At the end of the path, a bright, glowing light emanates from the trees, creating a strong backlight effect. The person is wearing a light-colored long-sleeved shirt and dark pants.

## **Pilgrimage Of The Heart Finding Your Way Back To God:**

**Pilgrimage of the Heart** Bill Henegar, 1995 We all crave to draw closer to God Life's demands seem to draw us far from Him You can find your way back to God Let Bill Henegar help you find the path You can have a close relationship with your Creator This book will give you the motivation and tools to accomplish it      **Drawing Near to the Heart of God** Cynthia Heald, 2012 Previously published Woman's journey to the heart of God Nashville T Nelson c1997      **Pilgrim Heart** Sarah York, 2001-04-02 In Pilgrim Heart The Inner Journey Home we see that pilgrimage is not just a literal journey or simply a spiritual metaphor but rather an inspiring path toward greater self understanding Whether sharing the experience of her own pilgrimages to Nepal Thailand and the Celtic island of Iona Scotland or recounting the stories of others spiritual journeys Sarah York reveals to us how the cultural and physical discomforts of travel can lead to profound personal change Beyond the going forth that pilgrimage demands there is also the process of returning more at peace and at home with ourselves To be a pilgrim means to have our hearts open to the struggle of being human and to allow that struggle to change us no matter where our lives take us Meet Sarah York Click here to see if Sarah York site      **Journey to the Heart** Kim Nataraja, 2012 A comprehensive fully illustrated overview of Christian spirituality from Jesus up to the present day The contemplative tradition in Christianity traces its origins back to Mt Carmel the prophet Elijah's mountain top place of encounter with divine power In the Gospels we frequently read that Jesus withdrew to quiet places to pray These biblical precedents have inspired a tradition of contemplation through the centuries and this remarkable book reveals the life and teachings of the great spiritual teachers and Christian mystics including St John Origen St Benedict Julian of Norwich St John of the Cross Meister Eckhart and modern day mystics like Thomas Merton Simone Weil Etty Hillesum Bede Griffiths and John Main The contributors themselves offer an array of leading spiritual writers including Laurence Freeman Esther de Waal Kallistos Ware Shirley du Boulay and many more      **3000 Miles to Jesus** Lisa Deam, 2021-02-02 Propelled by a desire for the sacred spiritual seekers of the Middle Ages were masters of pilgrimage dedicated to their journeys of religious devotion Their epic voyages took them across continents and treacherous mountain passages and were undertaken with a keen awareness of the possible perils of the journey Still by faith they went on pilgrimage in hopes of tracing the steps of Jesus in the holy city of Jerusalem In 3000 Miles to Jesus Lisa Deam invites us to embrace the adventure of spiritual pilgrimage in our everyday lives Bringing alive the rich stories of medieval pilgrims she offers an intimate look at these quests for the sacred helping us draw rich application for our walks of faith today To take this road we won't have to give up flushing toilets warm beds or cell phones But we are invited to travel the rugged terrain of faith journeying in risk and adventure through unfamiliar territory across the unknown seas of the spiritual life meeting life's difficult passages of loss accompanied by the temptation to turn back even as we march on In meeting challenges in the wise company of the ancient pilgrims we learn hope and resolve as we walk a wild and wonderful way to a city that shimmers beyond a horizon we cannot yet see We are

headed for the Jerusalem of our hearts When we understand the risks taken and the courage and conviction driving the medieval pilgrim a bigger picture of a lifelong journey of faith comes into view We are opened up to the sacred world before us in new and unexpected ways     **In Search of Deep Faith** Jim Belcher,2013-11-19 Follow pastor Jim Belcher and his family as they take a pilgrimage through Europe seeking substance for their faith in Christianity s historic civilizational home What they find in places like Lewis s Oxford and Bonhoeffer s Germany are glimpses of another kind of faith one with power to cut through centuries and pierce our hearts today     The Spirit-Led Leader Timothy C. Geoffrion,2005-11-14 In our postmodern experience oriented culture people are longing for greater authenticity integrity and depth in their pastors and leaders Board directors church members and staff alike are all eagerly seeking leaders who effectively integrate their spirituality and leadership Pastors and executives however often struggle with knowing how to integrate their spiritual values and practices into their leadership and management roles Designed for pastors executives administrators managers coordinators and all who see themselves as leaders and who want to fulfill their God given purpose *The Spirit Led Leader* addresses the critical fusion of spiritual life and leadership for those who not only want to see results but who also desire to care just as deeply about who they are and how they lead as they do about what they produce and accomplish Geoffrion creates a new vision for spiritual leadership as partly an art partly a result of careful planning and always a working of the grace of God     *Knowing God through Journey and Pilgrimage* Seung Yeal Lee,2011-04-01 The Hebrew Christian Scriptures include many allusions to pilgrimage customs and practices yet the information is scattered and requires a considerable amount of reconstruction It is posited that the pilgrimage paradigm including the journey motif has influenced the thought patterns of the writers of both the Old and New Testaments To follow Jesus journey to Jerusalem on the three feasts of pilgrimage in Luke Acts and John and their relevance to the way he revealed himself and taught his disciples this work begins with the creation and patriarchal narratives examining how the pilgrimage paradigm relates to discipleship Reviewing the history of the people of God including the Exodus the Exile and restoration this book establishes the significance of pilgrimage as a paradigm for Israel that eventually shapes Judaism Seung Y Lee points us to a neglected fact that the three feasts of pilgrimage have developed their own characters and meanings for the momentous events in the history of Israel and both Luke Acts and John reflect the significance of the pilgrimage paradigm for Jesus self understanding and his teaching     *Inner River* Kyriacos C. Markides,2012-03-06 With his engaging blend of travelogue conversations with a wise and charismatic spiritual father and musings on the big questions of life and death Professor Markides takes us as companions on his journey of discovery The insights that he communicates with such enthusiasm are timely ones here at last is a writer who challenges the seeker after mystical understanding and Eastern spirituality to discover Christianity Dr Elizabeth Theokritoff independent scholar and co editor of *The Cambridge Companion to Orthodox Christian Theology* In *Inner River* Kyriacos Markides scholar researcher author and pilgrim takes us on a thrilling quest into the heart of Christian spirituality and

mankind's desire for a transcendent experience of God From Maine's rugged shores to a Cypriot monastery to Greece's remote Mt Athos and ultimately to an Egyptian desert Markides encounters a diverse cast of characters that allows him to explore the worlds of the natural and the supernatural of religion and spirit and of the seen and the unseen Inner River will appeal to a wide range of readers from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved in the heart of Orthodox spirituality Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the worldly and the spiritual
