Pilgrims Guide To 46 Temples:

A Pilgrim's Guide to Forty-six Temples Shirō Usui, 1990 Reviewing the past and present glories of the religious centres of Kyoto this book includes the remarks and reminiscences of Japanese writers artists and philosophers It offers detailed directions points of interest background information and drawings of each temple

Making Pilgrimages Ian Reader, 2005-01-01 This study involves a fourteen hundred kilometer long pilgrimage around Japan's fourth largest island Shikoku In traveling the circuit of the eighty eight Buddhist temples that make up the route pilgrims make their journey together with Kobo Daishi 774-835 the holy miracle working figure who is at the heart of the pilgrimage Once seen as a marginal practice recent media portrayal of the pilgrimage as a symbol of Japanese cultural heritage has greatly increased the number of participants both Japanese and foreign In this absorbing look at the nature of the pilgrimage Ian Reader examines contemporary practices and beliefs in the context of historical development taking into account theoretical considerations of pilgrimage as a mode of activity and revealing how pilgrimages such as Shikoku may change in nature over the centuries This rich ethnographic work covers a wide range of pilgrimage activity and behavior drawing on accounts of pilgrims traveling by traditional means on foot as well as those taking advantage of the new package bus tours and exploring the pilgrimage's role in the everyday lives of participants and the people of Shikoku alike that have shaped it in the past and in the present including history and legend the island's landscape and residents the narratives and actions of the pilgrims and the priests who run the temples regional authorities and commercial tour operators and bus companies

Hindu Places of Pilgrimage in India Surinder M. Bhardwaj, 1983-07-08 Dr Bhardwaj's in depth study of the various aspects of the institution of pilgrimage shows that instead of being a simple practice it has been a gigantic phenomenon affecting all aspects of Indian life integrating diverse forces various cults and numerous traditions over the ages Asian Student This is the best general survey of a major religion's total pilgrimage system and the best intensive investigation of one of its subsystems Dr Bhardwaj's book is an important step towards the recognition of a social phenomenon which has for millennia played a crucial role in the integration of religions nationalities and international communities And not least importantly it is highly readable Journal of the American Academy of Religion Detailed accurate and generally informative he has succeeded in tracing for the first time the relationship of the rank order or level of a sacred place to its degree of sanctity type of deity and caste and motivation of the pilgrim The implications of Mr Bhardwaj's study are profound and necessary to the understanding of Indian religion it is fascinating Times Literary Supplement Here is a fine example of what the geographic study of India needs disciplined work that shows full awareness of Indian cultural meanings it sets a worth standard Professional Geographer

The Cheap Benares Guide-book Edward Milton Emerson, 1876

Mount Wutai Wen-shing Chou, 2018-04-10 The northern Chinese mountain range of Mount Wutai has been a preeminent site of international pilgrimage for over a millennium Home to more than one hundred temples the entire range is considered a Buddhist paradise on earth and has

received visitors ranging from emperors to monastic and lay devotees Mount Wutai explores how Qing Buddhist rulers and clerics from Inner Asia including Manchus Tibetans and Mongols reimagined the mountain as their own during the eighteenth and nineteenth centuries Wen Shing Chou examines a wealth of original source materials in multiple languages and media many never before published or translated such as temple replicas pilgrimage guides hagiographic representations and panoramic maps She shows how literary artistic and architectural depictions of the mountain permanently transformed the site's religious landscape and redefined Inner Asia's relations with China Chou addresses the pivotal but previously unacknowledged history of artistic and intellectual exchange between the varying religious linguistic and cultural traditions of the region The reimagining of Mount Wutai was a fluid endeavor that proved central to the cosmopolitanism of the Qing Empire and the mountain range became a unique site of shared diplomacy trade and religious devotion between different constituents as well as a spiritual bridge between China and Tibet A compelling exploration of the changing meaning and significance of one of the world's great religious sites Mount Wutai offers an important new framework for understanding Buddhist sacred geography

