Muslims overcome the prejudices and expand the faith of a typical American Evangelical Christian living in the Horn of Africa When Rachel Pieh Jones moved from Minnesota to rural Somalia with her husband and twin toddlers eighteen years ago she was secure in a faith that defined who was right and who was wrong who was saved and who needed saving She had been taught that Islam was evil full of lies and darkness and that the world would be better without it Luckily locals show compassion for this blundering outsider who can't keep her headscarf on or her toddlers from tripping over AK 47s After the murder of several foreigners forces them to evacuate the Joneses resettle in nearby Djibouti Jones recounts often entertainingly the personal encounters and growing friendships that gradually dismantle her unspoken fears and prejudices and deepen her appreciation for Islam Unexpectedly along the way she also gains a far richer understanding of her own Christian faith Grouping her stories around the five pillars of Islam creed prayer fasting giving and pilgrimage Jones shows how her Muslim friends devotion to these pillars leads her to rediscover ancient Christian practices her own religious tradition has lost or neglected Jones brings the reader along as she reexamines her assumptions about faith and God through the lens of Islam and Somali culture Are God and Allah the same What happens when one's ideas about God and the Bible crumble and the only people around are Muslims What happens is that she discovers that Jesus is more generous daring and loving than she ever imagined

Pillars of Orthodoxy John A. Broadus, J. R. Graves, J. M. Pendleton, James P. Boyce, John T. Christian, 1901 This book is a history an album and a collection of the choicest sermons and essays It is a history of our great leaders who have fought hard and long for Bible principles and doctrines and by their consecrated and in some instances heroic lives have shown themselves to be worthy of the title Pillars of Orthodoxy The arrangement of the book is such that the reader can study separately the lives of each of these great men and read the specimen sermon or essay without reference to any of the others Each life sketch is complete in itself and no one chapter is dependent on another The life sketch of Richard Fuller and his great sermon on the Desire of All Nations for instance is a complete chapter to itself without reference to anything else in the book This feature enables the busy reader to read a chapter at a time and there is nothing lost by the long intervals between his opportunities to read In a book where one chapter is directly connected with another much is lost by failing to

Exposition of the Christian Faith Saint Ambrose, Aeterna Press, The author praises Gratian's zeal for instruction in the Faith and speaks lowly of his own merits Taught of God Himself the Emperor stands in no need of human instruction yet this his devoutness prepares the way to victory The task appointed to the author is difficult in the accomplishment whereof he will be guided not so much by reason and argument as by authority especially that of the Nicene Council

The Four Pillars of Christianity: Essential Knowledge for Every Christian Wade Smith, D. Min Kevin McKee, 2019-01-08 Christianity is based upon claims that are nothing short of remarkable So what exactly is Christianity It stands on these four pillars We claim there is a God We assert that God came to earth as man lived a sinless and blameless life and willingly sacrificed himself as a solution to sin and a means to reconcile man with God We also claim that the crucifixion of this man was not the end of the story Indeed it was just the start of a truly remarkable third claim that the crucified man was brought back to life after being most decidedly dead Finally we declare that because the first three claims are true we have a means to understand and respond to suffering and pain that transcends whatever circumstances

we may find ourselves in Each claim is an indispensable part of Christianity We owe a reasoned answer to the skeptic who is asking with good reason why anyone might believe such incredible claims Also since God left the church to spread his story we owe it to God to tell his story accurately To God be the glory *The Pillars of Christian Character* John MacArthur,1998 One of Christianity's most respected pastors examines fourteen distinctive biblical attitudes that demonstrate an active living maturing faith and mark a person as one of God's own *A Well-built Faith* Joe Paprocki,2008 Teaching the Catholic faith can be quite a challenge if you lack an adequate understanding of the Catholic faith yourself And given the fact that the Catechism of the Catholic Church is over 900 pages in length it's no wonder that Catholics struggle to comprehend their faith A Well Built Faith creatively developed around a construction theme makes it easy for Catholics to know what they believe and to feel confident in sharing those beliefs This 18 chapter book by master teacher Joe Paprocki follows the structure of the four pillars of the Catechism of the Catholic Church Creed Sacraments Morality and Prayer making it a wonderful resource for learning about and teaching the Catholic faith Highly informative and very fun at the same time A Well Built Faith is a must have tool for developing the Catholic faith **Pillar of Fire, Pillar of Truth** Catholic Answers, Incorporated,1997
