Pilgrimage The Of People:

Pilgrimage in Ireland Peter Harbison, 1995-06-01 The landscape of Ireland is rich with ancient carved stone crosses tomb shrines Romanesque churches round towers sundials beehive huts Ogham stones and other monuments many of them dating from before the 12th century The purpose and function of these artifacts have often been the subject of much debate Peter Harbison proposes in this book a radical hypothesis that a great many of these relics can be explained in terms of ecclesiastical pilgrimage He has constructed a fascination theory about the palace of pilgrimage in the early Christian period placing it right at the center of communal life The monuments themselves make much better sense if it looked at in this light as having come into existence not through the practices of ascetic monks but because of the activities of pilgrims He begins by searching the historical sources in detail for evidence of early pilgrimage sites By examining their monuments he projects the findings to other locations where pilgrimage has not been documented He goes on to describe monument types of every kind and to identify pilgrims in sculpture surviving from before AD 1200 The Dingle Peninsula in Kerry proves to be a microcosm of pilgrimage monuments enabling the author to reconstruct a tradition of maritime pilgrimage activity up and down the west coast of Ireland Indeed the famous medieval traveler's tale of the fabulous voyage of the St Brendan the Navigator can now be seen as the literary expression of a longstanding maritime pilgrimage along the Atlantic seaways of Ireland and Scotland reaching Iceland Greenland and even North America *Practicing Pilgrimage* Brett Webb-Mitchell, 2016-11-09 *Practicing Pilgrimage On Being and Becoming God's Pilgrim People* explores both the theological cultural and spiritual roots of Christian pilgrimage and is a how to book on doing pilgrimage in our suburban backyards city streets rural roads churches retreat centers and our everyday life Brett Webb Mitchell takes the ancient practice of Christian pilgrimage and applies it to our contemporary lives *The Church* David Zac Niringiye, 2014-12-14 In this day when Christians and churches are widely dispersed throughout the world the question Who is the church could easily be dismissed as irrelevant In this publication Bishop David Zac Niringiye pleads that as Jesus warned we should not be in haste to conclude that any community with religious titles or forms and who speaks the right language of Lord Lord is authentic church Taking his cue from Hebrews 11 and 12 the author addresses the motif of the people of God looking first at the ancient people of Israel beginning with Moses then the new Israel and the covenant in Christ born through the Holy Spirit at Pentecost and finally the life of the new community the church during the apostolic era Through this biblical journey it is made clear that as the pilgrim people of God and the new community in Christ we must be marked by faith love and hope looking forward to the full consummation of the kingdom of God justice peace and joy fully realized when the new heaven and the new earth where righteousness dwells 2 Peter 3:13 is inaugurated *Pilgrimage and Healing* Jill Dubisch, Michael Winkelman, 2014-12-15 This book creatively brings together the two literatures on pilgrimage and on ritual healing in a way neither set of books does on its own It also adds a contemporary flair with articles on Burning Man and on the Run to the