Temple melodies, 1851 *Every Pilgrim's Guide to England's Holy Places* Michael Counsell, 2003 England's rich spiritual history is portrayed in this informative pocket travel companion covering more than a thousand places that can be visited today Cathedrals and abbeys simple chapels martyrs' memorials pilgrim shrines and famous resting places are all featured in this book which connects us to our deepest spiritual roots reveals the vast holy land lying beneath our feet and tells the stories of the men and women who shaped it

Kirtland Temple David J. Howlett, 2014-05-30 The only temple completed by Mormonism's founder Joseph Smith Jr the Kirtland Temple in Kirtland Ohio receives 30 000 Mormon pilgrims every year Though the site is sacred to all Mormons the temple's religious significance and the space itself are contested by rival Mormon dominations its owner the relatively liberal Community of Christ and the larger Church of Jesus Christ of Latter-day Saints David J Howlett sets the biography of Kirtland Temple against the backdrop of religious rivalry The two sides have long contested the temple's ownership purpose and significance in both the courts and Mormon literature Yet members of each denomination have occasionally cooperated to establish periods of co-worship host joint tours and create friendships Howlett uses the temple to build a model for understanding what he calls parallel pilgrimage the set of dynamics of disagreement and alliance by religious rivals at a shared sacred site At the same time he illuminates social and intellectual changes in the two main branches of Mormonism since the 1830s providing a much needed history of the lesser known Community of Christ

Temple Melodies Darius Eliot Jones, 1858

The Autobiography of Jamgon Kongtrul Jamgon Kongtrul Lodro Taye, 2023-08-29 Jamgon Kongtrul Lodro Taye 1813-1899 was one of the most influential figures and prolific writers in the Tibetan Buddhist world He was a founder and the single most important proponent of the nonsectarian movement that flourished in eastern Tibet and remains popular today Two additional texts discuss his previous lives and recount Kongtrul's final days The Autobiography of Jamgon

Kongtrul is part of The Tsadra Foundation Series published by Snow Lion Publications

Temples and Sanctuaries in the Roman East Arthur Segal, 2013-10-31 This lavishly illustrated volume presents a comprehensive architectural study of 87 individual temples and sanctuaries built in the Roman East between the end of the 1st century BCE and the end of the 3rd century CE within a broad region encompassing the modern states of Syria Lebanon Israel and Jordan Religious architecture gave faithful expression to the complexity of the Roman East and to its multiplicity of traditions pertaining to ethnic and religious aspects as well as to the powerful influence of Imperial Rome The source of this power lay in the uniformity of the architectural language the inventory of forms the choice of styles and the spatial layout of the buildings Thus while temples have an eclectic character there is an underlying unity of form comprising the podium the stairway between the terminating walls antae and the columns along the entrance front in other words the axuality frontality and symmetry of the temple as viewed from outside The temples and sanctuaries studied in this volume demonstrate individual nuances of plan spatial design location in the sanctuary and interrelations with the immediate vicinity but can be divided into two main categories Vitruvian temples derived from Hellenistic Roman architecture and Non Vitruvian temples those with plans and spatial designs that cannot be analysed according to architectural criteria such as those defined by Vitruvius The individual descriptions presented focus solely upon the analysis of the external and internal space of the temples of all types and do not involve any cultural or ethnic discussion

AB Bookman's Weekly, 1989-09

The Eastern Land and the Western Heaven Fan Zhang, 2023-12-22 This book sheds light on the structure of a unity with diversity developed in the Qing imperial formation 1636 1912 by a case study of the Qing Tibetan encounters in the eighteenth century By analyzing historical and ethnographical materials the book investigates the translation of Chinese histories and stone inscriptions into Tibetan the transformation of the landscapes at Mount Wutai and Lhasa and the transplantation of Chinese deities and medical practices to Tibet It demonstrates the processes in which the cosmopolitan interlocutors reified imperial integrity while expressing their diverse longings and belongings It concludes that the Qing's rule over its cultural others was neither simply Sinicizing nor colonizing but a translational process in which multivocalic actors shared narratives landscapes and practices while the emperor and tantric masters performed cosmic power over humans and metahumans This book cuts across the fields of anthropology history Chinese Studies and Tibetan Studies It reflects on the concepts of sovereignty and ethnicity and it also extends the methodological horizon of historical anthropology

