Hydrographic Office,1931      *Flying Blind* Peter Robison,2021-11-30 NEW YORK TIMES BESTSELLER A suspenseful behind the scenes look at the dysfunction that contributed to one of the worst tragedies in modern aviation the 2018 and 2019 crashes of the Boeing 737 MAX An authoritative gripping and finely detailed narrative that charts the decline of one of the great American companies New York Times Book Review from the award winning reporter for Bloomberg Boeing is a century old titan of industry It played a major role in the early days of commercial flight

World War II bombing missions and moon landings The planemaker remains a cornerstone of the U S economy as well as a linchpin in the awesome routine of modern air travel But in 2018 and 2019 two crashes of the Boeing 737 MAX 8 killed 346 people The crashes exposed a shocking pattern of malfeasance leading to the biggest crisis in the company s history and one of the costliest corporate scandals ever How did things go so horribly wrong at Boeing Flying Blind is the definitive expos of the disasters that transfixed the world Drawing from exclusive interviews with current and former employees of Boeing and the FAA industry executives and analysts and family members of the victims it reveals how a broken corporate culture paved the way for catastrophe It shows how in the race to beat the competition and reward top executives Boeing skimped on testing pressured employees to meet unrealistic deadlines and convinced regulators to put planes into service without properly equipping them or their pilots for flight It examines how the company once a treasured American innovator became obsessed with the bottom line putting shareholders over customers employees and communities By Bloomberg investigative journalist Peter Robison who covered Boeing as a beat reporter during the company s fateful merger with McDonnell Douglas in the late 90s this is the story of a business gone wildly off course At once riveting and disturbing it shows how an iconic company fell prey to a win at all costs mentality threatening an industry and endangering countless lives **Official**
