Pilgrims Rules Of Etiquette A Novel:

The Pilgrim's Rules of Etiquette Taghi Modarressi, 1989 **The Oxford History of the Novel in English** Simon Gikandi, 2016-09-05 Why did the novel take such a long time to emerge in the colonial world And what cultural work did it come to perform in societies where subjects were not free and modes of social organization diverged from the European cultural centers where the novel gained its form and audience Answering these questions and more Volume 11 The Novel in Africa and the Caribbean since 1950 explores the institutions of cultural production that exerted influence in late colonialism from missionary schools and metropolitan publishers to universities and small presses How these structures provoke and respond to the literary trends and social peculiarities of Africa and the Caribbean impacts not only the writing and reading of novels in those regions but also has a transformative effect on the novel as a global phenomenon Together the volume s 32 contributing experts tell a story about the close relationship between the novel and the project of decolonization and explore the multiple ways in which novels enable readers to imagine communities beyond their own and thus made this form of literature a compelling catalyst for cultural transformation The authors show that even as the novel grows in Africa and the Caribbean as a mark of the elites mastery of European form it becomes the essential instrument for critiquing colonialism and for articulating the new horizons of cultural nationalism Within this historical context the volume examines works by authors such as Chinua Achebe Nadine Gordimer George Lamming Jamaica Kincaid V S Naipaul Zoe Wicomb J M Coetzee and many others **The Virgin of Solitude** Taghi Modarressi, 2008-10-31 On the streets of Tehran Nuri Hushiar knows his blond hair and blue eyes attract attention While he relishes the attention he cannot avoid the uneasy feeling of being out of place This sense of being exceptional and estranged is the hallmark of his character and the focus of his struggle in Taghi Modarressi s last stunning novel Set around the time of the revolution The Virgin of Solitude follows the parallel lives of a transplanted Austrian woman who has made Iran her home and her grandson Nuri who desperately misses his mother but hides his longing behind a veneer of teenage bravado As the turmoil of the revolution envelops the country grandmother and grandson witness the dissolution of social class and political order while searching for a sense of belonging Nasrin Rahimieh s translation captures the tone and mood of the original rendering both Modarressi s subtle humor and assured prose with effortless precision **Strange Times, My Dear** Nahid Mozaffari, Ahmad Karimi-Hakkak, 2012-01-13 When Arcade Publishing originally contracted this extraordinary collection of poetry and literature the Department of the Treasury was attempting to censor the publication of works from countries on America s enemies list Arcade along with the PEN American Center the Association of American Publishers Professional and Scholarly Publishing Division and the Association of American University Presses filed a lawsuit in federal court against the United States government Their landmark case forced the Office of Foreign Assets Control to change their regulations regarding editing and publishing literature in translation and Arcade is proud to reissue this anthology that showcases the developments in Iranian literature over the past

quarter century Since the Iranian revolution of 1979 the United States has been virtually cut off from that country's culture Despite severe difficulties imposed by social political and economic upheavals as well as war repression and censorship a veritable cultural renewal has taken place in Iran over the past quarter century not only in literature but in music art and cinema Over forty writers from three generations contributed to this rich and varied collection or to use the Persian term *golchine* a bouquet one that provides a much needed window into a largely undiscovered branch of world literature In the wake of the Green Revolution and sweeping changes in the region this particular *golchine* is more relevant than ever and will bring literary enjoyment as well as a fuller understanding of a complex and ever shifting culture **The Hidden Hand**

Daniel Pipes, 1998 A noted Middle East specialist looks at conspiracy theories and the way they control life and politics in the region **The African Palimpsest** Chantal J. Zabus, 2007 Uniting a sense of the political dimensions of language appropriation with a serious yet accessible linguistic terminology *The African Palimpsest* examines the strategies of indigenization whereby West African writers have made their literary English or French distinctively African Through the apt metaphor of the palimpsest a surface that has been written on written over partially erased and written over again the book examines such well known West African writers as Achebe Armah Ekwensi Kourouma Okara Saro Wiwa Soyinka and Tutuola as well as lesser known writers from francophone and anglophone Africa Providing a great variety of case studies in Nigerian Pidgin Akan Igbo Maninka Yoruba Wolof and other African languages the book also clarifies the vital interface between Europhone African writing and the new outlets for African artistic expression in auto translation broadcast television radio and film Hailed as a classic in the 1990s *The African Palimpsest* is here reprinted in a completely revised edition with a new Introduction updated data and bibliography and with due consideration of more recent theoretical approaches A very valuable book a detailed exploration in its concern with language change as demonstrated in post colonial African literatures Bill Ashcroft University of New South Wales Apart from its great documentary value *The African Palimpsest* provides many theoretical concepts that will be useful to scholars of African literatures linguists in general as well as comparatists who want to gain fresh insights into the processes by which Vulgar Latin once gave birth to the Romance languages Ahmed Sheikh Bangura University of California Santa Barbara As Zabus book suggests it is the area where the various languages of a community meet and cross over that is likely to provide the most productive site for the generation of a new literature that is true to the real linguistic situation that pertains in so much of contemporary urban Africa Stewart Brown University of Birmingham **Ethnic American Literature** Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the

ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie A Raisin in the Sun American Born Chinese and The House on Mango Street The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry

Language and Translation in Postcolonial Literatures Simona Bertacco, 2013-12-17 This collection gathers together a stellar group of contributors offering innovative perspectives on the issues of language and translation in postcolonial studies In a world where bi and multilingualism have become quite normal this volume identifies a gap in the critical apparatus in postcolonial studies in order to read cultural texts emerging out of multilingual contexts The role of translation and an awareness of the multilingual spaces in which many postcolonial texts are written are fundamental issues with which postcolonial studies needs to engage in a far more concerted fashion The essays in this book by contributors from Australia New Zealand Zimbabwe Cyprus Malaysia Quebec Ireland France Scotland the US and Italy outline a pragmatics of language and translation of value to scholars with an interest in the changing forms of literature and culture in our times Essay topics include multilingual textual politics the benefits of multilingual education in postcolonial countries the language of gender and sexuality in postcolonial literatures translational cities postcolonial calligraphy globalization and the new digital ecology

Iranian Culture Nasrin Rahimieh, 2015-08-27 Throughout modern Iranian history culture has served as a means of imposing unity and cohesion onto society The Pahlavi monarchs used it to project an image of Iran as an ancient civilisation re emerging as an equal to Western nations while the revolutionaries deployed it to remake the country into an Islamic nation Just as Iranian culture has been continually re interpreted the representations and avocations of Iranian identity vary amongst Iranians across the world Iranian Culture Representation and Identity demonstrates these fissures and the incompatibilities that refuse to be written out of national culture analysing works of literature popular music graphic art and film as well as oral narratives Using works produced before and after the 1979 revolution created both inside and outside of Iran this study reveals neglected complexities and contradictions in the field of Iranian cultural production It considers how contested claims to culture whether they originated in Iran or the Iranian diaspora shape our understanding of this culture and what spaces they create for new articulations of it and in doing so offers an important re examination of our collective concept of culture This book would be an excellent resource for students and scholars of Middle East Studies and Iranian Studies specifically Iranian culture including film and contemporary literature and the Iranian diaspora

Anne Tyler Paul Bail, 1998-10-15 Anne Tyler s novels strike a deep chord of responsiveness in her readers because her novels bring to life contemporary characters to whom we can instantly relate and in whose experiences we can see mirrored our own Tyler s novels deal with the human experience relationships between

marital partners between parents and children between siblings the meaning of love the nature of identity impermanence and change and loss and continuity In Anne Tyler novels life is a complexity whose texture is built out of multiple layers In this insightful study Paul Bail shows us how Tyler constructs the complex reality of life through character narrative point of view theme and literary devices With the exception of Tyler s earliest two novels which she prefers to forget a chapter is devoted to each of the other novels she has written Among the twelve are her unforgettable novels of family relationships and love loss and renewal such as *Dinner at the Homesick Restaurant* *The Accidental Tourist* and *Breathing Lessons* Also included is an analysis of Tyler s most recent novel *A Patchwork Planet* Following a biographical chapter that relates Tyler s life to her work Bail discusses the novels within the literary tradition of Southern regional literature women s literature and popular culture He also explores the influence of religion on her writing Each novel is discussed in an individual chapter that includes sections on plot characters themes literary devices historical setting and point of view Bail also offers an alternate critical approach from which to read the novel such as feminist or multicultural criticism This study is ideal for students and readers of Anne Tyler and will enrich the reading and appreciation of her novels