The Sepulchre of Christ and the Medieval West Colin Morris, 2005-03-17 The tomb of Christ at Jerusalem was a vital influence in the making of Western Europe Pilgrimage there influenced the development of society and its structures The desire to bring the Sepulchre to the West in copies or memorials shaped art and religion while the ambition to control Christ's tomb was a central objective of the crusades Western Europe responded to the loss of Jerusalem by creating a new pilgrimage to the East by making kingdoms holy lands for their subjects and by creating new pilgrim centres at home This book brings together social political and religious themes often considered

in isolation The Biblical Cosmos Robin A. Parry, 2014-10-08 Welcome to the weird and wonderful world of the Bible When we read Scripture we often imagine that the world inhabited by the Bible's characters was much the same as our own We would be wrong The biblical world is an ancient world with a flat earth that stands at the center of the cosmos and with a vast ocean in the sky chaos dragons mystical mountains demonic deserts an underground zone for the dead stars that are sentient beings and if you travel upwards and through the doors in the solid dome of the sky God's heaven the heart of the universe This book takes readers on a guided tour of the biblical cosmos with the goal of opening up the Bible in its ancient world It then goes further and seeks to show how this very ancient biblical way of seeing the world is still revelatory and can speak God's word afresh into our own modern worlds Tourism, Pilgrimage and Intercultural Dialogue Dolores

Vidal-Casellas, Silvia Aulet, Neus Crous-Costa, 2019-06-21 Religious heritage and sacred sites offer an opportunity for visitors to explore a community's cultural knowledge However it is important to consider the role of interpretation meaning experience and narrative This book is a timely re-assessment of the increasing interconnections between the management of diversity and religious tourism and secular spaces on a global stage It explores key learning points from a range of contemporary case studies on religious and pilgrimage activity these relate to ancient sacred and emerging tourist destinations and new forms of pilgrimage faith systems and quasi religious activities By providing a conceptual framework the book demonstrates the symbolism of sacred spaces within religious traditions and the relationships developed between them It offers explanations on how to manage and communicate religious diversity and provides a solid overview of Religious tourism as a tool for intercultural dialogue Interpretation of religious heritage for tourism Cross cultural contacts This book will provide a valuable resource for those researching and practising tourism management pilgrimage and religious tourism

Four Paths to Jerusalem Hunt Janin, 2015-08-13 Jerusalem has long been one of the most sought after destinations for the followers of three world faiths and for secularists alike For Jews it has the Western Wall for Christians it is where Christ suffered and triumphed for Muslims it offers the Dome of the Rock and for secularists it is an archeological challenge and a place of tragedy and beauty This work concentrates on Jewish Christian Muslim and secular pilgrimages to Jerusalem over the last three millennia drawing from over 165 accounts of travels to the ancient city Chapters are devoted to ghostly and other pilgrims the significance of Jerusalem the beginnings of the pilgrimage in the time of kings David and Solomon pilgrimages under Roman and Byzantine rule Christian and Muslim pilgrimages in the early Islamic period pilgrimages in the First Crusade and its aftermath more crusades and pilgrims during the Ayyubid and Mamluk dynasties pilgrimages under Ottoman rule pilgrimages under the British and Israelis and the unity among pilgrims and the symbolism of the journey

Pilgrimage Explored Jennie Stopford, 1999 The history and underlying ideology of pilgrimage examined from prehistory to the middle ages **Exploring Jewish Literature of the Second Temple Period** Larry R. Helyer, 2002-07-05 Larry R Helyer provides an introduction and historical context for the wealth of Jewish literature outside the Hebrew Bible and he

explores the pressures realities questions and dreams that nurtured and provoked these written works *Temples of the
Orient and Their Message in the Light of Holy Scriptures, Dante's Vision, and Bunyan's Allegory* Elizabeth Anna Gordon, 1902
