Taprell Dorling, 2023-09-18 *Pincher Martin* O D A Story of the Inner Life of the Royal Navy a classical book has been considered essential throughout the human history and so that this work is never forgotten we at Alpha Editions have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable **Lord of the Flies ; Pincher Martin ; Rites of Passage** William Golding, 1984-01 *The Spire* William Golding, 2013-11-05 Succumb to one churchman s apocalyptic vision in this prophetic tale by the radical Nobel Laureate and author of *Lord of the Flies* William Golding recorded by Benedict Cumberbatch as an audiobook There were three sorts of people Those who ran those who stayed and those who were built in Dean Jocelin has a vision that God has chosen him to erect a great spire His master builder fearfully advises against it for the old cathedral was miraculously built without foundations But Jocelin is obsessed with fashioning his prayer in stone As his halo of hair grows wilder and his dark angel darker the spire rises octagon upon octagon pinnacle by pinnacle watched over by the gargoyles until the stone pillars shriek the earth beneath creeps and the spire s shadow falls like an axe on the medieval world below Astounding So recklessly beautiful so sad and so strange Holds such a place in my soul that it s more or less a sacred text Sarah Perry A kind of miracle Genius Guardian Quite simply a marvel NYRB Superb A classic Rebecca West A master fabulist An iconoclast John Fowles A visionary His masterwork of faith folly and desperate desire Golding at his best Benjamin Myers *William Golding* James Gindin, 2016-01-06 **Pincher Martin** William G. Golding, 1979 **The Pyramid** William Golding, 2013-08-01 Follow young Oliver s rebellious coming of age in the village of Stillbourne in this comic novel by the radical Nobel Laureate and author of *Lord of the Flies* Eighteen is a good time for suffering Welcome to the country town of Stillbourne Restless teenage resident Oliver wants to enjoy himself before going to university beginning with his pursuit of the Town Crier s daughter But in this claustrophobic community stifled by the English class system and where everybody knows everyone s business love lust and rebellion are closely followed by revenge and embarrassment Golding depicts with subtle skill all the pains of growing up and growing old He treats us to some superb comic episodes Daily Telegraph Golding

s most approachable novel and a curiously personal one that returns to the mind again and again as if the shames and idylls were one's own Guardian Neatly drawn funny and touching The snap the tang and the tension in Golding's prose is always a pleasure Harper's Robinson Crusoe Lieve Spaas, Brian Stimpson, 2016-01-07 Robinson Crusoe explores Defoe's story the legend it captured the universal desire which underlies the myth and a range of modern re-writings which reveal a continued fascination with the problematic character of this narrative Whether envisaged as an heroic rejection of the old world order a piece of pre-colonialist propaganda or a tale raising archetypal problems of otherness and inequality the mythic value of Crusoe has become a pretext over many centuries for an examination of some of the fundamental problems of existence This collection of essays examines from a wide range of critical and philosophical perspectives the cultural manifestations of Robinson Crusoe in different centuries in different media in different genres *Animal Narratology* Joela Jacobs, 2020-12-15 Animal Narratology interrogates what it means to narrate to speak speak for on behalf of and to voice or represent life beyond the human which is in itself as different as insects bears and dogs are from each other and yet more as individual as a single mouse horse or puma The varied contributions to this interdisciplinary Special Issue highlight assumptions about the human perception of attitude toward and responsibility for the animals that are read and written about thus demonstrating that just as the animal does not exist neither does the human In their zoopoetic focus the analyses are aware that animal narratology ultimately always contains an approximation of an animal perspective in human terms and terminology yet they make clear that what matters is how the animal is approximated and that there is an effort to approach and encounter the non-human in the first place Many of the analyses come to the conclusion that literary animals give readers the opportunity to expand their own points of view both on themselves and others by adopting another's perspective to the degree that such an endeavor is possible Ultimately the contributions call for a recognition of the many spaces moments and modes in which human lives are entangled with those of animals one of which is located within the creative bounds of storytelling Three Novels William Golding, 1997 Three novels by the author of Lord of the Flies including Pincher Martin Free Fall and The Inheritors **Free fall** William Golding, 1959 **The Scorpion God** William Golding, 2022-11-03 **The Double Tongue** William Golding, 1999-10 A final draft of Nobel Laureate William Golding's last novel published two years after his sudden death in 1993 The story explores the relationships between the mystical the sacred and the profane in ancient Greece through an octogenarian prophetess's account of her life from birth onward Annotation copyright by Book News Inc Portland OR **Close Quarters** William Golding, 2013-11-05 Lose yourself in an epic naval journey in the second novel in the Booker Prize winning historical fiction Sea Trilogy by the author of Lord of the Flies This tropical nowhere was the whole world the whole imaginable world A decrepit warship is becalmed halfway to Australia stilled in an ocean wilderness of heat and sea mists In this surreal fete-like atmosphere a ball is held with a passing ship the passengers dance and flirt while beneath them seaweed-like green hair spreads ominously over the hull Half mad with fear drink love and opium both vessel and passengers
