**Off the Road** Jack Hitt, 2005-03 Off the Road is a delightfully irreverent tour of the 500 mile pilgrimage route from France to Santiago de Compostela Spain sights people believe God once touched Harper s contributing editor Jack Hitt writes of the many colorful pilgrims he met along the way in this offbeat journey through landscape and belief Peter Faber Jon Sweeney, 2021-02-01 In a time when the Church suffered violent division and strife one man peacefully modeled compassion and dialogue Peter Faber was one of the original companions who with Ignatius of Loyola founded the Society of

Jesus in 1534 From his simple upbringing in a mountain village to his years at university Faber exhibited a mind for learning and a heart for prayer After doing Ignatius's Spiritual Exercises an intense retreat for deepening one's commitment to Christ and friendship with God Faber led others to do the same and soon earned a reputation as the best teacher of the Exercises But it was a time of great dissension as the Church struggled to respond to the challenges of Martin Luther and the Protestant Reformation Battle lines were drawn in churches and conversations at meetings and councils Along with other Jesuits Faber sought to help people keep the faith In exploring Peter Faber's life of conversation we can learn a powerful and faithful response to dissent disagreement and division for his time and ours

**Crusaders** Dan Jones, 2020-10-06 A major new history of the Crusades with an unprecedented wide scope told in a tableau of portraits of people on all sides of the wars from the author of *Powers and Thrones* For more than one thousand years Christians and Muslims lived side by side sometimes at peace and sometimes at war When Christian armies seized Jerusalem in 1099 they began the most notorious period of conflict between the two religions Depending on who you ask the fall of the holy city was either an inspiring legend or the greatest of horrors In *Crusaders* Dan Jones interrogates the many sides of the larger story charting a deeply human and avowedly pluralist path through the crusading era Expanding the usual timeframe Jones looks to the roots of Christian Muslim relations in the eighth century and tracks the influence of crusading to present day He widens the geographical focus to far flung regions home to so called enemies of the Church including Spain North Africa southern France and the Baltic states By telling intimate stories of individual journeys Jones illuminates these centuries of war not only from the perspective of popes and kings but from Arab Sicilian poets Byzantine princesses Sunni scholars Shi'ite viziers Mamluk slave soldiers Mongol chieftains and barefoot friars Crusading remains a rallying call to this day but its role in the popular imagination ignores the cooperation and complicated coexistence that were just as much a feature of the period as warfare The age old relationships between faith conquest wealth power and trade meant that crusading was not only about fighting for the glory of God but also among other earthly reasons about gold In this richly dramatic narrative that gives voice to sources usually pushed to the margins Dan Jones has written an authoritative survey of the holy wars with global scope and human focus
