2012 Winner 2010 Association for Jewish Studies Jordan Schnitzer Book Award 2011 Honorable Mention for the American Sociological Association Culture Section's Mary Douglas Prize for Best Book Since 1999 hundreds of thousands of young American Jews have visited Israel on an all-expense-paid 10-day pilgrimage tour known as Birthright Israel The most elaborate of the state-supported homeland tours that are cropping up all over the world this tour seeks to foster in the American Jewish diaspora a lifelong sense of attachment to Israel based on ethnic and political solidarity Over a half-billion dollars and counting has been spent cultivating this attachment and despite 9/11 and the ongoing Israeli-Palestinian conflict the tours are still going strong Based on over seven years of first-hand observation in modern-day Israel Shaul Kelner provides an on-the-ground look at this hotly

debated and widely emulated use of tourism to forge transnational ties We ride the bus attend speeches with the Prime Minister hang out in the hotel bar and get a fresh feel for young American Jewish identity and contemporary Israel We see how tourism's dynamism coupled with the vibrant human agency of the individual tourists inevitably complicate tour leaders' efforts to rein tourism in and bring it under control By looking at the broader meaning of tourism Kelner brings to light the contradictions inherent in the tours and the ways that people understand their relationship to place both materially and symbolically Rich in detail engagingly written and sensitive to the complexities of modern travel and modern diaspora Jewishness Tours that Bind offers a new way of thinking about tourism as a way through which people develop understandings of place society and self

Enjoying the Song of Appearance: An Mental Symphony within **Pilgrimage And The Jews**

In a world eaten by monitors and the ceaseless chatter of quick interaction, the melodic beauty and psychological symphony created by the prepared word often fade in to the background, eclipsed by the persistent sound and disruptions that permeate our lives. But, set within the pages of **Pilgrimage And The Jews** a wonderful fictional prize full of organic emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, this captivating masterpiece conducts viewers on a psychological trip, well unraveling the concealed tunes and profound influence resonating within each carefully constructed phrase. Within the depths with this emotional review, we shall discover the book is central harmonies, analyze its enthralling publishing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
