Pilgrims Promise:

The Pilgrim's Progress John Bunyan, 1678 *The Postmodern Pilgrim's Progress* Kyle Mann, Joel Berry, 2022-06-07

From the editor in chief and managing editor of the Babylon Bee A millennial seeker travels through a twenty first century take on The Pilgrim's Progress with allegorical versions of all our modern vices tempting him along the way as well as a few timeless personified virtues that just might see him through Biting satire and uncommon wisdom from the creators of the internet's most influential comedy site and an author of national bestseller The Babylon Bee Guide to Wokeness Ryan Fleming is a young agnostic reeling from his brother's death Though he is deeply angry with God he makes good on a promise he made to his brother in the final moments of his life to visit a church at least once But shortly after his arrival the slick megachurch's shoddily installed video projector falls on his head sending Ryan through a wormhole into another world After a narrow escape from the City of Destruction where the comfortably numb townspeople are oblivious to the fire and brimstone falling like bombs in their midst and destroying their homes Ryan finds himself on a quest To make it back to his own universe he must partner with a woman named Faith to awaken a long sleeping King the World Maker who can make all things new Replete with characters ripped straight from the twenty first century American church including Radical Mr Satan the Smiling Preacher and others this sometimes humorous always insightful trek parallels Christian's fictional journey in Pilgrim's Progress Prepare to laugh cry cringe feel convicted and ultimately be changed by the time the story ends The Postmodern Pilgrim's Progress is brought to you by Kyle Mann and Joel Berry the two comedic minds behind The Babylon Bee which with 250 000 newsletter subscribers and more than fifteen million page views per month is the most popular satirical news site on the planet
